

**Southern Tier Regional Economic Development Council
COMMUNITY FORUM
Ithaca, NY
September 29, 2011**

Infrastructure

- Coordinate smaller scale projects across the region
- Low-impact development/more diffused water infrastructure (stormwater, ex.)
- Protective monitoring of ground/surface water
- Last mile broadband connectivity
 - K-12 constituency
 - Work from home
- Information and communications infrastructure:
 - Sharing data and knowledge(ex.GIS mapping) – putting data to use
- Connecting parks and lakes – natural pathways – improving bike/pedestrian trails
- Urban trails, urban forestry
