2013 Program Descriptions

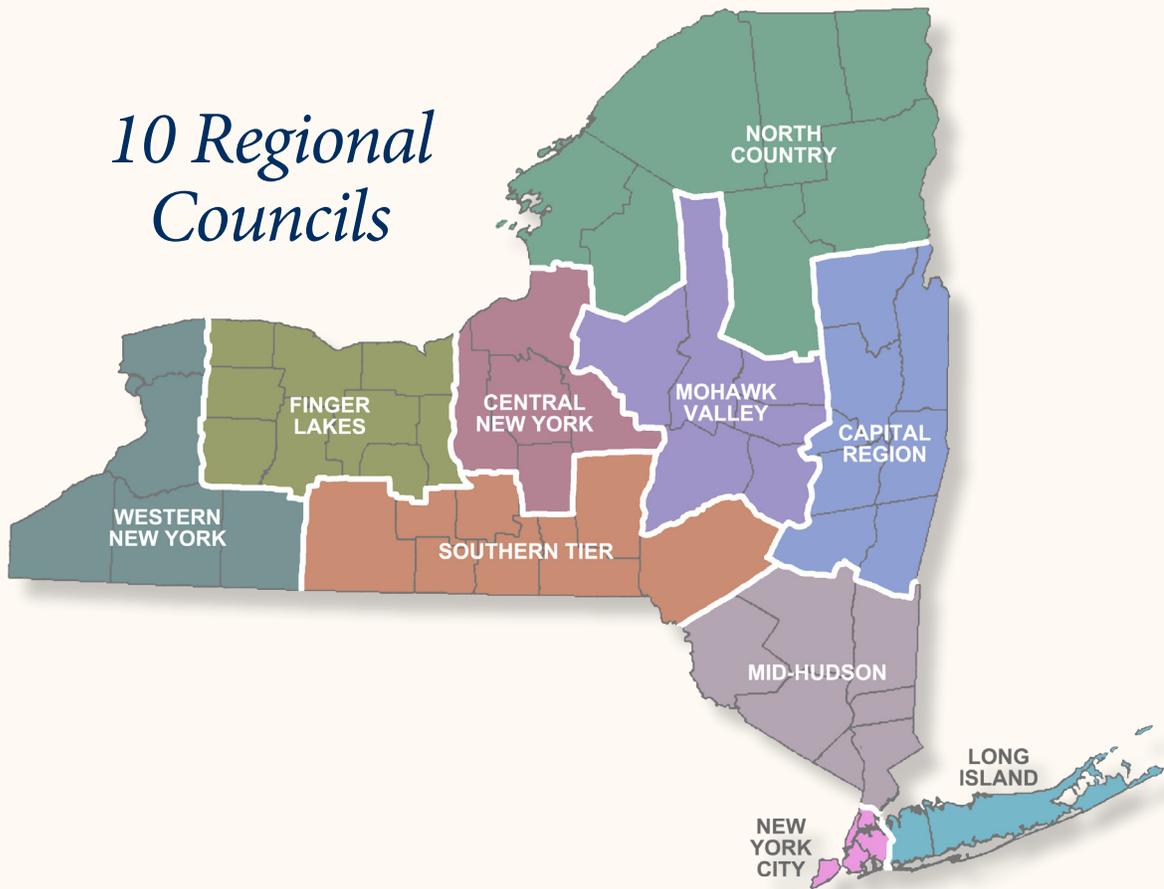

Program	Program Description	Type of Funding	Resources Available
New York State Council on the Arts (Arts)			
Arts Grant Program (Arts CHPG; IWDP; APCE; DFPCP)	Funds are available under Article 3 of the Arts and Cultural Affairs Law for the study of and presentation of the performing and fine arts; surveys to encourage participation in the arts; to encourage public interest in the cultural heritage of the state, and to promote tourism by supporting arts and cultural projects. Culture & Heritage Project Grant (CHPG); Intern Workforce Development Program (IWDP); Artistic Program Capital Equipment (APCE); Digital Film Projector Conversion Program (DFPCP).	Grant	Up to \$4 million
NYS Canal Corporation (Canals)			
Canalway Matching Grant Program (Canals)	The "Canalway Grants Program" is a competitive grants program available to eligible municipalities and 501(c)(3) non-profit organizations along the New York State Canal System. Projects are intended to meet the objectives of the Regional Economic Development Councils and the NYS Canal Recreationway Plan.	Grant	Up to \$1 million
Department of Environmental Conservation (DEC)			
Clean Water State Revolving Fund (DEC EPGP)	The New York State Environmental Facilities Corporation (EFC), in conjunction with the New York State Department of Environmental Conservation (DEC), will offer grants to municipalities to help pay for the initial planning of eligible Clean Water State Revolving Fund (CWSRF) water quality projects. Up to \$2 million has been made available for this program. The CWSRF Engineering Planning Grant (EPG) will assist municipalities facing economic hardship with the engineering and planning costs of CWSRF-eligible water quality projects.	Grant	Up to \$2 million
Department of Labor (DOL)			
Workforce Development Grants (DOL EET, NHT, UWT)	Grant funding is available to private sector for-profit and not-for-profit businesses and training providers to upgrade the skills of the workforce. New hires who were long-term unemployed individuals will be trained on-the-job to perform their required job duties; long term unemployed individuals will be trained in a classroom setting for positions that are open in the region, with a commitment by businesses to interview individuals who successfully complete the training; and classroom instruction will be provided to existing employees who are at risk of being laid off without the training. Existing Employee Training (EET); New Hire Training (NHT); Unemployed Working Training (UWT).	Grant	Up to \$5 million
Department of State (DOS)			
Local Government Efficiency Grants (DOS LGE)	For the 2013-2014 program year, \$4 million is available under the Local Government Efficiency (LGE) Grant program to assist local leaders reduce municipal expenditures, limit the growth in property taxes and increase efficiencies in local service delivery. Projects can include local government reorganization, functional or service delivery consolidation, city or county charter revisions that include functional consolidation, cooperative service agreements, and establishment of regional service delivery mechanisms.	Grant	Up to \$4 million
Community Services Block Grant (DOS CSBG)	Provides grants on a competitive basis for the following priority areas: Job training; Job skills development; Job placement and retention; Financial and Civic Literacy; English for Speakers of Other Languages (ESOL).	Grant	Up to \$750,000
Local Waterfront Program (DOS LWRP)	The Local Waterfront Revitalization Program provides matching grants on a competitive basis to revitalize communities and waterfronts.	Grant	Up to \$5 million
Environmental Facilities Corporation (EFC)			
Green Innovation Grant Program (EFC GIGP)	The Green Innovation Grant Program (GIGP) provides grants on a competitive basis to projects that improve water quality and demonstrate green stormwater infrastructure in New York. GIGP is administered by NYS Environmental Facilities Corporation (EFC) through the Clean Water State Revolving Fund (CWSRF) and is funded with a grant from the US Environmental Protection Agency (EPA).	Federal Grant	Up to \$13 million

Program	Program Description	Type of Funding	Resources Available
	Empire State Development (ESD)		
Excelsior Jobs Program (EJP)	Refundable tax credits are available for strategic businesses such as high tech, bio-tech, clean-tech and manufacturing that create or retain jobs or make significant capital investments. Businesses meeting the eligibility criteria may apply for assistance at locations throughout New York State.	Tax Credit	Up to \$70 million
ESD Grant Funds (ESD Grants)	ESD has several grant programs that together make available \$152 million of capital grant funding for the Regional Economic Development Council Initiative. The programs included under this category are the following: Regional Council Capital Fund (Up to \$150 million) and Urban and Community Development Program (Up to \$2 million). Capital grant funding is available for capital-based economic development projects intended to create or retain jobs; prevent, reduce or eliminate unemployment and underemployment; and/or increase business or economic activity in a community or Region.	Grant	Up to \$152 million
Market New York (ESD MNY)	The Market New York Grant program supports regionally-themed New York-focused projects that promote tourism destinations, attractions, special events and other travel-related activities that help achieve the Regional Councils' long term strategic goals for economic growth, which include attracting more visitors to New York State.	Grant	Up to \$10 million
Environmental Investment Program (EIP)	The Environmental Investment Program (EIP), administered by ESD helps businesses capture the economic benefits associated with pollution prevention, waste reduction, re-use and recycling. The program provides capital, technical assistance, and research and development grants that expand the ability to recycle solid and industrial waste into higher value products, or reduce pollution and waste at the point of generation. The program is funded through appropriations from the Environmental Protection Fund.	Grant	Up to \$1 million
Business Incubator and Innovation Hot Spot Program	Designated Business Incubators and Innovation Hot Spots will be eligible for operating grants from ESD. Designation as an Innovation Hot Spot brings another benefit for the start-up companies within the Hot Spot. These companies will be eligible for significant state income and sales tax benefits for a period of five years.	Grant	Up to \$1.25 million
ESD Technical Assistance and Training Grants - Opportunity Agenda Projects	Through ESD's Economic Development Purposes Fund, funding of up to \$1 million is available for working capital grants of up to \$100,000 each to support 1) technical assistance to local businesses and 2) training and career development opportunities to local workers. Projects should focus on economic development purposes, and preference shall be given to projects supporting Regional Economic Development Council Opportunity Agenda priorities and located in highly distressed areas.	Grant	Up to \$1 million
	Higher Education Services Corporation (HESC)		
Higher Education Services Corporation (HESC CACG)	The purpose of the Federal College Access Challenge Grant Program (CACGP) is to foster partnerships among federal, state, and local governments and philanthropic organizations through matching challenge grants that are aimed at increasing the number of low-income students who are prepared to enter and succeed in postsecondary education. The overall goal of New York State's CACGP is to increase the number and percentage of New York CACGP eligible individuals who are prepared to apply for, enter and succeed in college, with a priority on families living below the poverty level. To meet this goal, HESC will provide targeted support to not-for-profit organizations, such as schools, agencies, and community-based organizations through a series of sub-grants. Sub-grantees will use sub-grant funds for activities that must be targeted to students and families who are living below the poverty line.	Grant	Up to \$200,000

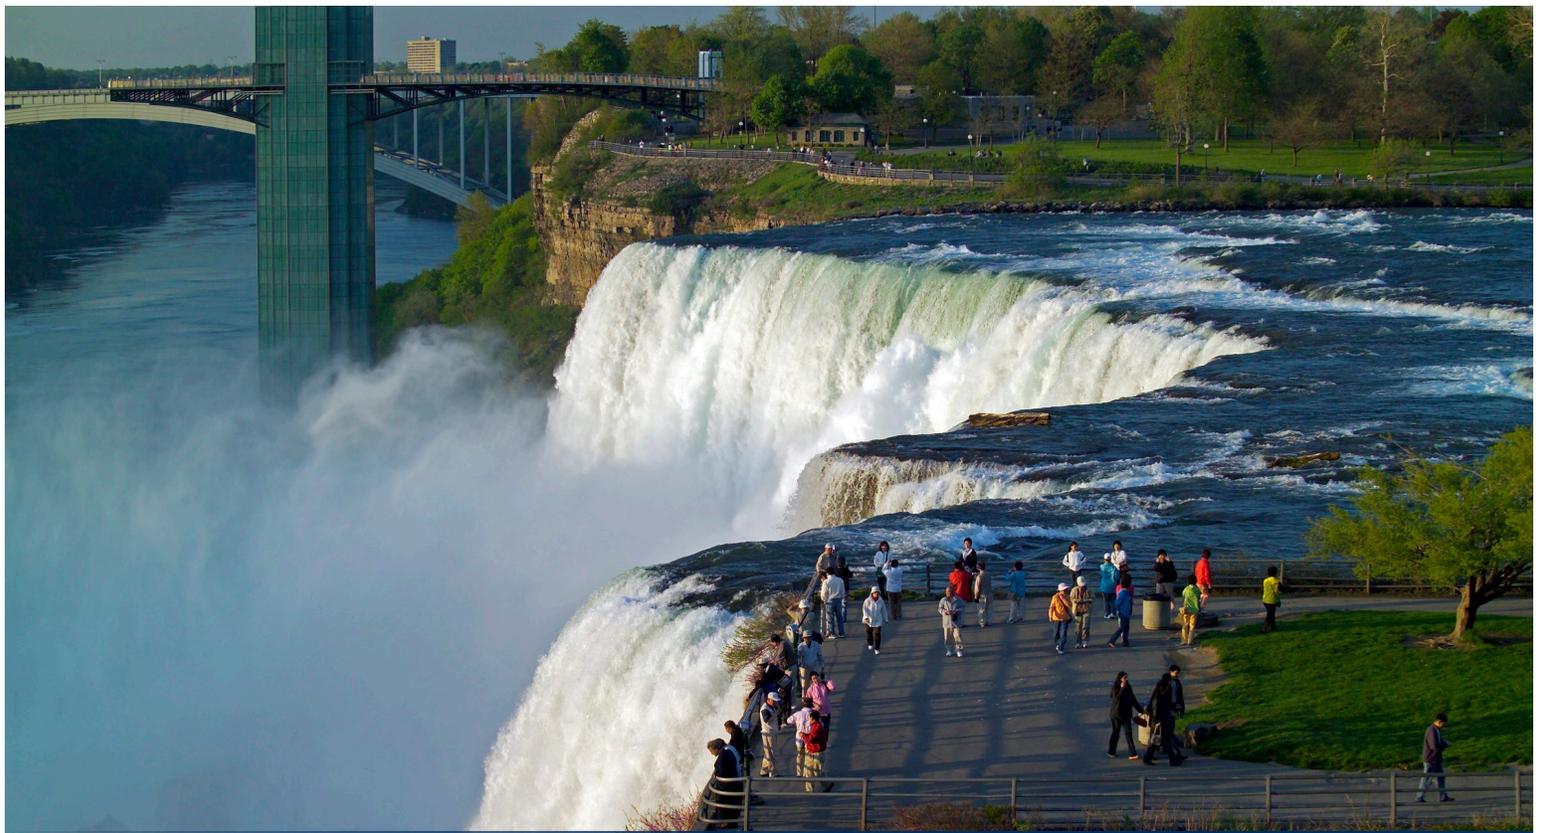

Program	Program Description	Type of Funding	Resources Available
	Homes and Community Renewal, Office of Community Renewal (HCR and HCR/OCR)		
Urban Initiatives Program (HCR UI)	The Urban Initiatives (UI) Program was established in Article 16-A of New York State Private Housing Finance Law. The Urban Initiatives program is administered by the Office of Community Renewal (OCR) under the direction of the Housing Trust Fund Corporation (HTFC). The purpose of the Urban Initiatives program is to provide financial/technical resources to New York communities for the restoration and improvement of housing, commercial areas and public/community facilities in urban neighborhoods. This program will provide grants to not-for-profit organizations that have a direct interest in improving the health, safety and economic viability of a distressed urban neighborhoods or other aspects of the area environment that are related to community preservation or renewal activities.	Grant	Up to \$2 million
Rural Area Revitalization Projects (HCR RARP)	The Rural Area Revitalization Projects (RARP) Program was established in Article 17-B of New York State Private Housing Finance Law. The RARP program is administered by the Office of Community Renewal (OCR) under the direction of the Housing Trust Fund Corporation (HTFC). The purpose of the RARP program is to provide financial/technical resources to New York communities for the restoration and improvement of housing, commercial areas and public/community facilities in rural areas of the state. This program will provide grants to not for-profit organizations that have a direct interest in improving the health, safety and economic viability of a rural area or other aspects of the area environment that are related to community preservation or renewal activities.	Grant	Up to \$1.5 million
New York State Community Development Block Grant Program (CDBG)	The Community Development Block Grant (CDBG) Program is a federally funded program authorized by Title I of the Housing and Community Development Act of 1974. The CDBG Program is administered by the Office of Community Renewal (OCR) under the direction of the Housing Trust Fund Corporation (HTFC). NYS CDBG funds provide small communities and counties in New York State with a great opportunity to undertake activities that focus on community development needs such as creating or expanding job opportunities, providing safe affordable housing, and/or addressing local public infrastructure and public facilities issues. The primary statutory objective of the CDBG program is to develop viable communities by providing decent housing and a suitable living environment by expanding economic opportunities, principally for persons of low and moderate income.	Grant	Up to \$25 million
New York Main Street Program (HCR NYMS)	The New York Main Street (NYMS) program was formally established in Article 26 of New York State Private Housing Finance Law. The Urban Initiatives program is administered by the Office of Community Renewal (OCR) under the direction of the Housing Trust Fund Corporation (HTFC). NYMS funds are awarded to units of local government and not-for-profit organizations that are committed to revitalizing historic downtowns, mixed-use neighborhood commercial districts, and village centers. NYMS grants are available for targeted commercial/residential improvements such as facade renovations, interior commercial and residential building renovations, and streetscape enhancement projects.	Grant	Up to \$2.2 million
New York Main Street - Technical Assistance (NYMS-TA)	The Office of Community Renewal (OCR) and Housing Trust Fund Corporation (HTFC) have made up to \$200,000 available for New York Main Street Technical Assistance (NYMS-TA) projects. The NYMS-TA projects must directly improve and organization and/or community's capacity of readiness to administer a future NYMS building renovation program.	Grant	Up to \$200,000
	Office of Parks, Recreation and Historic Preservation (Parks)		
EPF Municipal Grants (Parks HAS-A; HAS-D; HAS-P; HP-A; HP-D; HP-P; PKS-A; PKS-D; PKS-P)	The EPF provides matching grants on a competitive basis for the acquisition, planning, development, and improvements of parks, historic properties, and heritage areas located within the physical boundaries of the State of New York. Parks (PKS) is for the acquisition (A), development (D) and planning (P) of parks and recreational facilities to preserve, rehabilitate or restore lands, waters or structures for park, recreation or conservation purposes and for structural assessments or planning for such projects. Historic Preservation (HP) is to improve, protect, preserve, rehabilitate, restore or acquire properties listed on the State or National Register of Historic Places and for structural assessments or planning for such projects. Heritage Areas System (HAS) is for projects to acquire, preserve, rehabilitate or restore lands, waters or structures, identified in the approved management plans for Heritage Areas designated under sections 33.03 and 33.05 of the Parks, Recreation and Historic Preservation Law, and for structural assessments or planning for such projects.	Grant	Up to \$16 million

Program	Program Description	Type of Funding	Resources Available
	Office of Parks, Recreation and Historic Preservation (Parks)		
Recreational Trail Federal Grants (Parks RTP)	The Recreational Trails Program provides funds to develop and maintain recreational trails for both motorized and non-motorized recreational trail use. Funding is available for the maintenance and restoration of existing recreational trails, development and rehabilitation of trailside and trailhead facilities and trail linkages for recreational trails, purchase and lease of recreational trail construction and maintenance equipment, construction of new recreational trails, and acquisition of easements and fee simple title to property for recreational trails or recreational trail corridors.	Grant	Up to \$3.1 million
	Office of National and Community Service		
New York State AmeriCorps Program (ONCS Amer)	The New York State Commission on National and Community Service, in partnership with the New York Department of State, will award AmeriCorps program grants to successful applicant organizations for the purpose of recruiting individuals who will serve as AmeriCorps members to address community needs in the priority area of Economic Opportunity through a service-based program.	Grant	\$1.5 million
	Office of Temporary and Disability Assistance (OTDA)		
SNAP Opportunities (OTDA SNAP)	The Supplemental Nutrition Assistance Program (SNAP) Opportunities program provides federal SNAP Employment & Training (SNAP E&T) reimbursement funds to selected contractors to provide job preparation and retention services to permit recipients of SNAP benefits, particularly those residing in the Regional Economic Development Council (REDC) Opportunity Area (s), to obtain and maintain employment. Eligible expenses may include job readiness training, job skills training, education related to employment, job coaching, and other services related to successful job placement and retention. Contractors are expected to partner with employers, or are the employers themselves, to ensure program participants have employment opportunities.	SNAP benefits	Up to \$3 million
	New York State Energy Research and Development Authority (NYSERDA)		
Energy Efficiency Programs	NYSERDA's Commercial and Industrial (C&I) programs offer New York businesses solutions to improve energy efficiency and save money through design, new construction, renovation, and process improvements to commercial and industrial buildings. The New Construction Program and Existing Facilities Program help building owners make informed decisions to design and renovate sustainable buildings. The FlexTech program can offer energy saving opportunities through consultation and cost-sharing studies. Industrial and Process Efficiency Program can help organizations increase product output and data processing efficiency.	Incentive	Up to \$50 million
Cleaner, Greener Communities Phase II Implementation Grants (NYSERDA CGC)	NYSERDA's Cleaner, Greener Communities (CGC) Program encourages communities to develop and implement regional sustainable growth strategies. Phase I of CGC provided funding to the 10 Regional Economic Development Council (REDC) regions in New York State (NYS) for the development of Regional Sustainability Plans. Through Phase II of CGC, NYSERDA is offering competitive grants for the implementation of innovative community-based projects that reduce current greenhouse gas emissions, create more resilient, sustainable communities, and position NYS to prepare for a cleaner future. Projects will stimulate environmentally sustainable economic growth consistent with the Phase I Regional Sustainability Plans and REDC Strategic Plans. Project types include large-scale sustainability projects as well as local planning and zoning efforts intended to enhance environmental, economic, and social well-being without degrading current or future natural, economic, and social resources.	Grant	Up to \$30 million
	Industrial Development Bond Cap (IDB CAP)		
Industrial Development Bond Cap (IDB Cap)	Up to \$350 million from the Federal IDB Cap allocation will be available for State and local government issuers to sell tax exempt bonds for private projects that demonstrate a public purpose.	Tax Exempt Bond	Up to \$350 million

\$60.8 million awarded to 81 projects

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
32439	Allegany	Cuba Rushford Central School District	Rushford Elementary School Project	Rushford's historic former elementary school will be preserved and redeveloped for senior housing and/or commercial offices.	ESD Grants	\$300,000.00
27929	Allegany	Allegany County	Comprehensive Planning School	Allegany County will launch a "Comprehensive Planning School." Representative Teams (RTs) from each of the four municipalities will attend 15 classes of basic instruction on comprehensive planning content topics. At the end of the six-month course, each of the RTs will have compiled a local Comprehensive Plan that is suitable for adoption by their respective municipality.	NYSERDA CGC2	\$67,669.00
28193	Allegany, Cattaraugus, Chautauqua, Erie, Niagara	University at Buffalo	Western New York Innovation Hot Spot	A consortium of regional business development organizations leveraging University at Buffalo's award-winning technology Incubator to enhance and improve the business climate in Western New York. The Western New York Innovation Hot Spot will impact 20 regional colleges/universities allowing their students enhanced access to entrepreneurship opportunities. The Western New York Hotspot will tie together the diversity in the region with a proven metrics driven process to ensure students and entrepreneurs have the best opportunity for success in starting new businesses.	ESD HSSP	\$250,000.00
32053	Allegany	Alfred State College	Sustainable Advanced Manufacturing Center	The proposed Sustainable Advanced Manufacturing Center (SAMC) at the School of Applied Technology on Alfred State College's Wellsville campus will integrate Alfred State's existing machine tool, welding and drafting/CAD students in a highly energy efficient facility where students will be trained in state-of-the-art techniques of sustainable manufacturing, including lighting, HVAC, motor upgrade, process improvements through waste reduction and LEAN Six Sigma processes.	ESD Grants	\$500,000.00

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
28722	Cattaraugus	Gowanda Area Redevelopment Corp	Gowanda Zoar Valley Gateway Park Phase 3	The Gowanda Area Redevelopment Corporation (GARC) plans to initiate park construction at the Peter Cooper Superfund Site. The result of the project, which will include parking lot construction, installation of asphalt walkway and perimeter cable fencing, and purchase and planting of landscape elements, will be a recreational park positioned on Cattaraugus Creek that will serve as the gateway to the State-owned Zoar Valley Multiple Use Area and conservation site.	Parks PA	\$500,000.00
26924	Cattaraugus	Gowandas Historic Hollywood Theater Ltd.	Historic Hollywood Theater	This is a multi-phase restoration of the 1926 Hollywood Theater in the Gowanda Village Historic District. Once complete, it will be a regional multi-use facility for visual and performing arts.	ESD Grants	\$166,667.00
31637	Cattaraugus	McHone Industries, Inc.	ISO 9000 Quality Management Systems Training	McHone Industries, Inc. of Salamanca will train 52 workers in ISO 9000:2008 (quality management systems standards), process mapping, documentation and quality manual development, plan documentation and quality manual, internal auditing, documentation rollout, management review, preliminary internal auditing, advanced management, guided application, audit preparation, pre-audit review, final system review, compliance audit, and final review.	DOL EET	\$25,900.00
28047	Cattaraugus	Randolph Area Community Development	McNallie Building Rehabilitation	This \$327,000 project will begin the second phase of redevelopment of 112 & 114 Main Street, the McNallie buildings, invigorating the anchor buildings of the already established NY Main Street target zone in downtown Randolph.	ESD Grants	\$65,493.00
32377	Cattaraugus	Town of Carrollton	Town of Carrollton Limestone Sewer District Engineering Report	The Town of Carrollton will complete an engineering report to evaluate the existing wastewater treatment and collection infrastructure for the Limestone Sewer District.	DEC EPGP	\$18,000.00
30510	Cattaraugus	Town of Machias	Town of Machias Lime Lake Sewer District Engineering Report	The Town of Machias will complete an engineering report to consider options for providing a wastewater treatment and collection system for the Lime Lake Sewer District.	DEC EPGP	\$30,000.00
31143	Cattaraugus	Village of Cattaraugus	Village of Cattaraugus Emergency Water System Improvements	The Village of Cattaraugus proposes to use \$600,000 in NYS CDBG funds to install new water meters and upgrade the means of water collection. This project will benefit 1,166 persons, 600 or 51.5% of whom are low and moderate income.	HCR CDBGPI	\$600,000.00
28734	Cattaraugus	Village of Little Valley	Village of Little Valley Wastewater Engineering Study	The Village of Little Valley will complete an engineering report to evaluate upgrades needed at the Village wastewater treatment plant.	DEC EPGP	\$20,000.00
27276	Chautauqua	Chautauqua County	Chatauqua Regional Water District	Formation and construction of the \$30.4 million Northern Chautauqua County Water District. This infrastructure consolidation investment is anticipated to create 275 indirect jobs through construction positions and industrial users of the system.	ESD Grants	\$1,000,000.00

Western New York

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
25697	Chautauqua	Chautauqua County	Northern Chautauqua County Local Waterfront Revitalization Program	The Chautauqua County Department of Planning & Economic Development will prepare a Local Waterfront Revitalization Program (LWRP) for Northern Chautauqua County, including the City of Dunkirk; Villages of Silver Creek and Westfield; and Towns of Hanover, Sheridan, Pomfret, Dunkirk, Westfield, Ripley and Portland. The LWRP will provide a regional plan for the revitalization and protection of Lake Erie's waterfront within Chautauqua County that utilizes and enhances the region's unique natural and community assets while advancing economic development.	DOS LWRP	\$65,000.00
30205	Chautauqua	City of Dunkirk	Dunkirk Seawall and Lake Front Boulevard	The City of Dunkirk will work to reconstruct the Lakefront Boulevard Seawall and redevelop Lakefront Boulevard. The existing road and seawall are important for recreational uses, the support of city water and sewer lines, and for access to the main entrance to the city's Waste Water Treatment Plant, but they have become severely deteriorated. Their reconstruction will allow increased lakefront recreational opportunities.	Parks PA	\$449,620.00
30205	Chautauqua	City of Dunkirk	Dunkirk Seawall and Lake Front Boulevard	The City of Dunkirk will reconstruct the Lakefront Boulevard Seawall and redevelop Lakefront Boulevard into a tourist attraction. The existing concrete seawall is over 80 years old and has become severely deteriorated and is in need of replacement.	ESD Grants	\$341,000.00
26761	Chautauqua	City of Jamestown	Jamestown Parks Improvements at Panzarella Park, Scenic Vista and McCrea Point	The multi-phase Greater Jamestown Riverwalk Trail construction and continuation project is designed to create connectivity in the city with the development of new concrete sidewalk paths, branded signage trail markers, scenic vistas of the Chadakoin River with a picnic grove, playground equipment, and informational kiosks.	Parks PA	\$499,955.00
30439	Chautauqua	Lake Effect Trailbreakers	Groomer Grant	The Lake Effect Trailbreakers Snowmobile Club of Chautauqua County will purchase a trail groomer to effectively maintain their snowmobile trail system.	Parks RTP	\$192,000.00
32161	Chautauqua	Reg Lenna Civic Center, Inc.	Digital Projection System	Reg Lenna Civic Center is a 1269 seat historic theater in the heart of downtown Jamestown, currently undergoing a renaissance. The Reg, Lucille Ball - Desi Arnez Museum, the Robert H. Jackson Center, the newly renovated Jamestown Gateway Train Station and Infinity Visual and Performing Arts Center are working together to bring more people into Jamestown to eat, play and stay. By being able to offer a wide variety of programming the Reg contributes to the overall success of the revitalization of Jamestown.	Arts DFPCP	\$75,000.00
31681	Chautauqua	Village of Celoron	Improvements to Lucille Ball Memorial Park	The Village of Celoron will update its zoning code to attract appropriate waterfront development and design public access and recreation improvements to Lucille Ball Memorial Park on Chautauqua Lake, including a new waterfront trail and kayak/canoe launch.	DOS LWRP	\$82,845.00

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
29831	Chautauqua	Westfield Academy and Central School District	Centralization Referendum Assistance for Brocton and Westfield Schools	The Westfield Academy and Central School District, and the Brocton Central School District, will receive funding to assist with expenses related to the recent school consolidation vote. These funds will reimburse the schools for referendum expenses including legal notices, public outreach, and development and dissemination of public information.	DOS LGE	\$13,500.00
26878	Chautauqua	Chautauqua Lake Snowmobile Club, Inc.	New Groomer Project	Chautauqua Lake Snowmobile Club is located in Chautauqua County, a county widely visited for snowmobiling with 400+ miles of state funded trails. With grant funds, the club will purchase a new groomer to help double the hours for available grooming and improve trail maintenance for smoother and safer trails.	Parks RTP	\$139,600.00
31916	Chautauqua	South and Center Chautauqua Lake Sewer District	Chautauqua County Wastewater Consolidation Study	The South and Center Chautauqua Lake Sewer District will complete an engineering report to determine the feasibility of consolidating the North Chautauqua Lake Sewer District and the Chautauqua Utility District with the South and Center Chautauqua Lake Sewer District.	DEC EPGP	\$50,000.00
28709	Chautauqua, Cattaraugus, Allegany	Jamestown Community College	Machinist Training	Jamestown Community College will train 21 long-term unemployed workers as machinists, including math and reading, OSHA 10 Hour, lean manufacturing, engineering drawings and AutoCAD, machine theory and operation, mathematics for machinists, computerized numerical control, manufacturing drawings, geometric dimensioning and tolerancing, and machine tool technology.	DOL UWT	\$99,900.00
29557	Erie	AlSher Pigments Inc.	New Manufacturing Facility	Construction of a plant that will produce white pigments in a currently empty plant in Lackawanna, NY.	ESD EJP	\$1,000,000.00
31527	Erie	Baker Hall dba Baker Victory Services	Lean Manufacturing Training	Baker Hall dba Baker Victory Services of Lackawanna will train 49 workers in Eyes for Waste, lean manufacturing, Certified Lean Professional, root cause analysis and corrective action, and value stream mapping.	DOL EET	\$10,450.00
28006	Erie	Boston Valley Terra Cotta	Terra Green Recycle & Efficiency	Purchase of M&E to recycle water and silt material from the manufacturing process. The project is in partnership with Erie County IDA.	ESD EIPCAP	\$157,500.00
28486	Erie	Boys & Girls Clubs of Buffalo, Inc.	Butler Mitchell Clubhouse Renovation	The Boys & Girls Clubs of Buffalo will use \$150,000 in Urban Initiatives funds to renovate the Butler Mitchell Clubhouse building, on Massachusetts Avenue in Buffalo.	HCR UI	\$150,000.00
28951	Erie	Buffalo Arts and Technology Center, Inc.	Healthcare Office and Delivery Training	Buffalo Arts and Technology Center, Inc. will train 36 long-term unemployed workers in pharmacy technician preparation, medical coding, volunteering, communications, anatomy and physiology, medical terminology, computers, encoder software, current procedural terminology coding, health information management, International Classification of Diseases - 10 coding, pathophysiology, internship, and externship.	DOL UWT	\$100,000.00

Western New York

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
32390	Erie	Buffalo Neighborhood Stabilization Company	BNSC Vision Niagara Feasibility Study	BNSC/Vision Niagara will use \$20,000 in New York Main Street Technical Assistance funds to complete feasibility studies for reuse of four properties in the City of Buffalo's Niagara/Breckenridge Neighborhood. The study will evaluate eligibility for a national register historic preservation district, and study appropriate streetscape improvements.	HCR NYMSTA	\$20,000.00
29390	Erie	Buffalo Niagara Medical Campus Inc	Development of the Green Commons	The BNMC Green Commons project involves the adaptive reuse of vacant historic buildings for an Integrated Mobility Hub, energy efficient commercial spaces, and creation of a model home that demonstrates how to make energy improvements to existing buildings practical and tangible.	NYSERDA CGC3	\$1,000,000.00
29834	Erie	Buffalo Philharmonic Orchestra	Performances at Kleinhans Music Hall	The Buffalo Philharmonic Orchestra will bring a semi-staged performance of Béla Bartók's one-act opera "Bluebeard's Castle" to Kleinhans Music Hall in August, 2014. This performance is expected to draw audiences from far and wide making Buffalo a tourist destination that showcases the orchestra, Kleinhans Music Hall, and Buffalo.	Arts CHPG	\$74,000.00
32611	Erie	Buffalo Urban League	Moving Generations Forward	Buffalo Urban League pre-training program for manufacturing, in accordance with Advance Buffalo will partner with local educational institutions to provide training for unemployed individuals for careers in advanced manufacturing.	ESD OA	\$100,000.00
32611	Erie	Buffalo Urban League, Inc.	Manufacturing Industry Skills Training	Buffalo Urban League, Inc. will train 40 long-term unemployed workers in basic skills instruction, life skills, orientation to manufacturing industry, 10-hour OSHA safety, wellness and conditioning, manufacturing tools, blueprint reading, shop math and basic math, introduction to lean manufacturing, and the National Work Readiness Credential.	DOL UWT	\$100,000.00
31659	Erie	Buffalo Wire Works Company, Inc.	Lean Manufacturing Training	Buffalo Wire Works Company, Inc. will train 27 workers in value stream mapping, Eyes for Waste, Certified Lean Professional, and root cause analysis and corrective action.	DOL EET	\$15,164.00
30189	Erie	Burchfield Penney Art Center	Traveling Exhibitions Funding	The Burchfield Penney Art Center requests funding to support the development and marketing of a traveling exhibitions program. These funds will help the program become self-funding in 3 to 4 years. Burchfield Penney will also hire two new full-time and one part-time staff positions in the highly competitive and desirable arts field.	Arts CHPG	\$74,000.00
27534	Erie	Central Terminal Restoration Corporation	Center for Restoration Arts Sciences	The goal of this project is to restore the Main Concourse, of the National Landmark, the Center for Restoration Arts & Sciences for additional cultural and educational tourism and event opportunities to enhance overall tourism in collaboration with other venues in the Western New York Region.	ESD MNY	\$30,000.00
31559	Erie	City of Buffalo Board of Education	Advanced Welding Training	City of Buffalo Board of Education will train 25 long-term unemployed workers in advanced welding.	DOL UWT	\$90,000.00

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
27923	Erie	City of Lackawanna	City of Lackawanna Local Waterfront Revitalization Program Update	The City of Lackawanna will update its Local Waterfront Revitalization Program, adopted in 1989. The amended LWRP will include a review of the existing waterfront area, inventory existing conditions, update program policies, identify appropriate proposed land and water uses and projects, and revise local laws to implement the program.	DOS LWRP	\$30,000.00
27923	Erie	City of Lackawanna	Comprehensive Plan Development	The City of Lackawanna will develop a Comprehensive Plan incorporating green innovations as a way to revitalize and create economic opportunities. Simultaneously, the City is also creating a new Local Waterfront Revitalization Plan (LWRP) to help restore the natural environment and create a plan for the revitalization of the City's waterfront, which has been privately owned and inaccessible to residents for more than 100 years.	NYSERDA CGC2	\$60,000.00
27744	Erie	Doolli Inc.	Infrastructure Software Business	Doolli, Inc. is developing a cloud-based next generation infrastructure software company that will enable users to rapidly create apps that help build, manage, creatively publish, share and index multimedia databases that will be instantly searchable by other users and available across all platforms.	ESD EJP	\$2,100,000.00
26875	Erie	Erie 1 BOCES	Advanced Manufacturing Training	Erie 1 BOCES of West Seneca will train 36 long-term unemployed workers in mechanical drives, pipefitting, sheet metal, hydraulics, pneumatics, machining, blueprint reading, OSHA Safety, National Work Readiness Credential, welding essentials, advanced SMAW welding, MIG and Fluxcore, and TIG welding.	DOL UWT	\$100,000.00
30869	Erie	Erie Community College	Industrial Mechanical Technician Training	Erie Community College will train 20 long-term unemployed workers as industrial mechanical technicians, including millwrighting, basic and intermediate math, blueprint reading, physics, hydraulics, pneumatics, and mechanical power transmission.	DOL UWT	\$88,800.00
31399	Erie	Everywoman Opportunity Center	Domestic Violence Survivors Employment Program	Project Fresh Start is a jobs skills development program for Domestic Violence Survivors within the city of Buffalo, NY and Erie County. This project will work with Domestic Violence Survivors to help them envision, plan for and begin to implement small businesses. Some participants will enroll in the entrepreneurial phase while others will receive career readiness training, assessment, educational brokering, job placement and wraparound assistance and support.	DOS CSBG	\$93,355.00
29823	Erie	Evolution Dental Science LLC	Dental Clinical Technician Training	Evolution Dental Science LLC of Cheektowaga will train 20 workers in planning-design-milling-manufacture of dental products, dental digital technology, AvaDent technology, digital dental workflow, digital intraoral scanner, products and applications for intraoral scanning, lab practical/AvaDent digital denture process, and Global Positioning System and digital transportation.	DOL EET	\$51,600.00

Western New York

32201	Erie	The Community Action Organization of Erie County, Inc.	Family Development and Child Care Training	The Community Action Organization of Erie County, Inc. will provide on-the-job certification training for 25 newly-hired workers in family development, mandated reporting, financial social work, computers, and school-aged child care.	DOL NHT	\$40,050.00
30853	Erie	Town of Amherst	Renovation of an Assisted Living Facility	Renovation of a 100 unit senior living complex in Amherst.	ESD IDBC	\$7,500,000.00
30526	Erie	Town of Eden	Town of Eden and Erie County Water Authority Water System Consolidation	The Town of Eden will work with the Erie County Water Authority to develop a plan for consolidation of water services. This planning project will identify and quantify redundancies in services and then determine a means of eliminating duplication to the benefit of taxpayers.	DOS LGE	\$25,000.00
32303	Erie	Triad Recycling and Energy Corp	Triad Recycling Expansion	Purchase of M&E to expand the company's recycled asphalt roofing shingle processing capacity. The project is in partnership with Erie County IDA.	ESD EIPCAP	\$330,000.00
30142	Erie	University at Buffalo	Computing Infrastructure	UB's Center for Computational Research (CCR) proposes to expand its high performance computing and data analytics resource to provide Western New York industry and organizations with on-demand, immediate access to advanced computing and storage infrastructure.	ESD Grants	\$1,000,000.00
29436	ERIE	University District Community Development Association Inc	Uptown Theater Project	The University District Community Development Association will use \$150,000 in Urban Initiatives funds to renovate the Uptown Theater, on Bailey Avenue in the City of Buffalo's Kensington-Bailey Business District.	HCR UI	\$150,000.00
26984	Erie	Village of Alden	Village of Alden Wastewater Engineering Study	The Village of Alden will complete an engineering report to evaluate upgrades to the Village wastewater treatment and collection system.	DEC EPGP	\$30,000.00
31534	Erie	Village of Depew	Village of Depew Wastewater Engineering Study	The Village of Depew will complete an engineering report to evaluate inflow and infiltration issues within the existing collection system.	DEC EPGP	\$30,000.00
31775	Erie	Village of Lancaster	Downtown Lancaster Revitalization Program	The Village of Lancaster will use \$100,000 in NYMS grant funds to assist the owners of mixed-use buildings to complete commercial and residential renovation projects. The Lancaster Community Development Corporation and local property owners will provide matching funds.	HCR NYMS	\$100,000.00
29677	Erie	Village of Williamsville	Spring Street Green Reconstruction	The Village of Williamsville will use GIGP funds to install bioretention, rain gardens, and a green wall as part of the reconstruction of Spring Street. This project will significantly reduce existing erosion and sedimentation observed in nearby Glen Park.	EFC GIGP	\$799,160.00

Western New York

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
30470	Erie	Village of Williamsville	Village of Williamsville and Erie County Water Authority Water System Consolidation	The Village of Williamsville will complete an implementation and construction plan to consolidate its water supply services. The project aims to transfer water system ownership to the Erie County Water Authority (ECWA) and discontinue the operation and maintenance by the Village Public Works Department. This consolidation will require a significant capital investment on the part of the Village to bring the System up to current ECWA standards.	DOS LGE	\$400,000.00
31530	Erie	Village of Williamsville	Williamsville INI Study	The scope of this project is to study Inflow and Infiltration into the Village of Williamsville sanitary sewer system. By reducing flows to the WWTP the village will reduce the cost to the Village taxpayer that pays for treatment.	ESD SPFS	\$18,550.00
31492	Erie	Visit Buffalo Niagara	National Garden Festival	The mission of the National Garden Festival (NGF) is to market Buffalo as a horticultural tourism destination. This project looks to broaden and deepen the impact of the Festival by building a sustained consumer marketing and advertising campaign for the summer of 2014 event, that will bring this unique event to the attention of cultural and heritage travelers throughout the world who routinely make gardens a part of their travel plans.	ESD MNY	\$50,000.00
28309	Erie	Buffalo Media Resources aka Squeaky Wheel	Equipment for Digital Media Lab	Squeaky Wheel will upgrade and expand its Digital Media Lab through the purchase of digital SLR cameras & lenses, MacBook Pro Laptops, and various mobile devices. These acquisitions will allow Squeaky Wheel to meet increased requests for digital media tools & training. This project will provide valuable access and educational opportunities resulting in job training, job creation, and community revitalization for diverse communities and populations in Western New York.	Arts APCE	\$22,314.00
30922	Erie	City of Buffalo	Buffalo Green Code Implementation Project	Buffalo is in the process of completing the Buffalo Green Code, which includes a comprehensive update of the city's 60-year old zoning code. The Green Code will be a form-based code that will reinforce smart growth principles. The Green Code Implementation Project will advance the new code from an adopted set of regulations to a development regulatory system. The project is a multi-component program to train various stakeholders on the Green Code and to develop print and web-based materials.	NYSERDA CGC2	\$125,000.00
28196	Erie	MusicalFare Theatre	Theatrical Sound and Lighting Packages and Curtains	MusicalFare Theater will purchase theatrical sound and lighting equipment for its new cabaret stage/space, as well as a curtain system for full blackout when needed. This space provides a unique programming opportunity, increasing entertainment offerings in Amherst, expanding revenue streams and creating new jobs for the community.	Arts APCE	\$15,081.00

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
31545	Erie	Roycroft Campus Corporation	Roycroft Campus Print Shop Acquisition	The Roycroft Campus, the best preserved Center for the Arts and Crafts Movement in America, will purchase and restore the Print Shop building as its next preservation goal. Built in 1901, the Print Shop was the final location of printing and binding on the Campus. Once acquired, it will bring the artisans back to the Campus by providing space for work, demonstrations, exhibits, and teaching, which will potentially raise \$125,000 in earned revenue annually.	Arts CHPG	\$50,000.00
27819	Erie	Town of Newstead	Newstead Recreational Trail Expansion Project	The Newstead Recreational Trails Expansion Project will add 7,500 feet of new accessible paved pathway to Newstead's popular recreational trails system. The proposed trail expansion will be constructed along a segment of the abandoned Canandaigua and Niagara Falls Railroad and will connect existing trails with the town park and expansive Akron Falls Park, allowing the region to enjoy a more comprehensive, cohesive system that unites area resources.	Parks RTP	\$200,000.00
31526	Erie, Niagara, Allegany, Cattaraugus, Chautauqua	The Service Collaborative of WNY, Inc.	The Service Collaborative of Western NY Opportunity Corps AmeriCorps Program	The Service Collaborative of Western NY AmeriCorps Program will provide financial literacy services to economically disadvantaged adults in Erie, Niagara, Chautauqua, Cattaraugus and Allegheny counties. Twenty-one AmeriCorps members will recruit 400 community volunteers to provide training to 2,100 economically disadvantaged adults in the areas of banking, credit and saving based on nationally regarded finance programs. The program model is designed to move individuals from poverty, through initial employment, to self-sufficiency, and eventual to asset building.	ONCS Amer	\$245,011.00
26593	Niagara	Carousel Society of the Niagara Frontier	Allan Herschell Factory Museum	This funding will make it possible to restore a treasured historic cultural resource in North Tonawanda, a Canal Gateway Community. Restoration of the Allan Herschell Office Building – part of a historic complex comprising the Herschell Carousel Factory Museum, which interprets the operation and contributions of the company to family recreation in the United States -- will include the insertion of a new foundation, reconstruction of the original roof line, windows, doors, siding, mechanical systems, plumbing, painting, and other site improvements.	Canals	\$134,450.00
26593	Niagara	Carousel Society of the Niagara Frontier	Allan Herschell Factory Museum	This \$269,000 restoration of the original Allan Herschell Company office building in North Tonawanda will complete the restoration of Herschell Carrousel Factory Museum complex.	ESD Grants	\$134,000.00
32533	Niagara	City of Niagara Falls	Trades Job Training Facility	The Niagara Falls "Trades Job Training Facility" Project will renovate a vacant, city-owned commercial structure at 3712 Highland Avenue, and create a trades employment center for The Isaiah 61 Project.	ESD Grants	\$132,000.00

Western New York

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
29179	Niagara	City of North Tonawanda	Erie Canal Bike Path Extension	Through the Erie Canal Bike Path Extension project, the City of North Tonawanda will design and construct a pedestrian/bicycle path along the historic Erie Canal in the City of North Tonawanda. The new path – which will connect Mayor's Park, a municipal waterfront park, with the terminus of the existing path at the intersection of Payne Avenue and Sweeney Street – will add approximately 1.1 miles of publicly accessible waterfront path and will give the city the opportunity to continue the path in future stages to other city amenities.	Canals	\$144,707.00
28377	Niagara	City of North Tonawanda	Gratwick Marina Redevelopment	The City of North Tonawanda will design and construct improvements to the central and southern marina basins at Gratwick Park Marina along the Niagara River. Improvements will include removal of dilapidated existing docks, repair of failing bulkhead, dredging, new docks and utilities, boardwalk, lighting, landscaping, paving, and signage.	DOS LWRP	\$208,125.00
31014	Niagara	Lockport Ice Arena and Sports Center Inc	Lockport Ice Arena	The Lockport Ice Arena and Sports Center is a planned two-pad hockey arena with related retail support services to be located in the heart of the City's downtown. The project will demolish a long vacant supermarket and invest \$11 million in capital costs.	ESD Grants	\$1,000,000.00
28609	Niagara	Lumber City Development Corporation	Oliver Street Revitalization	Lumber City Development Corp. will use \$200,000 in New York Main Street funds to assist owners of mixed-use buildings on Oliver Street in the City of North Tonawanda to complete residential and commercial renovation projects.	HCR NYMS	\$200,000.00
31368	Niagara	Riviera Theatre and Organ Preservation Society, Inc.	Digital Conversion Project	The Historic Riviera Theatre, built in 1926 in North Tonawanda is listed on the National and State registrar of historic places; home to the original Mighty Wurlitzer pipe organ. The project will install a new digital projector, lamp, power supply, server, electrical upgrades and provide staff training. Original 35mm ARC projectors will be preserved within the location of the Riviera for historic and education purposes. The Riviera held 176 events, hosted 100,000 patrons and created 10 jobs directly. Over the past seven years 11 new bars and restaurants have opened around the Riviera.	Arts DFPCP	\$42,343.00
30330	Niagara	TAM Ceramics	Rare Earth Recycling	TAM Ceramics will partner with ReNew for the purpose of reclaiming valuable earth materials from components containing the rare earths, such as magnets, and selling the rare earth materials back into various markets.	ESD Grants	\$250,000.00

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
28432	Niagara	Town of Porter	Town of Porter Local Waterfront Revitalization Program	The Town of Porter will prepare a draft Local Waterfront Revitalization Program for its Lower Niagara River and Lake Ontario waterfronts to provide a comprehensive approach to waterfront planning and development in the Town.	DOS LWRP	\$34,250.00
28429	Niagara	Village of Lewiston	Village of Lewiston Local Waterfront Revitalization Program Update	The Village of Lewiston will update its Local Waterfront Revitalization Program, adopted in 1989, to address land use and development issues along the waterfront and business district.	DOS LWRP	\$20,250.00
31170	Niagara, Erie	Niagara County Community College	Operational Skills Training	Niagara County Community College will train 60 long-term unemployed workers in customer service, training for intervention procedures, restaurant server, ServSafe, and security pre-service.	DOL UWT	\$25,397.00
32295	Niagara, Erie, Chautauqua, Cattaraugus, Allegany	Niagara Tourism & Convention Corporation	WNY Branding Plan	Niagara Tourism and Convention Corporation, Visit Buffalo Niagara, Chautauqua County Visitor's Bureau, Ellicottville Chamber of Commerce, Cattaraugus County and the Allegany County Chamber of Commerce make up a consortium representing the five counties of Western New York. This project would create a new brand for the five county region based on sound research of who the existing visitor is, perception of our region from desired markets, and other factors.	ESD MNY	\$300,000.00
			Community Renewal Fund	Community Renewal will make funding available to eligible municipalities for Housing Rehabilitation, Public Infrastructure, Public Facilities and Economic Development activities for the benefit of low to moderate-income individuals.	HCR CRF	\$2,000,000.00
			Low Cost Economic Development Financing	Federal Industrial Development Bond (IDB) Cap will be made available for state and local government issuers to sell tax-exempt bonds for eligible economic development, infrastructure and community revitalization efforts.	ESD IDBC	\$30,000,000.00
			NYSERDA Energy Efficiency Projects	NYSERDA's Commercial and Industrial (C&I) programs offer New York businesses solutions to improve energy efficiency and save money through design, new construction, renovation, and process improvements to commercial and industrial buildings. The New Construction Program and Existing Facilities Program help building owners make informed decisions to design and renovate sustainable buildings. The FlexTech program can offer energy saving opportunities through consultation and cost-sharing studies. Industrial and Process Efficiency Program can help organizations increase product output and data processing efficiency.	NYSERDA EE	\$2,458,217.00

30035	Schoharie	Revolutionary Spirits	Rehabilitation of the George Mann Tory Taver	Applicant plans to purchase a historic tavern in Schoharie, renovate and purchase M&E to turn a portion of building into a fully operational farm distillery. The site would be marketed as a tourism destination.	ESD Grants	\$60,000.00
30035	Schoharie	Revolutionary Spirits	Farm Distillery and Tourist Destination	Revolutionary Spirits, LLC, a farm distillery, was founded in 2013 to help quench America's growing thirst for high quality artisanal spirits. Keeping this landmark open to the public is as key to our project as creating and sharing new agribusiness opportunities with our agricultural and tourism partners. Our plan also includes utilizing space within the property to celebrate our region's rich local history.	ESD MNY	\$47,200.00
32354	Schoharie	Village of Schoharie	Waterfront Recreational Assets Planning	The Village will complete planning to merge existing and potential waterfront and floodplain FEMA buyout properties to create a cohesive waterfront recreational plan to help spur physical and economic revitalization following Tropical Storm Lee flooding.	DOS LWRP	\$41,750.00
28618	Schoharie, Greene, Montgomery, Albany, Schenectady, Saratoga, Hamilton, Oneida, Fulton	Schoharie County	Mohawk River Watershed Management Plan Implementation: Phase 1	Schoharie County, in cooperation with Soil and Water Conservation Districts, will implement the Mohawk River Watershed Management Plan through flood mitigation studies in the Schoharie Creek Watershed, installation of best management practices to reduce stormwater impacts and invasive species control.	DOS LWRP	\$483,625.00
			Mohawk Valley Community Investment Fund	Mohawk Valley Community Improvement Fund is proposed as a capital grant fund to support sustainable implementation projects throughout the region, focusing on investments in Brownfields, Main Streets, Waterfronts and Business Parks. The purpose of the fund is to deploy the necessary infrastructure to cultivate new opportunity and investment in targeted opportunity areas, urban centers, and business parks. Project selection for Community Investment funds will build upon the model developed by the County Liaison Committee, whereby local officials communicate the infrastructure needs, growth opportunities, and critical site development components that are required to attract and assist small businesses, industrial development, and new construction in strategic target areas.	ESD Grants	\$2,345,000.00

Mohawk Valley

26966	Saratoga	Saratoga Film Forum, Inc.	Digital Conversion for Film Projection	Digital projection capacity will put the Film Forum on the map as a forward-thinking Art House capable of screening films that assure our regional economic viability and cultural relevance. An independent cinema will improve our community's competitive edge as an attractive arts asset and benchmark of cultural currency and literacy for residents, visitors, and potential home buyers. Realtors and merchants now invoke the Film Forum when they promote cultural features to clients, and downtown restaurants and retailers will benefit from special collaborative promotions.	Arts DFPCP	\$23,000.00
28296	Schenectady	City of Schenectady	City of Schenectady Wastewater Engineering Study	The City of Schenectady will complete an engineering report to explore upgrades for the City's wastewater treatment and collection system to address sanitary sewer overflows (SSOs).	DEC EPGP	\$50,000.00
28699	Schenectady	Frontier Sno Riders, Inc	Frontier Sno Riders Trail Grooming Equipment Purchase	Frontier Sno Riders, Inc. will use grant funds to purchase grooming equipment for snowmobile trail maintenance. The new and larger equipment will allow the club to efficiently maintain high traffic trails and improve trail safety.	Parks RTP	\$59,200.00
28865	Schenectady	Maxon ALCO Holdings LLC	Schenectady Riverfront Revitalization Project	Multi-year, multi-phase waterfront Brownfield development to include 144,000 SF retail, 304 apartments, supermarket, hotel, and banquet house.	ESD Grants	\$5,000,000.00
31508	Schenectady	Museum of Science and Innovation	Challenger Learning Center of the Greater Capital Region, Inc	Renovations and equipment at the Museum of Science and Innovation to motivate students in STEM studies by providing a space-themed, simulated science and math experience that promotes decision making, problem solving and team building skills.	ESD Grants	\$250,000.00
29158	Schenectady	New York Folklore Society	Folk Arts Internships	New York Folklore Society will hire two interns to enhance the organization's visibility through social media and marketing and provide arts education support for a community cultural documentation program involving Schenectady's urban youth. This will be an opportunity for emerging arts leaders to gain practical experience in arts-related fields by leveraging the strength of the education system.	Arts IWDP	\$8,968.00
28003	Schenectady	Proctors	Cirque Eloize Summer Residency	As part of a five-year partnership commitment, Proctors' Cirque Eloize will bring renowned circus arts innovators to downtown Schenectady each summer for a three-week residency program. During this time, a new production will debut as well as an offering of circus arts classes to youth and adults. Cirque Eloize will have a \$1 million economic impact on Schenectady and a \$9 million impact on the region, indirectly creating 150 full time jobs.	Arts CHPG	\$100,000.00

Capital Region

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
27842	Schenectady	Proctors	Proctors Downtown District Energy Expansion In Schenectady	The Downtown District Energy (DDE) Expansion project at Proctors will provide heating and cooling to seven historic buildings in downtown Schenectady, in addition to the five that are currently serviced by Proctors' combined heat and power system. This will simultaneously benefit the local economy while lowering greenhouse gas emissions, improving efficiency, and demonstrating a highly effective model of energy co-operation.	NYSERDA CGC3	\$2,903,522.00
27827	Schenectady	Proctors	Proctors Interior Finish Restoration	Building on past restoration efforts which have earned state and national recognition, Proctors seeks funding to complete the restoration of the 1926 vaudeville theater. The remaining work includes restoration of the orchestra level, crossover area, boxes, mezzanine and leaking mezzanine roof, as well as work by expert restoration artists to restore broken and missing plaster filigree, re-gild and paint decorative elements, and mend damaged scagliola.	Parks HPA	\$455,000.00
30861	Schenectady	Schenectady County Community College	Workforce Development Training Building	Interior building renovations for a (SCCC owned) building to serve as a regional workforce development training center and meeting space for pre-apprentices, entrepreneurs, and upstart tech companies located in the City's highly distressed area.	ESD Grants	\$150,000.00
31603	Schenectady	Schenectady Museum Association dba miSci	Suits Bueche Planetarium at miSci	The Schenectady Museum Association doing business as miSci requests funding to renovate its Suits-Bueche Planetarium in Schenectady, NY. The grant support will help miSci to move closer to reaching its long-term goal of providing Schenectady, the Capital Region, Tech Valley, western Massachusetts and Southern Vermont with the latest in astronomy resources, increase tourism and attract out-of-state visitors.	ESD MNY	\$20,137.00
28275	Schenectady, Albany, Troy	Proctors	Cirque Eloize Marketing Campaign	Proctors requests a Market NY grant to launch a multimedia marketing campaign for its partnership with Cirque Eloize, the internationally renowned troupe of modern circus artists, to develop the Capital Region as a cultural tourism destination during the summer months.	ESD MNY	\$60,000.00
32336	Warr., Wash., Hamil., Ess., Herk., Sara., Frank., Clint., StLaw., Onei., Lewis, Fult.	Adirondack Association of Towns and Villages	The Adirondack Park Recreation Web Portal Project	This proposal concerns Phase II of the Adirondack Park Recreation Web Portal Project. Phase I is currently underway and involves creation of a comprehensive web portal, database, and app for tourism and recreation-related amenities and activities within the Adirondack Park. Phase II will significantly enhance the user experience and will additionally look to employ a strategic marketing campaign to raise awareness to the end consumer and promote tourism through use of the website and app.	ESD MNY	\$82,500.00
28835	Warren	City of Glens Falls	City of Glens Falls Engineering Study for Ridge Street Sanitary Sewer Improvements	The City of Glens Falls will complete an engineering report to address major sewer deficiencies along the Ridge Street sanitary sewer line within the City.	DEC EPGP	\$30,000.00

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
32083	Warren	City of Glens Falls	Renovations to Glens Falls Civic Center	Renovations to Glens Falls Civic Center for a new AHL franchise & regional entertainment events.	ESD Grants	\$675,000.00
27807	Warren	Crandall Public Library	Software Skills Training	Crandall Public Library of Glens Falls will train 54 long-term unemployed workers in basic computer skills, keyboarding and data entry, Microsoft Word 2007, Microsoft Excel 2007, Microsoft PowerPoint 2007, and Microsoft Publisher 2007.	DOL UWT	\$49,995.00
28251	Warren	Glens Falls Industrial Development Agency	Commercial/Residential Facility	\$23M project that includes the construction of a 132,000 SF six story commercial/residential building along with a multi-story parking structure.	ESD Grants	\$2,500,000.00
28553	Warren	Town of Queensbury	Town of Queensbury Assistance to Davidson Brothers	The Town of Queensbury proposes to use \$60,000 in NYS CDBG Small Business Assistance funds to assist with the start up of Glens Falls Brewing Company, LLC. The project proposes the creation of 3 full time jobs, of which 2 will benefit low and moderate income persons.	HCR CDBGSBA	\$60,000.00
30668	Warren	Town of Warrensburg	Town of Warrensburg Wastewater Engineering Study	The Town of Warrensburg will complete an engineering report evaluating upgrades to increase capacity at the existing Town wastewater treatment plant.	DEC EPGP	\$24,000.00
27451	Warren	Village of Lake George	Environmental Park Signage and Water Feature	The Village of Lake George will design and construct an interactive water feature and gateway signage at the Charles R. Wood Lake George Environmental Park.	DOS LWRP	\$200,000.00
30877	Warren County	Town of Bolton	Rogers Memorial Park Improvements	The Town of Bolton will design and construct improvements to Rogers Memorial Park including a visitor/heritage center, an entry plaza, pedestrian connector, lake overlook, lower walkway, hillside erosion repair, water distribution system, rehabilitation of the north public dock, and stormwater management planning.	DOS LWRP	\$350,000.00
28130	Warren County	Town of Lake George	Route 9 Streetscape	The Town of Lake George will design and construct streetscape improvements along the Route 9 gateway corridor from Birch Avenue south to the Route 9N junction, incorporating multi-modal enhancements and stormwater treatment measures.	DOS LWRP	\$100,000.00
26577	Warren, Saratoga	Warren County	First Wilderness Heritage Corridor Plan Implementation Projects	Warren County working with the Towns of Hadley, Lake Luzerne and Stony Creek and the Sacandaga-Hudson Advisory County will advance four projects to implement the intermunicipal First Wilderness Heritage Corridor Plan. Projects include construction of the first phase of a whitewater park on the Sacandaga River, upgrading of parking and restroom facilities at the Dean Farm Recreation Area, design of hamlet revitalization components in Stony Creek, and expansion and upgrading of teaching facilities at the Adirondack Folkschool.	DOS LWRP	\$553,500.00

This three-year plan has been developed to replace the vessel's centerboard, centerboard trunk, over 100 frame sections and over 60 planks to prevent leaking and support future preservation efforts.	Parks HPA	\$497,303.00

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
27030	Ulster	Mohonk Preserve Inc	Foothills Trailhead	The Testimonial Gateway Trailhead Project is part of a multi-year initiative to protect ecologically important lands and enhance public recreational use of the Mohonk Preserve. The planning and design of a new trailhead will help the Preserve improve visitor safety by mitigating current dangerous traffic and parking patterns. The project will also improve connectivity between the Preserve and the Walkkill Valley Rail Trail, facilitating pedestrian access to three local business districts.	Parks PA	\$42,000.00
31845	Ulster	Open Space Institute	Wallkill Valley Rail Trail Improvements	This project will improve and redevelop the Wallkill Valley Rail Trail between the northern border of New Paltz and the southern border of the City of Kingston. The proposed work includes regrading, ditching and reshaling the surface; widening the shoulders of the rail trail; bridge repairs; road crossings; signage and kiosks; and parking area improvements. In addition, it seeks to improve access to nature preserves and parks adjacent to the rail trail.	Parks RTP	\$200,000.00
28426	Ulster	Phoenicia Festival of the Voice Foundation	Phoenicia Festival of the Voice	The Phoenicia Festival of the Voice Foundation will present its 4th Annual Festival of Voice, held over four days in August, with more than twenty events in at least seven venues. The caliber of the artists involved has drawn audiences from across the New York State, the US and Europe. The festival boosts profits for local businesses, creates jobs and promotes tourism to the entire region.	Arts CHPG	\$90,000.00
30611	Ulster	Rural Ulster Preservation Company (RUPCO)	The Kingston Lace Factory UI	Rural Ulster Preservation Company will use \$150,000 in Urban Initiatives funds to convert an abandoned former mill property known as The Lace Factory into low-income housing units and artists' spaces. The total project cost is estimated at \$18.2 million, with additional funding provided by various state and federal grant sources.	HCR UI	\$150,000.00
31515	Ulster	Town of New Paltz	New Paltz Wallkill River Rail Trail Program	The Town of New Paltz will improve a section of the Wallkill Valley Rail Trail within the Town. The project includes upgrading trailheads with information kiosks with maps, covered bicycle racks, uniform signage and mileage markers, and comfort stations with composting toilets. In addition, the project will repair the rail trail bridge over the Wallkill River.	Parks RTP	\$23,000.00
32180	Ulster	Town of Rosendale	Park Enhancements	The Town of Rosendale will build a new pool to replace the community pool closed last year due to unsafe conditions. In addition, the existing bath house will be modified to serve the rail trail system in our town as a way station offering toilets, showers and lockers.	Parks PA	\$500,000.00

Mid-Hudson

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
31927	Ulster	Town of Rosendale	Rondout Valley Multi-Municipal Center	The Towns of Rosendale, Marbletown and Rochester will work with the Rondout Valley Central School District to create a shared municipal space for all three municipalities. The facility, which will be housed at the recently closed Rosendale Elementary School, would provide Rosendale and Marbletown with joint space for town administration, while the Town of Rochester would move some of its offices to the new location. The project will also convert the school library into a shared court facility for all three towns.	DOS LGE	\$258,930.00
27109	Ulster	Town of Wawarsing	Town of Wawarsing Public Infrastructure Improvements	The Town of Wawarsing proposes to use \$600,000 in NYS CDBG funds for Phase IIIA improvements to the Kerhonkson Water District's infrastructure. This project will benefit of 580 residents, 405 or 69.8% of whom are low and moderate income.	HCR CDBGPI	\$600,000.00
27521	Ulster	Ulster County	Campus Green Retrofit	Ulster County will use GIGP funds to install pervious pavement, rain gardens, bioretention areas, and green walls at the recently relocated SUNY Ulster Extension Center in Kingston. This project will serve as an example of adaptive building reuse by retrofitting a former elementary school with innovative sustainable infrastructure at the new highly visible SUNY educational facility.	EFC GIGP	\$439,000.00
28456	Ulster	Ultra Seal Corporation	Warehouse Expansion	Ultra Seal Corporation will make a significant capital investment to a distressed commercial site in the Town of Plattekill as well as energy efficient improvements to the buildings' HVAC systems.	ESD EJP	\$175,000.00
30061	Ulster	Village of Ellenville	Village of Ellenville Wastewater Planning Engineering Study	The Village of Ellenville will complete an engineering report to evaluate inflow and infiltration impacts to the Village collection system.	DEC EPGP	\$24,000.00
27154	Ulster	Village of New Paltz	Village of New Paltz Public Infrastructure Improvements	The Village of New Paltz will use \$600,000 in NYS CDBG funds to replace the severely deteriorated sanitary sewer trunk line and manholes on Plattekill Avenue. A total of 3,827 persons, 2,239 or 58.5% of whom are low and moderate income will benefit from the improvements.	HCR CDBGPI	\$600,000.00
27893	Ulster and Westchester	Land Use Law Center at Pace Law School	Integrating Sustainability with Comprehensive Planning	The Land Use Law Center at Pace Law School will work with four pilot municipalities to integrate sustainability elements into their respective comprehensive plans and zoning codes to implement strategies identified in the Regional Sustainability Plan. The Center will use the Technical Guidance Manual for Sustainable Neighborhoods to identify barriers to sustainability and then provide community-specific recommendations for amendments to each municipality's comprehensive plan and zoning code.	NYSERDA CGC2	\$95,512.00
27880	Ulster, Orange, Dutchess, Putnam, Sullivan, Westchester, Rockland, Greene	State University of New York at New Paltz	3D Printing Initiative at SUNY New Paltz	The 3-D Printing Initiative at SUNY New Paltz is part of a goal to establish the region as a national center for additive manufacturing (3-D printing) technology, design, research and manufacturing.	ESD Grants	\$1,000,000.00

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
27966	Ulster, Orange, Dutchess, Sullivan, Westchester	Ulster BOCES	Medical Office and Information Technology Training	Ulster County BOCES will train 20 long-term unemployed workers in medical terminology, anatomy/physiology, medical coding, International Classification of Diseases, current procedural terminology, insurance billing collection, medical law/ethics, human relations, medical office applications/management, clinical asepsis, clinical procedures, pharmacology, A+ Certification, compliance/operational security, network security, threats/vulnerabilities, application data host security, and cryptography.	DOL UWT	\$100,000.00
29900	Westchester	Caramoor Center for Music and the Arts Inc	Supertitle Machine for Bel Canto Opera Program	The Caramoor Center for Music and the Arts will purchase a supertitle machine in order to project text and video during the popular Bel Canto at Caramoor opera program. This equipment will enhance the audience's understanding of and engagement with the performances. Caramoor is a magnet for regional cultural tourism, bringing over 22,000 people to the area during the summer.	Arts APCE	\$20,720.00
30569	Westchester	City of New Rochelle	Comprehensive Plan Update	The City of New Rochelle will build upon previous efforts to advance sustainable, economic development. With careful consideration of New Rochelle's own sustainability plan, GreeNR, the City will continue its efforts to update its comprehensive plan, and amend its zoning code to foster private investment in a more compact, mixed-use, mixed-income, energy efficient, walkable development centered around the New Rochelle Transit Center.	NYSERDA CGC2	\$198,000.00
27633	Westchester	City of New Rochelle	New Rochelle Local Waterfront Revitalization Program	The City of New Rochelle will update their draft Local Waterfront Revitalization Program developed in 1999 to guide waterfront development and incorporate a land use plan for David's Island.	DOS LWRP	\$79,200.00
28589	Westchester	City of Peekskill	Fleischmann's Pier Reconstruction Design	The City of Peekskill will conduct planning and design for Fleischmann's Pier to determine the future use of the pier. The project will lead to the revitalization of the pier which will greatly enhance its utility and aesthetics at a prominent point along the Hudson River.	DOS LWRP	\$175,000.00
30408	Westchester	City of White Plains	Transit Hub In White Plains	This project involves the planning and design for the redevelopment of an existing transit hub into a multimodal transportation center that serves all modes of travel and maximizes the economic development potential of the area.	NYSERDA CGC3	\$1,000,000.00
26857	Westchester	City of Yonkers	Saw Mill River Daylighting Green Phase 3	The City of Yonkers will use GIGP funds to continue the process of daylighting the Saw Mill River through downtown Yonkers. This project will improve water quality, provide new habitat, leverage private investment, and create a gateway park with dramatic views upon entering downtown from the east.	EFC GIGP	\$1,076,977.00

Mid-Hudson

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
30827	Westchester	Community Housing Innovations, Inc.	Rehabilitation of 400-404 South Street Peekskill NY	Community Housing Innovations, Inc. (CHI), is seeking \$150,000 in Urban Initiatives funds to renovate two adjacent residential and commercial mixed-use buildings on South Street in the City of Peekskill's Waterfront District.	HCR UI	\$150,000.00
29504	Westchester	Family Services of Westchester, Inc.	Veterans ServiceWorks AmeriCorps Program	The Family Services of Westchester AmeriCorps Program will recruit post-9/11 era veterans who are returning to Westchester County to serve as AmeriCorps Members. The program will engage veterans in service to the community and provide a vehicle for valuable job training skills. Members will be placed in not-for-profit organizations, where service initiatives will align with both community needs and career interests.	ONCS Amer	\$247,375.00
31099	Westchester	Friends of Franklin Delano Roosevelt and Donald J. Trump State Parks	Connecting FDR State Park to Yorktown	To increase recreational opportunities at Franklin D. Roosevelt State Park in Westchester County, volunteers will rehabilitate and construct a trail in the southeastern portion of the park. The project includes building two bridges, constructing a section of trail, installing 135 feet of boardwalk, and repairing damaged areas. The trail will connect the park to Yorktown's Business District.	Parks RTP	\$11,386.00
26353	Westchester	Greyston Foundation Inc.	Medical and Culinary Arts Training	Greyston Foundation Inc. of Yonkers will train 40 long-term unemployed workers as Certified Nursing Assistants, electrocardiography (EKG) technicians, phlebotomy technicians, and culinary arts workers.	DOL UWT	\$99,809.00
28216	Westchester	Groundwork Hudson Valley	Adriaens Way The Downtown Yonkers Trail	Groundwork Hudson Valley will undertake a feasibility study for the design and construction of a 2-mile rail-trail that stretches from the Downtown Yonkers Waterfront to the 242nd Street subway station in Riverdale, NYC. The creation of this multi-use path is expected to revitalize several distressed neighborhoods in the lower Hudson Valley, help renew downtown Yonkers, and connect workers to transit hubs in Getty Square and New York City.	Parks PA	\$160,244.00
31911	Westchester	Land Use Law Center at Pace Law School	CSC Certification Program Implementation	Pace Law School Land Use Law Center (LULC) will build upon New York State's Climate Smart Communities (CSC) program to design and implement a comprehensive municipal sustainability certification web interface that facilitates the application and certification process. The interface will make it easier for communities to participate in the CSC program and implement climate smart actions.	NYSERDA CGC3	\$1,215,000.00
27460	Westchester	Metallized Carbon Corporation	Oil to Gas Conversion	Conversion of proprietary metal impregnation (melting) process from oil based to gas based; reducing carbon footprint and energy consumption.	ESD EJP	\$250,000.00
30876	Westchester	The Young Women's Christian Association of Yonkers	Commercial Driving and HVAC Training	The Young Women's Christian Association of Yonkers will train 20 long-term unemployed workers in commercial driving and Heating-Ventilating-Air Conditioning-Refrigeration.	DOL UWT	\$99,500.00

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
27674	Westchester	Town of Cortlandt	Comprehensive Plan Development	The Town of Cortlandt will complete a Comprehensive Plan that will focus on issues of sustainability and economic development by taking advantage of the Town's location along the Hudson River. In addition, the Town will investigate zoning techniques to plan for enhancements in the area around the Cortlandt Metro-North Station and along the Town's commercial corridors. Further, the plan will study concepts such as form based zoning, complete streets and green development bonuses.	NYSERDA CGC2	\$175,000.00
29800	Westchester	Village of Hastings-on-Hudson	Quarry Park and Trail Project	Quarry Park, adjacent to Old Croton Aqueduct State Historic Park, is a 5.5-acre site that was Hasting-on-Hudson's first industry, a marble quarry, beginning in 1828. The final design of Quarry Park proposes a natural park setting with walking paths, shaded seating areas, an open-air venue, and interpretive signage, and the completion of Quarry Trail will provide the final link in the local trail system.	Parks PA	\$94,250.00
29800	Westchester	Village of Hastings-on-Hudson	Quarry Park and Trail Project	Quarry Park, adjacent to Old Croton Aqueduct State Historic Park, is a 5.5-acre site that was Hasting-on-Hudson's first industry, a marble quarry, beginning in 1828. The final design of Quarry Park proposes a natural park setting with walking paths, shaded seating areas, an open-air venue, and interpretive signage, and the completion of Quarry Trail will provide the final link in the local trail system.	Parks RTP	\$61,750.00
27314	Westchester	Village of Port Chester	Byram River Bulkhead Design	The Village of Port Chester will develop design and construction drawings for a collapsed bulkhead along the Byram River waterfront. The completion of final design will facilitate the replacement of the failed bulkhead, which is pivotal to the resurgence of the waterfront.	DOS LWRP	\$225,420.00
31425	Westchester	Village of Sleepy Hollow	Rev Sykes Park Improvements	Reverend John Sykes Park, located in the inner village of Sleepy Hollow, seeks funding for the design and construction of a comfort station. The design will focus on creating an ADA-compliant facility with a small footprint so as to take as little space away from the recreation area as possible.	Parks PA	\$157,500.00
31387	Westchester	Village of Tarrytown	Tarrytown Pedestrian Tunnel Accesway Project	The Village of Tarrytown will prepare a feasibility study to identify options to restore and reopen the pedestrian pathway under the Metro North railroad tracks. This pathway will provide a link to the waterfront and increase public access to the Hudson River.	DOS LWRP	\$37,500.00
28192	Westchester	Village of Ossining	Design and Construction of Village Dock Extension	The Village of Ossining will design an extension of an existing public dock along the Hudson River. The dock's extension will add recreational opportunities along the waterfront and promote tourism in the region.	DOS LWRP	\$21,500.00
30986	Westchester, Putnam	City of Peekskill/ Village of Brewster	Strategic Plans and Building Reuse Feasibility Studies	Study to re-purpose obsolete buildings in Peekskill's Opportunity Area and redevelopment path for Brewster's Main Street Corridor.	ESD SPFS	\$75,000.00

32452	New York	Harvestworks, Inc.	Creativity Technology Enterprise	Creativity + Technology = Enterprise is a partnership project between Harvestworks, a cultural arts development organization and The Industrial and Technology Assistance Corporation a nonprofit economic development corporation that helps early-stage technology and manufacturing firms launch innovative products in NYC. Up to fifteen projects will be chosen and technical engineers will be hired to facilitate the production. This project will improve the quality of life of New York City residents and create a pro-growth, pro-jobs environment.	Arts CHPG	\$100,000.00
26320	New York	Henry Street Settlement	Henry Street Historic Preservation Project	The Henry Street Settlement (HSS) will undergo historic preservation work to its Manhattan headquarter buildings, which are listed as a National Historic Landmark. The project will be a replicable model for energy efficiency retrofits to a historic property, furnishing the buildings with green design elements to decrease energy consumption by at least 25 percent. Money saved in energy costs will be invested into programs to help New Yorkers overcome poverty-related challenges.	Parks HPA	\$500,000.00
27215	New York	New Museum of Contemporary Art	New Museum Incubator	The New Museum will support programming around an innovative new model: the New Museum Incubator. The Incubator will provide a dynamic, shared workspace and a networking platform for emerging entrepreneurs, technologists, designers, thinkers, artists-in-residence, and creatives. This project will boost the creative economy in NY by fostering an environment that allows artists, designers, and entrepreneurs to seed and test new ideas, present works-in-progress and conduct research and workshops.	Arts CHPG	\$74,000.00
32041	New York	Northern Manhattan Improvement Corporation	College Access Project	Northern Manhattan Improvement Corporation (NIMC) will serve 90 low-income young adult and adult learners who aspire to attend college. NIMC will provide information regarding the benefits of post-secondary education, pre- and post-college enrollment counseling, socio-educational workshops, and assistance with financial aid and college applications. College tours and fairs will be arranged and NIMC will also provide tutoring in reading, writing and math to prepare students for college admissions tests and academics.	HESC CACG	\$50,000.00
31557	New York	Ralph Rucci LLC	High End Fashion Business Expansion	Ralph Rucci LLC will expand its footprint by leasing an additional 12,000 sf of space at 151 W 26th Street, to meet the growing demand for the company's couture and high-end women's clothing.	ESD EJP	\$411,944.00

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
30862	New York	Seventh Regiment Armory Conservancy Inc	Epic and Adventurous Work for New York	With its large drill hall, Park Avenue Armory fills a critical void in NYC's cultural ecology by enabling the creation and enjoyment of unconventional works. Working independently and with partners, PAA will produce four world premiere musical performances audiences, including an opera and classical music festival. The Park Avenue Armory is committed to restoring and re-purposing NYS's landmarked historic building as modern-day hub for accessible contemporary visual and performing art.	Arts CHPG	\$74,000.00
29242	New York	The Fathers Heart Ministries	Facility Improvements	The Father's Heart Church, also known as The Father's Heart Ministry Center, is the former Eleventh Street Methodist Episcopal Chapel. Given the fact that the church was constructed in 1867 and the rectory was constructed c. 1856, the buildings' roofs are in need of a comprehensive repair and drainage rehabilitation. The restoration work is part of a multi-phase master plan to allow the foundation to continue its mission of helping the community.	Parks HPA	\$500,000.00
31867	New York	The Research Foundation of CUNY	City College of NY Continuing and Professional Education	City College of New York (CCNY) will serve 40 low-income 11th grade students. Students will participate in a 30 week program that will provide academic support and mentoring. CCNY will provide standardized test preparation, information about postsecondary educational opportunities and support services, and assistance with completing financial aid applications. College visits will also be arranged and individualized and group instruction will help students develop self-care skills to succeed in college.	HESC CACG	\$50,000.00
32373	New York	World Business Lenders LLC	Expansion of Financial Services Operations Center	Financial Services Operations Center: The company currently employs approximately 100 employees who are responsible for customer orders, customer service, loan operations, loan servicing, accounting, human resources and administration. New customer inbound calls are received and processed, and the accounts of existing customers are serviced. Once an application and supporting materials are received from the client, a loan decision can be issued and an approved loan can be funded promptly. For new customer processing, a staff member will receive an inbound call from a business owner. A loan application is submitted by the business owner, and then our back-office processing staff investigates and evaluates the applicant's credit eligibility. If the loan application is approved, the processing staff prepares the loan documents and the loan is funded soon thereafter. After the loan is funded, the loan serving department processes loan payments and provides after-sale customer service. Also, delinquent loan collections are handled by a dedicated collections team in our loan operations group.	ESD EJP	\$750,000.00

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
29893	New York City	Apollo Theater Foundation Inc	Fall Festival Funding	The Apollo will present the Harlem/South Africa Connection in Fall 2014 combining music, theater, film and humanities discussions to celebrate the enduring connection between Harlem and South Africa. The festival coincides with the 20th anniversary of Nelson Mandela's inauguration as South Africa's President. As a leading cultural and economic anchor of 125th street, the Apollo occupies a vital role in the economic landscape, drawing diverse audiences, businesses and other organizations to Upper Manhattan.	Arts CHPG	\$74,000.00
