2012 Program Descriptions

Program	Program Description	Type of Funding	Resources Available
Agriculture and Markets (Ag and Mkts)			
Agriculture Development Program	Funding provided by the NYSDAM will be used for a project or projects designed and intended for the purpose of establishing, maintaining, or expanding agricultural operations, or for providing facilities and/or markets for the production, manufacturing, processing, warehousing, or distribution or sale of New York crops, livestock and livestock products. The goal of this program is to promote agricultural economic development through funding a project or projects that will increase New York farm viability through expansion, value added production, diversification, or long term reduction of operating costs.	Grant	Up to \$3 million
New York State Council on the Arts (Arts)			
Arts Grant Program	Funds are available under Article 3 of the Arts and Cultural Affairs Law for the study of and presentation of the performing and fine arts; surveys to encourage participation in the arts; to encourage public interest in the cultural heritage of the state, and to promote tourism by supporting arts and cultural projects.	Grant	Up to \$4 million
NYS Canal Corporation (Canals)			
Canalway Matching Grant Program	The "Canalway Grants Program" is a competitive grants program available to eligible municipalities and 501(c)(3) non-profit organizations along the New York State Canal System. Projects are intended to meet the objectives of the Regional Economic Development Councils and the NYS Canal Recreationway Plan.	Grant	Up to \$1 million
Department of Environmental Facilities (DEC)			
Clean Water State Revolving Fund (CWSRF)	The New York State Environmental Facilities Corporation (EFC), in conjunction with the New York State Department of Environmental Conservation (DEC), will offer grants to municipalities to help pay for the initial planning of eligible Clean Water State Revolving Fund (CWSRF) water quality projects. The CWSRF Engineering Planning Grant will assist municipalities facing economic hardship with the engineering and planning costs of CWSRF-eligible water quality projects. Grants of up to \$30,000 (with a 20% required local match) will be provided for engineering and planning services for the production of an engineering report.	Grant	Up to \$2 million
Empire State Development (ESD)			
Excelsior Jobs Program (EJP)	Refundable tax credits are available for strategic businesses such as high tech, bio-tech, clean-tech and manufacturing that create or retain jobs or make significant capital investments. Businesses meeting the eligibility criteria may apply for assistance at locations throughout NYS.	Tax Credit	Up to \$70 million
ESD Grant Funds	ESD has several grant programs that together make available \$174 million of capital grant funding for the State's Regional Economic Development Council Initiative. The programs that are included under this category are: Regional Council Capital Fund (Up to \$150 million), Empire State Economic Development Fund (Up to \$20 million); and Urban and Community Development Program (Up to \$4 million). Capital grant funding will be allocated among the ten regions, each represented by a Regional Council, based on the implementation of the Strategic Plan and will be allocated to priority projects identified by the Regional Councils as significant, regionally supported and capable of stimulating economic investment.	Grant	Up to \$174 million
Regional Tourism Marketing Initiative (RTMI)	Regional Tourism Marketing Grant projects promote regionally themed marketing projects and promote tourism destinations, attractions, events and other tourism-related activities that work to support the Regional Council long term strategic plans for economic growth in their regions, as well as to attract visitors to New York State.	Grant	Up to \$3 million
Environmental Investment Program (EIP)	The Environmental Investment Program (EIP) helps businesses capture the economic benefits associated with pollution prevention, waste reduction, re-use and recycling. The program provides capital, technical assistance, and research and development grants that expand the ability to recycle solid and industrial waste into higher value products, or reduce pollution and waste at the point of generation. The program is funded through appropriations from the Environmental Protection Fund.	Grant	Up to \$1 million
Industrial Development Bond Cap (IDB CAP)			
Industrial Development Bond Cap (IDB Cap)	Up to \$350 million from the Federal IDB Cap allocation will be available for State and local government issuers to sell tax exempt bonds for private projects that demonstrate a public purpose.	Tax Exempt Bond	Up to \$350 million

Program	Program Description	Type of Funding	Resources Available
Homes and Community Renewal, Office of Community Renewal (HCR and HCR/OCR)			
Urban Initiatives Program (UI)	The purpose of the Urban Initiatives program is to provide financial/technical resources to New York communities for the restoration and improvement of housing, commercial areas and public/community facilities in urban neighborhoods. This program will provide grants to not-for-profit community based organizations and charitable organizations that have a direct interest in improving the health, safety and economic viability of a distressed urban neighborhood or other aspects of the area environment that are related to community preservation or renewal activities. The UI program provides applicants flexibility in determining the exact nature of their revitalization efforts and program priorities.	Grant	Up to \$4 million
Rural Area Revitalization Projects (RARP)	The purpose of the Rural Area Revitalization Program (RARP) is to provide financial/technical resources to New York communities for the restoration and improvement of housing, commercial areas and public/community facilities in rural areas of the state. This program will provide grants to not for-profit community based organizations and charitable organizations that have a direct interest in improving the health, safety and economic viability of a rural area or other aspects of the area environment that are related to community preservation or renewal activities. RARP provides applicants flexibility in determining the exact nature of their revitalization efforts and project priorities.	Grant	Up to \$4 million
New York State Community Development Block Grant Program (CDBG)	The Community Development Block Grant (CDBG) Program provides funding to small communities and counties in New York State with a great opportunity to undertake activities that focus on community development needs such as creating or expanding job opportunities, providing safe affordable housing, and/or addressing local public infrastructure and public facilities issues. The primary statutory objective of the CDBG program is to develop viable communities by providing decent housing and a suitable living environment by expanding economic opportunities, principally for persons of low and moderate income.	Grant	Up to \$28 million
New York Main Street Program (NYMS)	The New York Main Street Program (NYMS) provides resources for the purpose of assisting New York's communities with their Main Street and downtown revitalization efforts. NYMS endeavors to stimulate reinvestment in properties located within the mixed-use commercial districts and adjacent neighborhoods by providing resources with the goal of establishing sustainable downtown and neighborhood revitalization and investing in projects that provide economic and housing opportunities.	Grant	Up to \$5.2 million
Office of Parks, Recreation and Historic Preservation (Parks)			
EPF Municipal Grants	For the development of parks and recreational facilities to preserve, rehabilitate or restore lands, waters or structures for park, recreation or conservation purposes and for structural assessments or planning for such projects. For the acquisition of a permanent easement or fee title to lands, waters or structures for park, recreation, conservation or historic preservation purposes and for projects identified in a local heritage area management plan. For the improvement, protection, preservation, rehabilitation or restoration of properties listed on the State or National Registers of Historic Places and for structural assessments or planning for such projects. For projects to preserve, rehabilitate or restore lands, waters or structures, identified in the approved management plans for Heritage Areas.	Grant	Up to \$16 million
Department of Labor (DOL)			
Worker Skills Upgrading	Grant funding to private sector for-profit and not-for-profit businesses for skills upgrading of their workforce. Includes providing training to: new hires who are long-term unemployed individuals to perform their required job duties; long term unemployed individuals in a customized classroom setting with a commitment to hire individuals who successfully complete the training; and existing employees who without the training are at risk of being laid off.	Grant	Up to \$5 million
Department of State (DOS)			
Local Waterfront Program	The Local Waterfront Revitalization Program provides matching grants on a competitive basis to revitalize communities and waterfronts	Grant	Up to \$5 million
New York State Energy Research and Development Authority (NYSERDA)			
Energy Efficiency Programs	NYSERDA's Commercial and Industrial (C&I) programs offer New York businesses solutions to improve energy efficiency and save money through design, new construction, renovation, and process improvements to commercial and industrial buildings. The New Construction Program and Existing Facilities Program help building owners make informed decisions to design and renovate sustainable buildings. The FlexTech program can offer energy saving opportunities through consultation and cost-sharing studies. Industrial and Process Efficiency Program can help organizations increase product output and data processing efficiency.	Incentive	Up to \$50 million
Regional Economic Development and Greenhouse Gas Reduction Program (REDGHG)	The Regional Economic Development and Greenhouse Gas Reduction Program (REDGHG) will award cost-share funding for energy efficiency, renewable energy, and/or carbon abatement projects that address the regional priorities of the Regional Economic Development Councils (REDCs), result in strategic investments, and build the capacity within the region to participate in the State's clean energy economy.	Grant	Up to \$12 million
Environmental Facilities Corporation (EFC)			
Green Innovation Grant Program (GIGP)	The Green Innovation Grant Program (GIGP) provides grants on a competitive basis to projects that improve water quality and demonstrate green stormwater infrastructure in New York. GIGP is administered by NYS Environmental Facilities Corporation (EFC) through the Clean Water State Revolving Fund (CWSRF) and is funded with a grant from the US Environmental Protection Agency (EPA).	Federal Grant	Up to \$13 million

19209	Fulton	Gloversville/Johnstown Waste Water Treatment Facility	Facility Improvements	The Gloversville-Johnstown Waste water treatment facility will make improvements necessary to accommodate Fage Yogurt's plant expansion.	ESD	\$1,000,000
17439	Fulton	Village of Northville	Construction of Waterfront Access with ADA Bridge	The Village of Northville will develop two parks located on the south basin of Northville Lake, providing waterfront access to the general public. The Village will construct a handicap accessible bridge along the shoreline, linking the two parks and eliminating an existing pedestrian safety hazard. Improvements will include picnic areas, docks, boat launch and fishing access.	Parks	\$75,000
19589	Fulton, Herkimer, Montgomery, Oneida, Otsego, Schoharie	Otsego County	Planning for Mohawk Valley Main Street Program	Otsego County will establish a Regional Main Street Coordinating Program to help revitalize communities located along the Erie Canalway National Heritage Corridor, Mohawk Valley Heritage Corridor, Erie Canalway, the Mohawk River, Otsego Lake and the Susquehanna River, with a focus on traditional commercial downtowns.	DOS	\$300,000
14000	Herkimer	City of Little Falls	Center City Redevelopment Program	The City of Little Falls in Herkimer County will rehabilitate three mixed-use downtown buildings. The award will be combined with Community Development Block Grant (CDBG) and HOME funds for interior and exterior renovations to ten residential units and three commercial units.	HCR	\$245,000
19405	Herkimer	Herkimer County Industrial Development Agency	Small Business Revolving Loan Fund	Herkimer County IDA will replenish its Revolving Loan Fund to assist small business with projects and job creation in the County.	ESD	\$50,000
16409	Herkimer	Old Forge Properties Inc.	Biomass District Heating Project	This project consists of the installation of a biomass (wood chip) district heating system for multiple properties, including Enchanted Forest/Water Safari and Water's Edge Inn and Conference Center, to eliminate use of #2 heating fuel.	NYSERDA	\$1,000,000
14802	Herkimer	Strand Theatre of Old Forge	Digital Conversion	The Strand Theatre, an independent movie theater located in the Adirondack village of Old Forge, will convert from film to a digital format in order to remain open.	ESD	\$25,000
17148	Herkimer	Town of German Flatts	Town of German Flatts Park	The Town of German Flatts will develop a Town Park adjacent to the historic Fort Herkimer Church, the Canalway trail, and the Erie Canal. Improvements will include an ADA accessible trail connection, trail surface improvements, and park enhancements.	Canals	\$150,000
19795	Herkimer	Town of Herkimer	East Herkimer Sewer Project	Project calls for the tie-in and extension of 5,600 LF of sanitary sewer line in order to service a 46-acre commercially zoned campus with a 430,000 sq.ft. warehouse distribution facility currently operating with a septic system.	ESD	\$500,000
17487	Herkimer	Turbo Machined Products LLC	Expansion for the Manufacturing of Jet Engine Parts	Turbo Machined Products will install state-of-the-art CNC equipment to manufacture jet engine parts for leading engine builders.	ESD	\$100,000
17519	Herkimer	Valley Health Services, Inc.	Living Learning Community	Valley Health Services, Inc. of Herkimer will train 20 unemployed workers as Certified Nursing Assistants and Home Health Aides and develop a Living/Learning Community, a supportive housing facility for older individuals.	DOL, ESD	\$1,829,750

CFA #	County	Applicant	Project Title	Description	Agency	Total CFA Award
15727	Herkimer	Village of Frankfort	Small Business Improvement Program	The Village of Frankfort's Small Business Assistance Program will provide Main Street businesses with a 'face lift' in compliance with design standards developed as part of a Local Waterfront Revitalization Plan.	ESD	\$50,000
17291	Herkimer	Village of Herkimer	Bellinger Brook Culvert Rehabilitation	The Village of Herkimer will make improvements to the Bellinger Creek drainage system. The project will alleviate damaging flooding of neighborhoods, the entranceway to Herkimer County Community College, Valley Health Nursing Facility and Herkimer High School.	HCR	\$225,000
15667	Herkimer	Village of Mohawk	Design and Construct Kayak/Canoe Launch along Erie Canal/Mohawk River	The Village of Mohawk will design and construct a kayak/canoe launch with parking amenities and signage along the Erie Canal/Mohawk River. The boat launch is a five mile paddle distance from a similar launch in Frankfort and will serve as a catalyst for development of a blueway trail along this waterway. This project will implement the Village's 2012 Strategic Plan to expand recreational opportunities, attract more visitors, and improve quality of life in the community.	DOS	\$22,500
15669	Herkimer	Village of Mohawk	Design and Construct Village Gateway Enhancements	The Village of Mohawk, in partnership with downtown property owners, will design and implement storefront, upper level residential, and pedestrian improvements to revitalize the Village's Downtown and improve the pedestrian experience to make a more welcoming visitor experience.	DOS	\$75,000
18660	Herkimer, Lewis	Burrows Paper Corporation	Facility Upgrade and Increased Productivity	Burrows Paper will upgrade its manufacturing operations, investing \$21.6 million and retaining 162 jobs.	ESD	\$550,000
18579	Herkimer, Montgomery	Renaissance Grants Planning LLC	Gehring Tricot Expansion Project	Gehring Tricot Corp. will expand its fabric manufacturing and weaving operations at three facilities. Gehring Tricot will invest \$1 million and create 28 jobs.	ESD	\$950,000
12945	Montgomery	Amsterdam Industrial Development Agency	Mohawk Fabrics Expansion	Mohawk Fabrics, a manufacturer and distributor of industrial and commercial textiles and fabrics, expanded its manufacturing facility and now will invest in two knitting machines and install a 50-70 Kwan solar energy system, in order to accommodate demand for new orders and eliminate out-of-state outsourcing currently being done.	ESD, HCR	\$1,380,000
18037	Montgomery	Amsterdam Industrial Development Agency	Pro Zone Lockers	The City of Amsterdam will assist in the expansion of ProZone Lockers. ProZone Lockers manufactures custom lockers for schools, universities, sports complexes and professional sport locker rooms.	ESD, HCR	\$255,000
15862	Montgomery	City of Amsterdam	Storm Sewer Separation Phase III	The City of Amsterdam will implement the Storm Sewer Separation program to eliminate storm and sanitary cross connections in certain sections of the city. Leaking and broken sewer lines and deteriorated man holes will also be replaced.	HCR	\$600,000
18032	Montgomery	City of Amsterdam	Downtown Revitalization - Building Reuse	The Amsterdam IDA is working to revitalize the city's core, central business district. The project involves completion of final designs and the renovation of two vacant Main Street buildings to serve as the cornerstone for downtown revitalization.	DOS, ESD	\$425,000
16890	Montgomery	Richardson Brands	Save Canajoharie	Richardson will purchase equipment including a customer chocolate enrober, a mogul machine, a stick depositor conveyor and two stick flow wrappers. In addition, it will repair and upgrade the exterior and make renovations throughout the facility.	ESD	\$100,000
18319	Montgomery	St Marys Healthcare	Outpatient Pavilion Expansion	St. Mary's Healthcare plans to build a new 34,000 square foot Outpatient Pavilion that will improve operations and provide improved service to the community by moving and expanding laboratory medical imaging, cancer and primary care.	ESD	\$307,000
19366	Montgomery	TecMar NY LLC	New Aquaculture Facility	TecMar NY, LLC will construct a state of the art, indoor sustainable green/high tech aquaculture facility in the Glen Canal View Business Park. TecMar NY, LLC will invest over \$50 million and create 175 jobs.	ESD	\$1,400,000

Mohawk Valley

CFA #	County	Applicant	Project Title	Description	Agency	Total CFA Award
15075	Montgomery	Village of Canajoharie	Canajoharie Wastewater Treatment Plant Capital Improvement Project	The Village of Canajoharie will upgrade its wastewater treatment plant (WWTP) to create a cost effective wastewater treatment system that achieves regulatory compliance while reducing operations and maintenance costs.	HCR	\$600,000
19960	Montgomery	Village of Fort Plain	Construction of Old Military Road Trail Phase 2	The Village of Fort Plain will construct the Old Military Road Trail that will connect the Canalway trail to the Fort Plain History Museum and beyond, and install signage and other pathway amenities.	DOS	\$40,000
17859	Oneida	Advanced Tool, Inc.	Advanced Tool Inc. Equipment Upgrade	Advanced Tool Inc. is a NYS Certified Women-Owned Manufacturer of carbide cutting tools located in Marcy, NY. This capital investment project will allow Advanced Tool to upgrade necessary equipment and increase capacity.	ESD	\$75,000
18051	Oneida	Alliance Paving Materials Inc.	Alliance RAS Proposal	Purchase machinery and equipment to expand an asphalt mix facility to use recycled asphalt roofing shingles in the product.	ESD	\$100,000
17516	Oneida	Bonide Products Inc	Bonide Products Inc Manufacturing Upgrades	Bonide Products will buy energy efficient, ergonomic process machinery and silo capacity to increase its manufacturing capacity and meet rising demand.	ESD	\$20,000
19280	Oneida	Capitol Civic Center Inc	Rome Capitol Theatre Expansion and Restoration Project	The Rome Capitol Theatre will expand into three adjacent vacant buildings for office, rest rooms and performance space in addition to restoring the main auditorium.	ESD	\$250,000
18874	Oneida	Cardinal Griffiss Realty LLC	Project Cardinal Phase II Build Out	Cardinal Griffiss Realty, LLC, will build out unfinished office space at 153 Brooks Rd property for tenant Assured Information Security, Inc., a cyber security firm.	ESD	\$150,000
16213	Oneida	City of Rome	Rome Main Street Project	The City of Rome will renovate 12 buildings in East Rome. The award will be used for the renovation of 12 commercial and four residential units, and a streetscape improvement project.	HCR	\$250,000
17485	Oneida	City of Rome	Bellamy Harbor Terminal Rehabilitation Phase I	The City of Rome will use funds to restore and rehabilitate the Bellamy Harbor Terminal Building on the canal. Rome has embarked upon a long-term, linear waterfront revitalization strategy as part of their overall community development efforts.	Canals	\$150,000
19794	Oneida	City of Utica	City Center Sewer Improvements	The City of Utica will extend a 54-inch storm sewer beneath Oriskany Blvd. and connect it to an existing storm sewer at Oriskany & John Streets in downtown Utica.	ESD	\$400,000
19194	Oneida	City of Utica	Downtown Utica Streetscape and Parking Improvement	The project includes two elements: streetscape improvements along Genesee Street as part of a conversion of the public right-of-way to a boulevard-style design and creation of additional parking.	ESD	\$250,000
16601	Oneida	Cold Point Corporation	Cold Point Expansion Project	Cold Point will purchase and install machinery for air conditioner manufacturing, increasing capacity, job retention and growth.	ESD	\$20,000
18479	Oneida	Goodrich Corporation	Quality and Technical Training	Goodrich Corporation of Rome in Oneida County will provide on-the-job training for 25 newly-hired workers in quality inspection techniques, testing methods, manual machining and numerically-controlled machining.	DOL	\$50,000
19358	Oneida	Griffiss International Airport	Griffiss Airport Facility Construction Project	The project includes the design and construction of a Customs and Border Patrol facility at Griffiss International Airport. The facility is critical to the retention of the three largest airport tenants, MidAir, Premier Aviation, and FBO.	ESD	\$300,000
16424	Oneida	Harden Furniture, Inc.	Harden Furniture Modernization Project	Harden Furniture, North America's oldest furniture maker, will invest in the modernization of its operations and implement lean manufacturing.	ESD	\$600,000
15777	Oneida	Madison-Oneida BOCES	Manufacturers Training	Madison-Oneida BOCES will train 20 unemployed workers in basic and industrial/shop math, mechanical blueprint reading, geometric dimensioning and tolerancing, basic computer operation, OSHA 10 Hour and job search techniques.	DOL	\$17,200

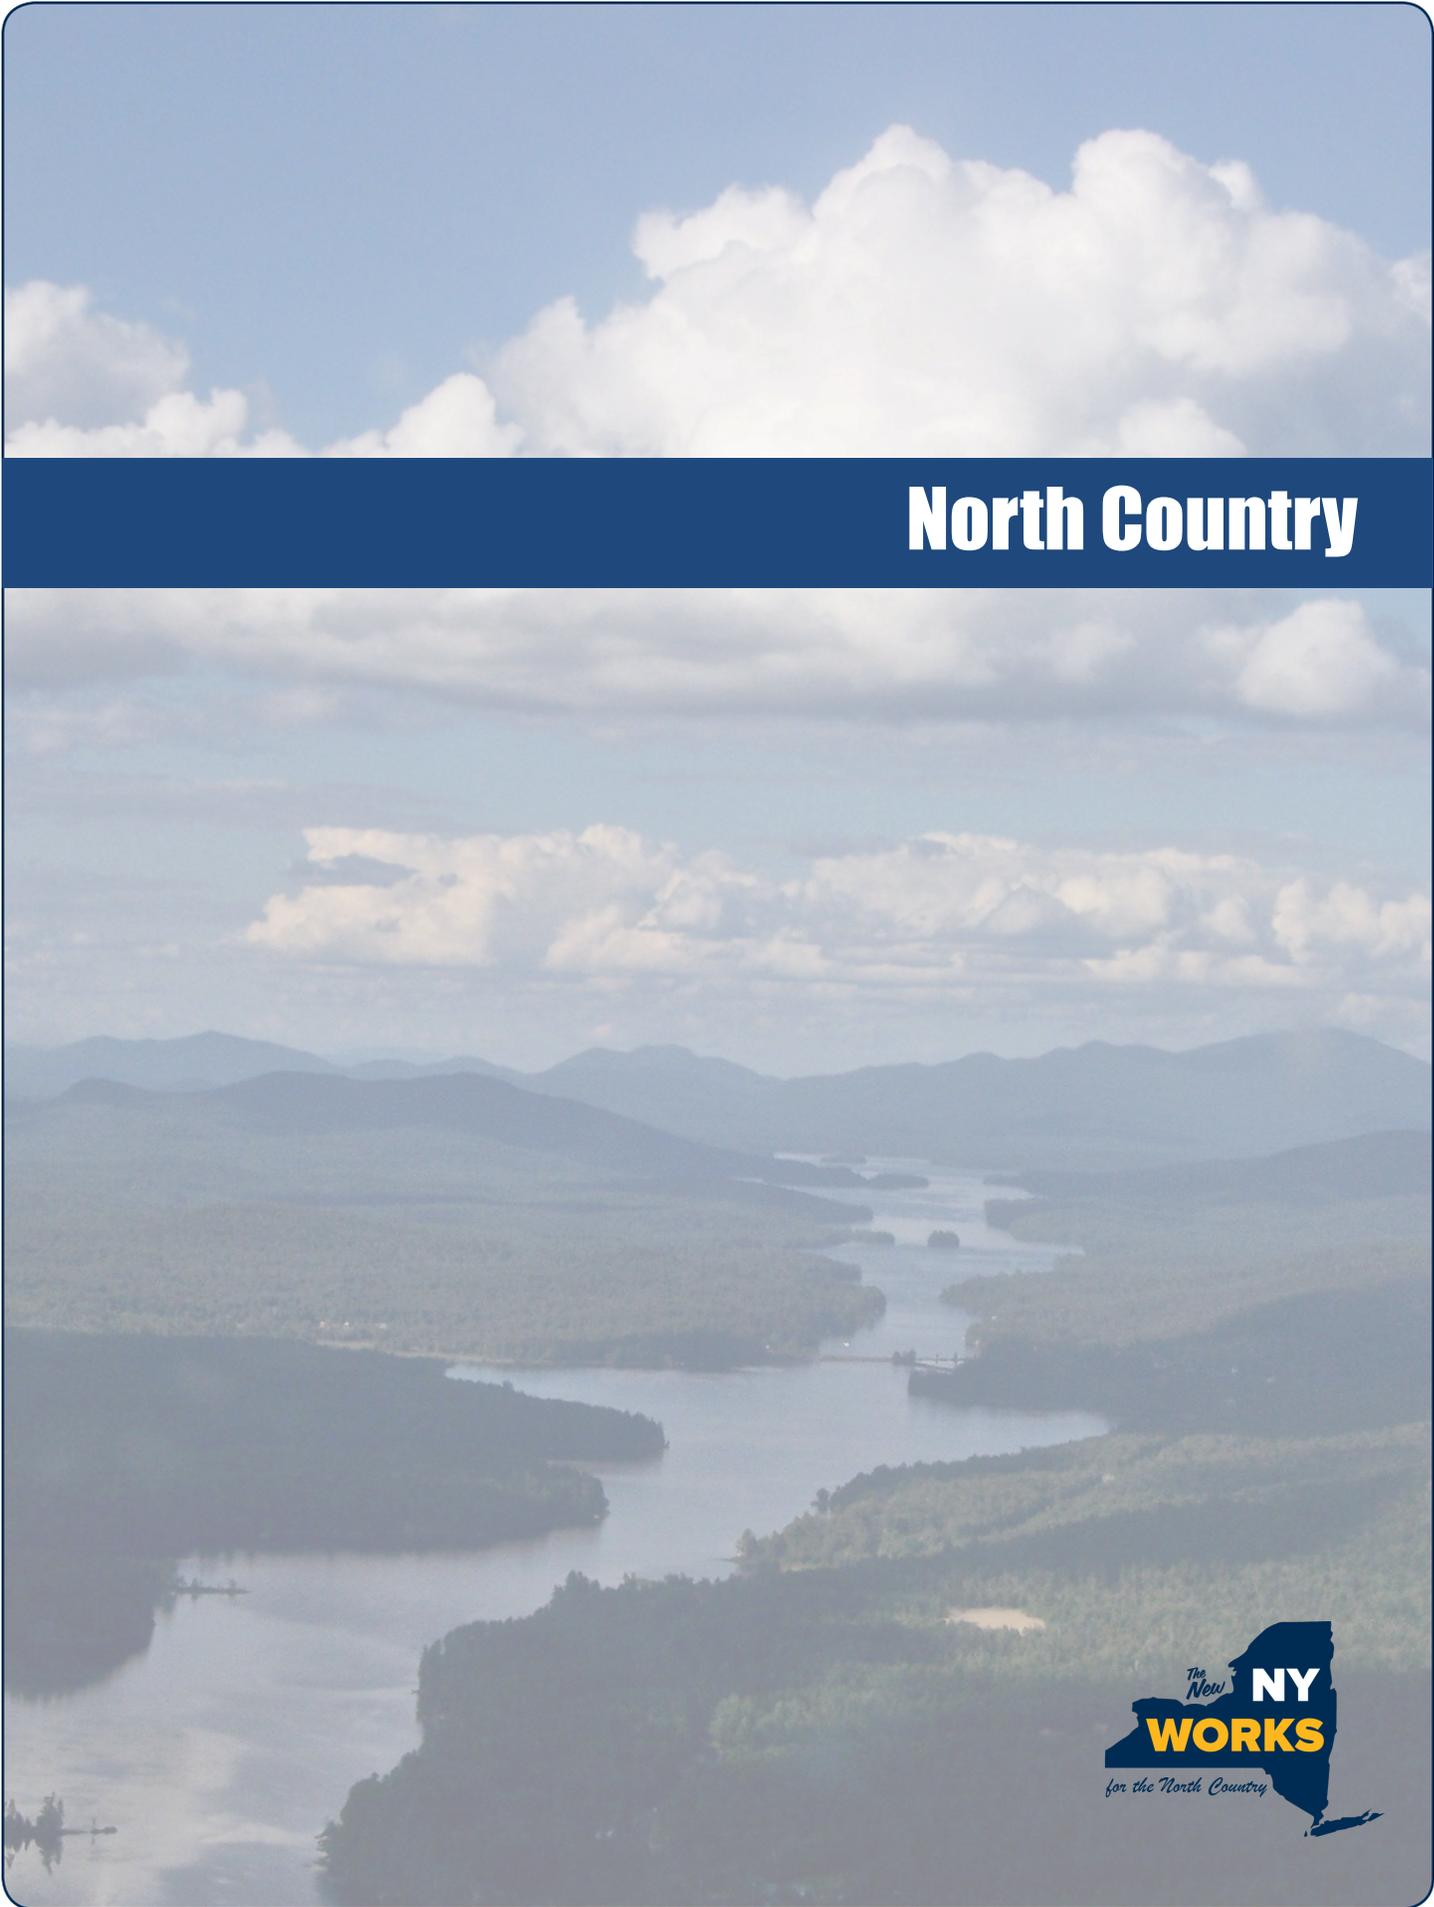

CFA #	County	Applicant	Project Title	Description	Agency	Total CFA Award
18651	Oneida	Masonic Medical Research Laboratory	Cloning Replacement Hearts Organ Bioengineering Program	The Masonic Research Lab will establish an Organ Bioengineering Program in our Stem Cell Center to study Congestive Heart Failure, including purchase of a flow hood and bioreactor and an optical mapping system.	ESD	\$300,000
18261	Oneida	Mohawk Valley Community College	CNC Machinist Training	Mohawk Valley Community College of Oneida County will train 33 unemployed workers in Computer Numerical Controls Machinist Technology.	DOL	\$99,000
18642	Oneida	Mohawk Valley EDGE	Adirondack Distilling	Adirondack Distilling Company will add a second 650-liter still, American oak barrels, and more stainless fermentation and storage tanks.	ESD	\$15,000
16348	Oneida	Oneida County	Harden Furniture	Oneida County will assist in the expansion of Harden Furniture, Inc. The award will go toward new machinery and equipment, training, and renovations that will allow Harden Furniture to modernize their operations.	HCR	\$150,000
16364	Oneida	Oneida County	Advanced Tool Expansion	Oneida County will assist in the expansion of Advanced Tool, Inc. Advanced Tool offers advanced manufacturing of cutting tools serving the Aerospace, Defense, Automotive, Medical, and Electronics industries.	HCR	\$100,000
18900	Oneida	PAR Government Systems Corporation	PAR Government Systems Training Center of Excellence	PAR Government Systems will develop a "Training Center of Excellence" on the Griffiss Technology Park in Rome. The Center will offer a world-class combination of cyber security expertise, deep knowledge, research, technology innovation.	ESD	\$50,000
17748	Oneida	Rome Community Brownfield Restoration Corporation	Rome Cable Complex 4 Demolition and Cleanup	The project will include the remediation, demolition, and clearance of Building Complex 4 at the former Rome Cable in Rome NY, on a site that is currently participating in the State Environmental Restoration Program.	ESD	\$200,000
15725	Oneida	Rome Memorial Hospital Inc	Strengthening Healthcare	Rome Hospital will build a new primary physicians office in the Griffiss Technology Park to serve the documented need for additional medical care in the community.	ESD	\$150,000
14506	Oneida	Rome Strip Steel Co Inc	Rome Strip Steel Capital Upgrades	Rome Strip Steel, a long-established steel products manufacturer based in Rome, will increase productivity and efficiency with the purchase of new machinery and equipment.	ESD	\$150,000
14517	Oneida	Sculpture Space	The Summer of Sculpture	Sculpture Space will present The Summer of Sculpture a program to bring the artistic and creative process of contemporary sculptors to the Mohawk Valley. Along with the continued growth of the Griffiss International Sculpture Garden and Marcy Nanotech Center, this project will enlarge awareness of the area as a Cultural Corridor between Cooperstown and Old Forge. Four artists will be in residence in the area in an open studio setting. Related programming will include panel discussions, informal lectures, studio tours and art-making experiences.	Arts	\$100,000
16410	Oneida	Town of Forestport	Town of Forestport Wastewater Engineering Study	The Town of Forestport will complete an engineering report to explore a municipal wastewater treatment and collection system to serve the businesses and residences around White Lake, Otter Lake and the subdivision of Deer Spring Park, Kayuta Lake.	DEC	\$30,000
18794	Oneida	Town of Verona	Verona Sewer District	The Verona Sewer District project includes the installation of a "core" gravity collection system within dense commercial areas within the hamlet and low-pressure mains in the surrounding residential areas.	ESD	\$500,000

14734	Ulster	City of Kingston	Design and Construction of the Hudson Landing Promenade	The City of Kingston, in partnership with the Town of Ulster, will design and construct a mile-long promenade along the Hudson River at a former industrial site. Current plans call for this public walkway to be completed in phases, as build-out of the proposed mixed use Hudson Landing development occurs at the site. This project would make construction of the promenade the initial phase of the redevelopment project.	DOS	\$1,200,000
15020	Ulster	FALA Technologies Inc.	ISO, Software and Technical Training	FALA Technologies Inc. of Kingston will train 59 workers in Epicor Enterprise Resource Planning (ERP) Software, ISO 9001:2008 for quality management systems, SolidWorks design software, Mastercam programming software, Math for Machine Technology, Materials Science, and Mastercam Advanced.	DOL	\$99,984
17030	Ulster	Hudson Valley Agribusiness Development Corporation	Hudson Valley Food Hub	The Hudson Valley Agribusiness Development Corporation will expand food processing and distribution capacity for Farm to Table Co-packers and Hudson Valley Harvest. With additional processing equipment, cold-freezer storage and distribution depots, the businesses will have expanded capacity to meet the growing demand for local food from customers in NYC and throughout the Northeast.	Ag & Mkts, ESD	\$775,000

CFA #	County	Applicant	Project Title	Description	Agency	Total CFA Award
15946	Ulster	Mohonk Preserve	Mohonk Preserve Acquisition	The Mohonk Preserve Inc. will acquire and develop a 534-acre parcel that is strategically located between the Village of New Paltz and the protected areas of the Shawangunk Mountains. Conservation of this land is critical for the preservation of the National Historic Landmark landscape views. It also improves access to the Preserve's carriage road system for hikers, bicyclists, equestrians and others, and will provide the Village with a trailhead that connects to the Shawangunks.	Parks	\$500,000
15616	Ulster	Palisades Parks Conservancy Inc	Minnewaska Carriage Road Project	The Palisades Park Conservancy, Inc. will continue repairs to the 102-mile Minnewaska Carriage Roads at Minnewaska State Park Preserve in partnership with the Palisades Interstate Park Commission, the Alliance for NYS Parks, the Mohonk Preserve, and the Mohonk Mountain House. Once the Hamilton Point carriage road is reopened, the area's longest and most beautiful access road will once again allow more than 400,000 annual park visitors to enjoy the Shawangunks' natural and cultural resources.	Parks	\$152,348
19673	Ulster	SP Industries, Inc.	Consolidation and Renovation at New Location	SP Industries, Inc., a producer of specialty glassware, plans to consolidate its two Ulster County manufacturing facilities into one location.	ESD	\$120,000
18711	Ulster	STAVO Industries, Inc.	Technical Operations and Software Training	STAVO Industries, Inc. of Kingston will train 22 workers in math, electrical theory and wiring, blueprint reading, geometric dimensioning and tolerancing, programmable logic controllers, lean manufacturing, Six Sigma continuous improvement, SolidWorks design software, technical writing, hydraulics, Adobe Dreamweaver and Flash, Google analytics, GoldMine contact management software, QuoteWerks, MasterMine, and CompTIA Network+ network technician certification.	DOL	\$30,598
16535	Ulster	The Scenic Hudson Land Trust Inc	Landscape and Trail Improvement, Pavilion Construction	The Scenic Hudson Land Trust, Inc. will make improvements to the Esopus Meadows Preserve in Ulster County through construction of a multi-use, accessible pavilion and upgrade site landscaping to provide accessible trail routes along the water's edge. The pavilion will replace the former Esopus Meadows Environmental Education Center building, which was raised in spring 2012 following extensive flood damage to the building during Hurricane Irene and Tropical Storm Lee.	Parks	\$175,000
14851	Ulster	Town of Marbletown	Marbletown Rail Trail Bridge Planning and Construction	The Town of Marbletown will construct a bridge for safe crossing of pedestrians, bicyclists, and people in wheelchairs and on horseback at the O&W Rail Trail. The project includes engineering, design and construction of a ten-foot wide steel, multi-girder bridge with emergency vehicle ramps. The town-owned trail is an 8.7 mile section of a regional recreational park, open to the public year round and running a total of 35 miles across five municipalities.	Parks	\$44,280
17880	Ulster	Town of Saugerties	Cantine Field Lighting	The Town of Saugerties will install lighting on Cantine/Veterans Sports Complex's oldest and most historic playing grounds, Cantine Field #11 – a full-size, major league-standard baseball field. The project includes all design and site work, along with the purchase and installation of improved electrical fixtures.	Parks	\$66,150
14996	Ulster	Town of Wawarsing	Napanoch Sewer District Improvements	The Town of Wawarsing will make improvements to the Napanoch Sewer District.	HCR	\$600,000
19497	Ulster	Ulster County	STRIVE	Ulster County will use a recently closed elementary school to house a satellite campus of SUNY Ulster.	ESD	\$1,500,000
15043	Ulster	Village of New Paltz	Village of New Paltz Waste Water Facility Upgrades	The Village of New Paltz will eliminate potential public health threats related to sanitary sewage overflows.	HCR	\$600,000
19404	Ulster	Wineracks.com, Inc.	Operations and Software Training	Wineracks.com, Inc. of Tillson in Ulster County will train 9 workers in Adobe Design/Web Premium/Illustrator, math for machine technology, electrical theory and wiring, programmable logic controllers, computer numerical control programming, lean manufacturing, Six Sigma process improvement, AutoCAD design software, technical writing and Excel.	DOL	\$14,522

CFA #	County	Applicant	Project Title	Description	Agency	Total CFA Award
15190	Ulster, Dutchess	Bardavon 1869 Opera House	The 4 Seasons of the Hudson Valley Festival	The 4 Seasons of the Hudson Valley Festival is a set of programs that are a collaboration between Bardavon 1869 Opera House and many community members, including city and county governments, restaurants, hotels and inns, radio, television, and print media, train and bus lines, NYS historic sites and parks, libraries, artists, businesses and cultural organizations. Programs will include music, theater, comedy, and visual arts as well as food, fireworks, a parade and street festivals.	Arts	\$150,000
13890	Ulster, Orange, Dutchess	Ulster County Board of Cooperative Educational Services	Manufacturing Workforce Training	Ulster County Board of Cooperative Educational Services of Ulster, Orange and Dutchess Counties will train 20 unemployed workers in innovative manufacturing technology, including machining, production and Mastercam programming software.	DOL	\$50,000
16752	Ulster, Orange, Dutchess	Ulster County Board of Cooperative Educational Services	Certified Nurses Aide Training	Ulster County Board of Cooperative Educational Services of Ulster, Orange and Dutchess Counties will train 70 unemployed workers as Certified Nursing Assistants.	DOL	\$50,000
17412	Westchester	Campaign for the Westchester Children's Museum	North Bathhouse Fire and Smoke Detector Installation	The Campaign for the Westchester Children's Museum will install fire and smoke detection systems in the Museum's new facility at the North Bathhouse of Rye Playland, located in Westchester County. In advance of the Museum developing the interior exhibit and visitor spaces, Westchester County restored the building's exterior in 2012. The installation of the fire and smoke detection system will bring the building up to code and meet all required fire and safety regulations.	Parks	\$97,297
16543	Westchester	Caramoor Center for Music and the Arts	In the Garden of Sonic Delights	Caramoor Center for Music and the Arts will develop and present 'In the Garden of Sonic Delights', an interactive exhibition of ten sound artworks to be installed throughout the 90-acre campus in Katonah. The project has many partners including Jacob Burns Film Center, Storm King and Dia:Beacon. The partnering arts organizations will present related programming, and offer marketing packages with area hotels, restaurants and tour operators will be developed.	Arts	\$150,000
18646	Westchester	City of New Rochelle	Sound Shore Medical Center Medical Office Building Project	Sound Shore Medical Center will develop a new Class A Medical Office and Ambulatory Services Building and parking structure.	ESD	\$1,000,000
19089	Westchester	City of New Rochelle	Echo Bay Redevelopment Infrastructure Improvements	The City of New Rochelle will transform presently underutilized and industrial land on the Long Island Sound into a vital mixed-use community with public open space, housing, and shops.	ESD	\$1,500,000
15755	Westchester	City of Peekskill	Design of a multi-use waterfront trail and related amenities	The City of Peekskill will design a multi-use waterfront trail and related amenities along its Hudson River shoreline from Charles Point Pier Park to the Charles Point Marina and parking lot. This trail segment will advance the Westchester County's planned Riverwalk with the City.	DOS	\$125,000
16354	Westchester	City of Peekskill	Local Waterfront Revitalization Program Update	The City of Peekskill will update its Local Waterfront Revitalization Program adopted in 2004 to refine its vision for its waterfront area and adjacent downtown. Since the completion of the LWRP, the City has successfully implemented many of the projects and initiatives it set out to advance. In addition, this update will incorporate a waterfront "Blue Plan," which will focus on issues and opportunities extending beyond the City's shoreline and into the Hudson River.	DOS	\$50,000
18334	Westchester	City of White Plains	Post Road Corridor Economic Development Project	The City of White Plains will undertake redevelopment of the Post Road Corridor, consisting of a mixed-use development, a parking garage, redevelopment of White Plains Hospital, and upgrades to the Winbook housing complex.	ESD	\$2,000,000
19129	Westchester	City of Yonkers	Yonkers Rising	Yonkers Rising Development's Phase One redevelopment plan for renovation and adaptive reuse of five targeted properties in downtown Yonkers into mixed-use space.	ESD	\$2,000,000

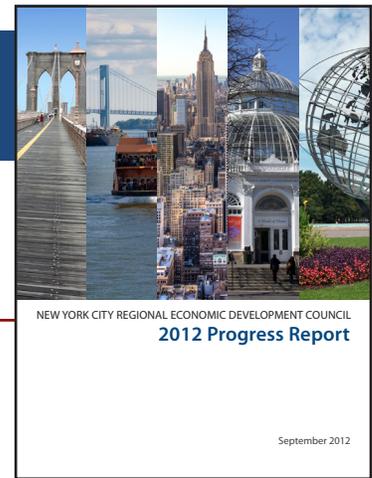

CFA #	County	Applicant	Project Title	Description	Agency	Total CFA Award
19436	Westchester	City of Yonkers	Saw Mill River Stream Reestablishment and Daylighting	The City of Yonkers will unearth an additional segment of the Saw Mill River. This project will improve water quality, provide habitat, leverage private investment and transform the Mill Street Courtyard into a second major public space in downtown Yonkers.	EFC	\$921,425
17045	Westchester	Glenwood POH LLC	Glenwood Power Plant Restoration and Redevelopment	Glenwood POH will undertake an initial \$50 million project to stabilize the former power plant buildings in Yonkers, which could lead to a future \$155 million mixed-use project.	ESD	\$1,000,000
19641	Westchester	Kawasaki Rail Car Inc	Facility Expansion	Kawasaki Rail Car Inc. will expand its manufacturing operation, investing \$16 million and creating 80 new jobs.	ESD	\$1,150,000
15940	Westchester	New Rochelle Industrial Development Agency	Maple Terrace Rehabilitation Project	Preservation and significant rehabilitation of a 100-unit low-income senior housing facility to maintain Maple Terrace as safe, decent, affordable housing for senior citizens in the surrounding community.	ESD	\$9,500,000
17078	Westchester	New York Medical College	iBio	New York Medical College will undertake Phase 3 expansion of its biomedical incubator space in Valhalla.	ESD	\$1,000,000
15929	Westchester	Northern Westchester Hospital Association	Northern Westchester Hospital Surgical Services Modernization	Northern Westchester Hospital will double the available emergency room space.	ESD	\$1,000,000
17468	Westchester	Peekskill Facilities Development Corporation	Peekskill Downtown NYMS Project	The Peekskill Facilities Development Corporation (PFDC) will renovate 6 buildings in the City of Peekskill. The award will be used for renovation of the interior and exterior of the buildings, as well as for streetscape enhancements.	HCR	\$250,000
18238	Westchester	Sarah Neuman Center, Jewish Home Lifecare	Sarah Neuman Center Green Stormwater Management Practices	The Sarah Neuman Center of Jewish Home Lifecare will replace an existing administrative building with a new skilled nursing structure as part of a campus redevelopment project. GIGP funding will support the green stormwater management practices that go above and beyond the stormwater management requirements on site. These green practices will include pervious pavement, two green walls, and a green roof.	EFC	\$480,920
16467	Westchester	Village of Irvington	Discover the Rivertowns	Rivertowns Tourism Board received an award to expand its radio marketing campaign in 2013 to cover two "Discover the Rivertowns" weekends, in the spring and the fall, that are planned to attract tourists from New York City and the tri-state area.	ESD	\$17,000
19066	Westchester	Village of Sleepy Hollow	Marketing Sleepy Hollow Halloween Brand	Village of Sleepy Hollow will market the Sleepy Hollow Halloween brand, associated historic landmarks, and events and activities held in the area to increase seasonal tourism to Sleepy Hollow and the surrounding area.	ESD	\$60,000
17481	Westchester	Village of Tarrytown	Design and Construction of segment of the Hudson River RiverWalk at Losee Park	The Village of Tarrytown will design and construct a segment of the Hudson River RiverWalk in Losee Park and improve the park's ball fields. The project will provide for a RiverWalk along all of the riverfront property owned by the Village, and create a connection among the various riverfront parks and properties.	DOS	\$200,000
12403	Westchester	Yonkers Public Schools District	P3 Planning Project	Yonkers Public Schools will undertake feasibility planning and predevelopment costs for improvements to Yonkers City Schools estimated at \$1.7 billion.	ESD	\$250,000
15283	Westchester, Orange, Rockland	Clean Edison, Inc.	Solar Installation Training	Clean Edison, Inc. of New York City will train 38 unemployed workers in solar photovoltaic installation.	DOL	\$72,010
			Low Cost Economic Development Financing	Federal Industrial Development Bond (IDB) Cap will be made available for state and local government issuers to sell tax-exempt bonds for eligible economic development, infrastructure and community revitalization efforts.	ESD	\$21,500,000
			Excelsior Jobs Credits	Excelsior Jobs Program tax credits will be reserved for future projects including business investments in targeted industries that are within the region and that create or retain jobs, create capital investment and are consistent with the Strategic Plan.	ESD	\$4,500,000
