Entrepreneurial Energy

What is the typical NY manufacturer like?

- Average employment 27.
- Not your father's Oldsmobile!
- Churning.

Cultivation of entrepreneurial energy:

- Education
- Community and Government
- Foundation of existing business

Destructive of entrepreneurial energy:

- Taxes
- Poor economy (population loss)
- High costs
 - Worker's Compensation
 - Healthcare
- Difficulty finding qualified workers

In your opinion, which of the following are the top two issues currently facing the State of New York?

Taxes
Jobs/Economy
 Healthcare
 Education/Schools

We can do this!

- Regain NY manufacturing preeminence
- Change our attitudes toward manufacturing
