2016 Program Descriptions

Program	Program Description	Type of Funding	Resources Available
	New York State Council on the Arts (Arts)		
Arts Grant Program (Arts CHPG I; CHPG P; WIP)	Funds are available for arts and culture initiatives to eligible non-profit and local units of government. This Local Assistance support is provided under Article 3 of NYS Arts and Cultural Affairs Law for the planning, presentation and staffing of the performing, literary and visual arts that encourage broader participation and public interest in the cultural heritage of NY State and promotes tourism and economic development. Funding Programs: Arts, Culture, Heritage New Initiatives - Planning (CHPG P); Arts, Culture, Heritage New Initiatives – Implementation (CHPG I); Workforce Investment (WIP)	Grant	Up to \$5 million
	NYS Canal Corporation (Canals)		
Canalway Matching Grant Program (Canals)	The Canalway Grants Program is a competitive matching grant program available to eligible municipalities and 501(c)(3) non-profit organizations along the New York State Canal System. Funding is for capital projects that enhance economic and community development along the canal corridor and are consistent with the goals of the Regional Economic Development Council Plans.	Grant	Up to \$1 million
	Department of Environmental Conservation (DEC)		
DEC/EFC Wastewater Infrastructure Engineering Planning Grant Program (DEC EPG)	The New York State Department of Environmental Conservation (DEC), in conjunction with the New York State Environmental Facilities Corporation (EFC), offered grants to municipalities to help pay for the initial planning of eligible Clean Water State Revolving Fund (CWSRF) water quality projects. Up to \$2 million has been made available for this round of the Wastewater Infrastructure Engineering Planning Grant (EPG) program. Grants will assist municipalities facing economic hardship with the engineering and planning costs of CWSRF-eligible water quality projects.	Grant	Up to \$2 million
Water Quality Improvement Project Program (DEC WQIP)	The Water Quality Improvement Project (WQIP) program is a competitive, statewide reimbursement grant program open to local governments and not-for-profit corporations for projects that directly address documented water quality impairments. Projects eligible under the Water Quality Improvement Program include: municipal wastewater treatment; municipal separate storm sewer systems; polluted runoff abatement and control from non-farm sources; and aquatic habitat restoration.	Grant	Up to \$25 million
Climate Smart Communities Program (DEC CSC)	The Climate Smart Communities (CSC) program, funded under Title 15 of the Environmental Protection Fund, is a competitive grant program awarding 50/50 matching grants to eligible municipalities to implement climate adaptation and mitigation projects across the state. Projects eligible under the CSC Grants Program include: flood risk reduction, especially with natural resiliency measures; adaptation of climate-vulnerable facilities and natural systems; reduction of greenhouse gas emissions from transportation and food waste; and projects undertaking assessments and inventories necessary for Climate Smart Communities Certification.	Grant	Up to \$11 million
	Department of Labor (DOL)		
Workforce Development Grants (DOL EET, NHT, SPT, UWT)	Grant funding is available to for-profit and not-for-profit businesses, training providers, and Local Workforce Development Boards to upgrade the skills of the workforce. Under Existing Employee Training (EET), current employees in low- and middle-skills positions will receive classroom-based occupational skills training to retain or gain middle-skills occupations. Under New Hire Training (NHT), dislocated workers will be hired and receive on-the-job training to perform their required job duties. Under both Unemployed Worker Training (UWT) and Special Populations Training (SPT), dislocated workers will receive classroom-based occupational skills training for positions that are open in the region, with a commitment from businesses to interview individuals who successfully complete the training. The SPT Program will specifically focus on training individuals with barriers to employment.	Grant	Up to \$5 million
	Department of State (DOS)		
Local Government Efficiency Grants (DOS LGE)	The Local Government Efficiency (LGE) Grant program assists local leaders identify best practices and implement actions focused on reducing municipal expenditures, limiting the growth in property taxes and increasing efficiencies in service delivery. Projects can include local government reorganization, functional or service delivery consolidation, cooperative service agreements, and establishment of regional service delivery mechanisms.	Grant	Up to \$4 million

Program	Program Description	Type of Funding	Resources Available
Local Waterfront Revitalization Program (DOS LWRP)	The Department of State's Local Waterfront Revitalization Program (LWRP), funded under Title 11 of the Environmental Protection Fund, provides 50:50 matching grants on a competitive basis to eligible villages, towns, cities, and counties located along New York's coasts or designated inland waterways to revitalize communities and waterfronts through planning, design, and construction projects. Grant categories include preparing or implementing a LWRP; updating an LWRP to mitigate future physical climate risks; redeveloping hamlets, downtowns and urban waterfronts; planning or constructing land and water-based trails; preparing or implementing a lakewide or watershed revitalization plan; implementing a community resilience strategy; and celebrating the bicentennial of the Erie Canal - improving public waterfront access for canal communities.	Grant	Up to \$19.5 million
Environmental Facilities Corporation (EFC)			
Green Innovation Grant Program (EFC GIGP)	The Green Innovation Grant Program (GIGP) provides grants on a competitive basis to projects that improve water quality and demonstrate green stormwater infrastructure in New York. GIGP is administered by NYS Environmental Facilities Corporation (EFC) through the Clean Water State Revolving Fund (CWSRF) and is funded with a grant from the US Environmental Protection Agency (EPA).	Federal Grant	Up to \$10 million
Empire State Development (ESD)			
Excelsior Jobs Program (ESD EJP)	Refundable tax credits are available for strategic businesses such as high tech, bio-tech, clean-tech and manufacturing that create or retain jobs or make significant capital investments. Businesses meeting the eligibility criteria may apply for assistance at locations throughout New York State.	Tax Credit	Up to \$70 million
ESD Grant Funds (ESD Grants)	ESD has several grant programs that together make available \$175 million of capital grant funding for the Regional Economic Development Council Initiative. Capital grant funding is available for capital-based economic development projects intended to create or retain jobs; prevent, reduce or eliminate unemployment and underemployment; and/or increase business or economic activity in a community or Region.	Grant	Up to \$175 million
Market New York (ESD MNY)	Market New York is a grant program established to strengthen tourism and attract visitors to New York State by promoting destinations, attractions and special events. Funding is available for tourism marketing initiatives, capital/construction projects and the recruitment and/or execution of meetings, conferences, conventions, festivals, athletic competitions and consumer and industry trade shows.	Grant	Up to \$13.5 million
Business Incubator and Innovation Hot Spot Program (ESD BIHSP I, BIHSP HS)	Designated NYS Certified Business Incubators and Innovation Hot Spots will be eligible for operating grants from ESD for five years. Designation as a NYS Certified Incubator increases the ability for the incubator to support additional programming, deliver incubation best practices to their client companies and be a part of the regional and multi-regional ecosystem to help client companies succeed in the market place. Designation as an Innovation Hot Spot brings another benefit for the start-up companies within the Hot Spot. These companies will be eligible for state income and sales tax benefits for a period of five years.	Grant	Up to \$2.5 million
Strategic Planning and Feasibility Study Project Grants (ESD SPFS)	ESD's Urban and Community Development Program promotes economic development in the State of New York by encouraging economic and employment opportunities and stimulating development of communities and urban areas. Total program funding of up to \$1 million is available for working capital grants of up to \$100,000 each to support 1) strategic development plans for a city, county, or municipality or a significant part thereof and 2) feasibility studies for site(s) or facility(ies) assessment and planning. Projects should focus on economic development purposes, and preference shall be given to projects located in highly distressed communities.	Grant	Up to \$1 million

Program	Program Description	Type of Funding	Resources Available
	Homes and Community Renewal, Office of Community Renewal (HCR and HCR/OCR)		
New York State Community Development Block Grant Program (HCR CDBG)	The Community Development Block Grant (CDBG) Program is a federally funded program authorized by Title I of the Housing and Community Development Act of 1974. The CDBG Program is administered by the Office of Community Renewal (OCR) under the direction of the New York State Housing Trust Fund Corporation (HTFC). NYS CDBG funds provide eligible small communities and non-urban counties in New York State with an opportunity to undertake activities that focus on community development needs such as creating or expanding job opportunities, providing safe affordable housing, and/or addressing local public infrastructure and public facilities issues. The primary statutory objective of the CDBG program is to develop viable communities by providing decent housing and a suitable living environment by expanding economic opportunities, principally for persons of low and moderate income. Three CDBG program applications were available for the 2016 annual CFA Round: Microenterprise, Public Infrastructure/ Public Facilities, and Community Planning and two programs were made available in open round applications: Economic Development and Small Business.	Grant	Up to \$25 million
New York Main Street Program (HCR NYMS)	The New York Main Street (NYMS) program was formally established in Article 26 of New York State Private Housing Finance Law. The NYMS program is administered by the Office of Community Renewal (OCR) under the direction of the Housing Trust Fund Corporation (HTFC). NYMS funds are awarded to units of local government and not-for-profit organizations that are committed to revitalizing historic downtowns, mixed-use neighborhood commercial districts, and village centers. NYMS grants are available for targeted improvements such as facade renovations, interior commercial and residential building renovations, and streetscape enhancement projects. Traditional NYMS program grants were made available for the 2016 annual CFA Round and NYMS Technical Assistance (NYMS-TA) funds were made available in an open round application.	Grant	Up to \$5 million
	Office of Parks, Recreation and Historic Preservation (Parks)		
EPF Municipal Grants (OPRHP: PKS: A/P/D; HP: A/P/D; HAS: A/P/D; HP: A/P/D)	The Environmental Protection Fund Grants Program for Parks, Preservation and Heritage (EPF) provides matching grants on a competitive basis for the acquisition (A), planning (P), and development (D), of parks, historic properties, and heritage areas located within the physical boundaries of the State of New York. Parks (PKS) is for the acquisition, development and planning of parks and recreational facilities to preserve, rehabilitate or restore lands, waters or structures for park, recreation or conservation purposes and for structural assessments and/or planning for such projects. Historic Preservation (HP) is to acquire, improve, protect, preserve, rehabilitate or restore properties listed on the State or National Register of Historic Places and for structural assessments and/or planning for such projects. Heritage Areas (HAS) is for projects to acquire, preserve, rehabilitate or restore lands, waters or structures identified in the approved management plans for Heritage Areas designated under section 35.03 of the Parks, Recreation and Historic Preservation Law, and for structural assessments or planning for such projects.	Grant	Up to \$20 million
	New York State Energy Research and Development Authority (NYSERDA)		
Energy Efficiency Programs	NYSERDA's Commercial and Industrial (C&I) programs offer businesses in New York State solutions to improve energy efficiency and save money through design, new construction, renovation, and process improvements to commercial and industrial buildings. The Commercial New Construction Program and the Commercial Implementation Assistance Program can help building owners make informed decisions about designing and renovating sustainable buildings. The FlexTech Program offers energy-saving opportunities through consultation and cost-shared studies. The Industrial and Process Efficiency Program can help organizations increase manufacturing output and data processing efficiency.	Incentive	Up to \$60 million
	Industrial Development Bond Cap (IDB CAP)		
Industrial Development Bond Cap (IDB Cap)	Up to \$300 million from the Federal IDB Cap allocation will be available for State and local government issuers to sell tax exempt bonds for private projects that demonstrate a public purpose.	Tax Exempt Bond	Up to \$300 million

WESTERN NEW YORK

\$62.0 million awarded to 105 projects

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
66322	Allegany	Town of Almond	Town of Almond Salt Shed	The Town of Almond will construct a salt/sand storage facility at the Town Highway Department facility. The project will eliminate runoff to groundwater and Karr Valley Creek.	DEC WQIP NPS	\$331,950
65139	Allegany	Town of Belfast	Town of Belfast Water System Study	Funds will be used to complete an engineering analysis and plan for a drinking water extension/rehabilitation and an asset management evaluation of the drinking water system.	HCR CDBGCP	\$50,000
64995	Allegany	Town of Caneadea	Caneadea Park Improvements	The Town of Caneadea, located in northwest Allegany County will develop the newly acquired property previously owned by Houghton College and turn the property into a viable Town Park. The 20-acre parcel of property now known as Caneadea Town Park extends along New York State Route 19 on the bank of the Genesee River. This plan will incorporate an entry sign, a trail system, picnic tables, grills, ADA compliant playground equipment and landscaping.	OPRHP PKS D	\$107,654
65718	Allegany	Village of Wellsville	Burrous Building Stabilization and Redevelopment	The Village of Wellsville will assist in the renovation of the former Burrous Furniture Building, an iconic building located in the Village's downtown.	HCR NYMS	\$500,000
65718	Allegany	Village of Wellsville	Burrous Building Stabilization and Redevelopment	The Village of Wellsville will stabilize and restore the historic Burrous Building into a mixed-use commercial, retail and housing anchor in the downtown core.	ESD Grants	\$1,000,000
65167	Allegany, Cattaraugus, Chautauqua, Erie, Niagara	Olmsted Center for Sight	National Statler Center- Career Training for the Blind and Visually Impaired	Elizabeth Pierce Olmstead M.D. Center for the Visually Impaired will provide training to twelve blind and visually impaired chronically un- or under-employed individuals between the ages of 18 and 35 with occupational training and placement assistance in the high need, high demand field of telecommunications.	DOL SPT	\$100,000
66999	Cattaraugus	Cattaraugus Community Action, Inc.	Food for Thought Program	Cattaraugus Community Action, Inc. (CCA) will provide job training through the Food for Thought (FFT) program, a culinary arts training program. FFT participants will engage in a blend of classroom based learning and hands-on instruction in culinary arts.	DOL SPT	\$37,800
65900	Cattaraugus	City of Olean	Downtown Olean Farmers Market	The City of Olean will place a public market on two currently vacant downtown parcels including a permanent kiosk structure and comfort facilities. Permanent liner kiosks will form a walkable streetscape that will close the gap between N. Union and the Mall and create a hub for activity. Both kiosk facility sites will be made available to farmers and artisans.	ESD Grants	\$220,000

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
66593	Cattaraugus	City of Olean	BOA Downtown Redevelopment	The City of Olean will use these funds for the construction of public infrastructure improvements including two new roundabouts on Main Street with added bike lanes and new sidewalks to service future housing and commercial development. Funds will also be used for the environmental abatement and demolition of a former DPW facility to facilitate new commercial redevelopment near the downtown.	ESD Grants	\$400,000
67027	Cattaraugus	City of Olean	Allegheny River Canoe Kayak Launch Project	Grant funds will be used to support the "paddle trail" project which will consist of purchasing and installing two portable launches (one ADA compliant) in strategic locations that would expand recreational opportunities and support the idea of being part of a regional system of launches along the Allegheny River.	ESD MNY	\$44,600
66647	Cattaraugus	Edelweiss Dairy, LLC	Edelweiss Dairy Facility Expansion	Edelweiss Dairy Farm will replace its existing Freedom Farm facility with a new 2,400 cow facility with improved high efficiency LED lighting, VSD controlled ventilation fans, compressors, chillers and heat exchanges.	ESD Grants	\$1,000,000
66752	Cattaraugus	Ellicottville Brewing Company	Ellicottville Brewing Company Expansion in Little Valley	Ellicottville Brewing Company will convert a former warehouse in downtown Little Valley into a commercial brewing and bottling facility for the company's growing domestic and international market. The location will also attract tourists to a new craft beer museum.	ESD Grants	\$600,000
63959	Cattaraugus	Gowanda's Historic Hollywood Theater, Ltd.	Hollywood Theater Restoration	This is a multi-phase restoration of the 1926 Hollywood Theater, located in the Gowanda Village Historic District. Work will include plaster, seating and balcony restoration. The re-opening of the historic theater will create jobs, encourage heritage tourism and give local business owners an opportunity to capitalize on this unique historic asset.	OPRHP HP D	\$498,750
67805	Cattaraugus	Sempreverde Development, LLC	Allegheny State Park Lodging Improvement	New ADA-compliant, one-bedroom cottages with bathrooms and kitchens will be constructed at Allegheny State Park to improve the lodging experience and attract additional visitors to the park.	ESD Grants	\$120,000
67275	Cattaraugus, Erie, Niagara	Burchfield Penney Art Center	Cargo	In 2017, the Burchfield Penney Art Center in Buffalo, NY presents the exhibition, Cargo, with performances, workshops, and more. Cargo explores ideas of commodification and value through art and places - including an exploration of the historic, current and future 'value' of the Erie Canal itself.	Arts CHPG I	\$27,000
66585	Cattaraugus, Erie, Niagara	University at Buffalo	NYS Arts and Crafts Alliance	The Buffalo region is the historical home of the American Art and Crafts Movement. Beginning with the 150th anniversary of Frank Lloyd Wright's birth on June 6th, 2017, the University at Buffalo will highlight the Buffalo School's unrivaled concentration of great design.	Arts CHPG P	\$49,000
66166	Chautauqua	Chautauqua County Dept of Planning and Economic Development	Marketing Chautauqua Countys Overland Trails	Funds will be used to promote and increase the usage of existing trails, including the County-owned Overland Trails through a strategic branding and marketing initiative.	ESD MNY	\$16,945

Western New York

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
65164	Chautauqua	Chautauqua County Rural Ministry, Inc.	Coburn Block Development	This project will renovate and improve an existing but partially collapsed building constructed in 1868 in downtown Dunkirk for the purpose of expanded employment training close to residents and employers.	ESD Grants	\$75,000
65276	Chautauqua	Chautauqua County Soil and Water Conservation District	Chautauqua County Highway Erosion Control	The Chautauqua County Soil and Water Conservation District will purchase stabilization and hydroseeding materials to be used for ditch stabilization throughout the County. The project will reduce sediment and nutrients entering County waterbodies.	DEC WQIP NPS	\$94,200
65795	Chautauqua	Chautauqua County Soil and Water Conservation District	Silver Creek Rehabilitation	The Chautauqua County Soil and Water Conservation District will assist the Village of Silver Creek in removing a dam on Silver Creek in the Town of Hanover and rehabilitate the stream. The project will promote the movement of aquatic species by opening up the stream channel and restoring access to higher reaches of Silver Creek.	DEC WQIP AHR	\$217,000
64020	Chautauqua	Chautauqua Home Rehabilitation and Improvement Corporation	Brocton Main Street	Chautauqua Home Rehabilitation and Improvement Corporation will assist in the renovation of commercial spaces and apartments in the Village of Brocton's downtown business district.	HCR NYMS	\$242,235
65756	Chautauqua	City of Dunkirk	Comprehensive Plan Update	The City of Dunkirk will update its comprehensive plan. The City will build upon the Northern Chautauqua County Local Waterfront Revitalization Program by expanding the study area to include the entire City and will address transportation, land use, housing, parks and recreation, public access and facilities, historic preservation, tourism, and economic development.	DOS LWRP	\$45,000
65456	Chautauqua	City of Jamestown	Tracy Plaza Green Renovations	The City of Jamestown will use green infrastructure to rehabilitate Tracy Plaza, an elevated plaza downtown, to revitalize the arts and culture. The City will install planters, a large-scale green roof system, and a cistern to collect rainfall from the plaza. Harvested rainwater will be used to wash fire trucks and fill their tanks, as well as for watering the green roof during dry periods.	EFC GIGP	\$1,480,000
63782	Chautauqua	Concord Grape Belt Heritage Association	Grape Discovery Center Museum Culinary and Visitor Center Expansion	Phase 3 of the Grape Discover Center involves the renovation and installation of mechanical systems for a new learning and event space that will host conferences, banquets, live theater and art exhibits, with a new kitchen and facilities for outside for catering.	ESD Grants	\$135,000
63629	Chautauqua	Jamestown Renaissance Corporation	Downtown Jamestown Winter Garden Plaza Phase II	After 20 years of abandonment and decay in downtown Jamestown, the Winter Garden Theater was demolished in 2010 and replaced with a park in 2011. Winter Garden Plaza Phase II, will complete the build-out of the plaza and will include a fabric-covered tensile structure, landscaping, benches and bike racks.	OPRHP PKS D	\$111,297
66358	Chautauqua	Libera, Inc.	Employee Enhancement Project	Libera, Inc.'s Employee Enhancement Project will implement a phased approach for enhancing the knowledge and skills of staff members for this growing software development company. Training will provide existing staff with new information and skills to enable them to progress into new positions within the company.	DOL NHT	\$40,510

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
64478	Chautauqua	National Comedy Center	National Comedy Center Gap Funding	Funding will support the development of The National Comedy Center campus in downtown Jamestown consisting of two physically connected buildings, an exterior screening area and adjacent Comedy Park.	ESD Grants	\$600,000
64711	Chautauqua	National Comedy Center	National Comedy Center Tourism Capital	Grant funds will be used for upgrades at the National Comedy Center for the purchase and installation of two large digital screens on the entrance building, and the purchase and installation of the Hologram Theater Projection System. These upgrades provide a strategic PR opportunity to create national publicity and increase visitation to the region.	ESD MNY	\$234,000
65067	Chautauqua	Northern Chautauqua Community Foundation	Northern Chautauqua County Economic Development Strategy	Northern Chautauqua County will develop a strategic economic development plan to identify and prioritize projects and funding needs.	ESD SPFS	\$40,000
65449	Chautauqua	TimberFish	Westfield TimberFish Technology Demonstration Project	This project will construct a facility that employs TimberFish Technology (TFT), which is an innovative approach to producing food and energy. The process mimics the natural food chain by using underutilized biomass and nutrients to grow contaminant-free seafood and produce bioenergy.	ESD Grants	\$100,000
66629	Chautauqua	Town of Ellicott	Collection System Study	The Town of Ellicott will complete an engineering study to develop options for the extension of public sewer and investigate possible improvements needed in the City of Jamestown to accommodate the proposed increase flow.	DEC EPG	\$30,000
67697	Chautauqua	Town of Portland	Chautauqua County Regional Water Project	The Towns of Portland, Pomfret, Dunkirk, and Sheridan, and the Village of Brocton, will establish the Joint Water Operations Department, consolidating labor and equipment to operate all of the current independent systems. The project will also include the following: purchase of leak detection equipment, purchase of GIS Survey Equipment, purchase of billing software that will be compatible with all of the various meter types and reading equipment, staff training, and leak repair.	DOS LGE	\$270,000
67206	Chautauqua	Town of Ripley	Ripley Main Street Revitalization Plan Development	The Ripley Main Street Revitalization Plan Development Project will explore and identify projects that will preserve and develop the Downtown in a manner that maintains and enhances the cultural strengths and heritage of the community.	Arts CHPG P	\$36,000
67975	Chautauqua	Village of Celoron	Lucille Ball Memorial Park Improvements - Phase II Construction	The Village of Celoron will construct public access and recreation improvements to Lucille Ball Memorial Park on Chautauqua Lake. Improvements will include soil stabilization, a new breakwall, waterfront trail and kayak/canoe launch.	DOS LWRP	\$354,220

Western New York

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
62587	Chautauqua	Village of Fredonia	Fredonia Barker Commons Project	Barker Commons is the central feature of the Fredonia Commons Historic District. Improvements will initiate the development of a multi-phased/systematic plan to update the park making it more attractive for programming & visitors. Improvements to the Commons that the proposed grant will provide will include metal fencing along all 8 sides, landscaping, pedestrian ramps, replacement of concrete walkways, updates to lighting fixtures and the two historic water fountains, and gateway monuments.	OPRHP PKS D	\$310,544
62587	Chautauqua	Village of Fredonia	Fredonia Barker Commons Project	The Village of Fredonia will make improvements to Barker Commons, the central feature of the Fredonia Commons Historic District, which includes safe pedestrian access, gateway elements, new landscaping and walkways, updates to lighting fixtures and rehabilitation of two historic water fountains.	ESD Grants	\$14,950
68008	Chautauqua	Village of Lakewood	Village of Lakewood, Town of Busti Stormwater Management Engineering Study	The Village of Lakewood will complete an engineering report to assess current stormwater infrastructure and identify future stormwater projects.	DEC EPG	\$100,000
66527	Chautauqua	Village of Silver Creek	Sanitary Sewer Evaluation Study Priority 3 Project	The Village of Silver Creek will complete an engineering report to identify sources of inflow and infiltration to the village's wastewater treatment plant.	DEC EPG	\$100,000
67902	Erie	Alfred State College	Alfred State Opportunity Center	Renovations to the property at 1135 Jefferson Avenue in Buffalo that will include classrooms, computer laboratories and open laboratories used to prepare community residents for career and college educational opportunities.	ESD Grants	\$240,000
67791	Erie	Buffalo and Erie County Historical Society	Buffalo History Museum West Gallery Restoration	The Buffalo History Museum will reclaim 6,000 square feet of the 1901 Pan Am building by revamping the 2nd floor west gallery into flexible-use space affording new opportunities for changing exhibits and modular galleries. Restoration will embrace original features such as light fixtures, crown molding, Doric columns and arched entryways. The effort will increase yearly admissions revenue, tourist visitation, earned revenue and donations.	ESD Grants	\$126,500
64481	Erie	Buffalo City School District	Welding Skills Training Project	Buffalo City School District's Public Schools Adult Education Division will work collaboratively with the Department of Labor's Career Centers to provide training in welding skills to unemployed individuals comprised mostly of minority males and veterans.	DOL UWT	\$98,750
67802	Erie	Buffalo Fine Arts Academy	Fellowship Workforce Expansion	Albright-Knox Art Gallery in Buffalo will hire a Curatorial Fellow.	Arts WIP	\$30,000
65690	Erie	Buffalo Niagara Medical Campus Inc.	Buffalo Niagara Medical Campus Innovation Incubator	The Buffalo Niagara Medical Campus Innovation Incubator will expand the range of business development programming through an Idea Lab to teach the application of creative thinking to the innovation process.	ESD BIHSP I	\$125,000

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
66340	Erie	Center for Employment Opportunities, Inc.	CEO Green	Center for Employment Opportunities will partner with Habitat for Humanity, as part of its Green and Healthy Initiative (GHHI), to provide on-the-job training and transitional employment in home rehabilitation services that meet or exceed national green building certification standards. Program participants will receive training in Green and Healthy careers.	DOL SPT	\$98,291
67374	Erie	CEPA Gallery	Administrative Workforce Expansion	CEPA Gallery will use REDC Workforce Investment funds to maintain and see its recently created Development Associate position through to self-sustainability.	Arts WIP	\$26,500
65401	Erie	City of Buffalo	Beverly Gray Business Center	Funds will be used to support the creation of the Beverly Gray Business Exchange Center on Buffalo's east side, a one-stop shop for business assistance support services to small and minority and women-owned enterprises.	ESD Grants	\$18,550
67992	Erie	City of Buffalo	Niagara Street Gateway - Porter Avenue to Ontario Street Construction	The City of Buffalo, in partnership with the Buffalo Sewer Authority, will construct the portion of the Niagara Street Gateway running from Porter Avenue north to Ontario Street. The project will incorporate green infrastructure and include construction of a cycle track, installation of vegetation, street furniture and wayfinding signage.	DOS LWRP	\$4,240,000
68445	Erie	City of Buffalo	Allen Street Streetscape Project	The City of Buffalo will construct a pedestrian and bicycle path connecting Washington and Oak Streets on the Buffalo Niagara Medical Campus and Allen Street streetscape improvements such as sidewalk repairs, installation of traffic signals, LED lights and signage and landscaping, including trees and street furniture resulting in increased patronage of area businesses, restaurants and cultural attractions; small business development; and the creation of a better-connected and more pedestrian friendly community.	ESD Grants	\$600,000
67019	Erie	City of Tonawanda	Docking Facilities Design and Construction	The City of Tonawanda will design and construct docking facilities at four sites along the Niagara River and Ellicott Creek. This project will expand publicly accessible dock facilities allowing residents and visitors to take full advantage of the City's waterfront.	DOS LWRP	\$487,380
66520	Erie	County of Erie	Buffalo and Erie County Botanical Gardens Restoration	The Buffalo and Erie County Botanical Gardens is located in the Frederick Law Olmstead designed South Park (National Registry). Erie County is seeking assistance to restore and repair the historic greenhouses. The work will include interior and exterior remediation, hazardous materials sampling, testing and abatement, extensive structural work, masonry repairs, aluminum framing replacement, wood restoration and replacement, plaster repairs, painting, window repair and replacement of glazing.	OPRHP PKS D	\$500,000
65473	Erie	Erie 1 BOCES	Erie 1 Boces High School Welding	The project will increase capacity at Erie 1 BOCES' Kenton Career Technical Center by adding new welding booths and converting current space into welding and light manufacturing labs.	ESD Grants	\$25,000

Western New York

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
63761	Erie	Erie County	Lackawanna Wastewater Treatment Plant Disinfection Improvements	Erie County will design and construct improvements to the disinfection systems at the Lackawanna Wastewater Treatment Plant and the Lackawanna Overflow Retention Facilities to meet the total residual chlorine limits. The project will reduce residual chlorine flowing into Smokes Creek and ultimately Lake Erie.	DEC WQIP WWT	\$1,479,000
63901	Erie	Erie County	Flow Monitoring, Pilot Enhanced Inflow and Infiltration Remedial Improvements	Erie County will complete an engineering report that will be an enhanced inflow and infiltration study focusing on preconstruction monitoring.	DEC EPG	\$100,000
66086	Erie	Erie County	Construction of Erie County Correctional Facility Food Waste Composting Site	Erie County will establish a composting process to provide training opportunities and reduce food waste. Work will include planning, design and construction of a small composting area directly on the County-owned site to process food waste and organic waste generated at the facility and in the County. The compost will then be used on-site in a existing facility horticultural program and at other Erie County properties.	DEC CSC	\$694,390
66092	Erie	Erie County	Erie County Household Hazardous Waste Plan	Erie County will complete a feasibility study for household hazardous waste management in the county, with the goal of increasing resident participation, collection amounts and program efficiencies. The information will be used to develop various Household Hazardous Waste management alternatives for use by Erie County, each assessed for effectiveness and cost efficiencies.	DOS LGE P	\$24,000

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
66794	Cayuga	Cayuga County Soil and Water Conservation District	Critical Area Stabilization--Hydro-seeder	The Cayuga County Soil and Water Conservation District will implement Best Management Practices to reduce erosion and stabilize streambanks throughout the county. The project will provide better runoff control and improve water quality in Owasco, Cayuga, and Skaneateles Lakes and their tributaries.	DEC WQIP NPS	\$125,075
66608	Cayuga	Cayuga County Water and Sewer Authority	Cayuga County Water and Sewer Service Regional Efficiency Plan	The Cayuga County Water and Sewer Authority will develop a master plan for the improvement of water and sewer systems throughout Cayuga County and extension of municipal water and sewers to areas needing these services. Existing systems will be evaluated with recommendations for improving efficiency of operations, along with cost estimates and financial impacts for system improvements. Alternative sources of water will also be evaluated.	DOS LGE P	\$100,000
65632	Cayuga	Cayuga Economic Development Agency, Inc.	Cayuga Innovation Business Accelerator	The Cayuga Economic Development Agency, Inc. will develop a small business accelerator in Auburn, Cayuga County which will provide space, equipment, and professional counseling to businesses in the manufacturing, mechnology, and value-added agriculture sector. The project involves purchase of an existing building that is currently owned and occupied by a local manufacturer who will remain as a tenant.	ESD Grants	\$500,000
68430	Cayuga	CIDEC, LLC	CIDEC Expansion 2016	CIDEC, LLC, a dairy milking equipment company, will expand and consolidate its Batavia operations into its Auburn, Cayuga County location, including construction of a manufacturing and warehousing facility for new production of farm-related hygiene products, as well as the addition of new offices and a training facility focused on robotics and high tech automation.	ESD Grants	\$240,000
66208	Cayuga	City of Auburn	Auburn Public Safety Complex Relocation	The City of Auburn, in partnership with Cayuga County, will repurpose an existing strip mall into a new regional public safety complex. The facility will be constructed to house the City's Fire Department emergency services and Cayuga County Emergency Management Office, relocating them from existing flood-prone facilities to the new site at 23-31 Seminary St.	DEC CSC	\$2,000,000

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
66248	Cayuga	City of Auburn	Owasco River Redevelopment Design	The City of Auburn will plan, design, engineer and prepare construction documents a downtown Visitor Welcoming Center and a Riverside Regional Public Market located within its designated Brownfield Opportunity Area along the Owasco River. The project will also include land appraisals and strategies for land acquisition and a series of studies that will assess parking capacity and the impact that the potential closing of the Loop Road could have on the local traffic.	DOS LWRP	\$289,750
64940	Cayuga	Community Preservation Committee, Inc.	Willard Memorial Chapel Restoration Project	The Willard Memorial Chapel was a statewide success story when in 1990, the Community Preservation Committee, Inc. saved this "complete and unaltered Tiffany religious interior". Now, 26 years later, the issues to be addressed are: slate roof, copper valley and downspouts, windows and moisture controls, masonry stabilization, restoration of doors and windows, high energy efficiency new furnaces, and ice damage control and elimination.	OPRHP HP D	\$250,000
65217	Cayuga	SB Lattimore, Inc.	Northern Crossing	SB Lattimore Inc. will construct a new upscale, mid-range boutique lake-view hotel, comprised of three buildings totaling 55 rooms, a bar and event facilities in the Town of Fleming, Cayuga County. The project will be located across from Owasco Lake and Emerson Park, adjacent to an existing 4,000 square-foot event center, The Point at Sand Beach. The project will close a significant lodging gap in the area.	ESD Grants	\$1,191,000
63156	Cayuga	Seward House Museum	Seward House Museum Woodshed Revitalization	For nearly 170 years, the rear woodshed section of the Seward House has been left underutilized. Through intense restoration work, the structure's foundation, interior and exterior walls and studs, floor joists, rafters, and roof will be effectively restored. This work will return the woodshed structure to its original state. Further work involving the installation of mechanical systems will ensure sustainable preservation of the woodshed as it is adapted into a multi-purpose visitor space.	OPRHP HP D	\$99,773
66388	Cayuga	Town of Owasco	Walkable Owasco: Construction of Sidewalks and Walking Trail	The Town of Owasco seeks to reduce vehicle trips and greenhouse gas emissions by constructing sidewalks and a trail linking Owasco Elementary School, Town Hall, Michael J. O'Leary Playground, and the seasonal farmers market at Owasco Fire Department. Work will include design and construction of sidewalks on the south side of Bristol Ave, the south side of Adams Ave, and the east side of Letchworth Street, and design and construction of a walking trail connecting Meadow Lane to Shearin Street.	DEC CSC	\$263,700
64381	Cayuga	United Cerebral Palsy Assoc. Cayuga County Inc.	E. John Gavras Center Preschool Expansion Project	United Cerebral Palsy Assoc. of Cayuga County, Inc., dba E. John Gavras Center will purchase and install a new playground and renovate, reconstruct, remodel the interior and exterior of their facility in Auburn, Cayuga County.	ESD Grants	\$176,000

Central New York

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
66398	Cayuga	Village of Port Byron	Village of Port Byron Wastewater Treatment Plant Improvements	The Village of Port Byron will complete an engineering study to evaluate alternatives for solids dewatering improvements.	DEC EPG	\$24,000
68697	Cayuga	Weaver Machine	Weaver Machine UTC Expansion	Weaver Machine will purchase and install furniture and fixtures and manufacturing and inspection equipment.	ESD Grants	\$200,000
65280	Cayuga, Cortland, Madison, Onondaga, Oswego	CNY Arts, Inc.	2017 Arts Entertainment Districting Planning	CNY Arts will formulate a master blueprint for the creation, organization, funding, and operation of five Arts and Entertainment Districts in Auburn, Cortland, Oneida, Oswego, and Syracuse, a pilot project in Main Street revitalization.	Arts CHPG P	\$49,500
66773	Cayuga, Cortland, Madison, Onondaga, Oswego	Oswego County	Central New York Regional Recreation and Heritage Plan - Phase II	Oswego County will work with communities identified as nodes of activities and landmarks in the five county Regional Recreation and Heritage Plan (RRHP) to establish a collaborative Implementation Task Force; launch community outreach including planning and design activities; develop a unified "wayfinding" program in collaboration with jurisdictional entities; and identify and establish municipal and inter-municipal partnerships to implement target opportunities identified in the RRHP.	DOS LWRP	\$300,000
66760	Cayuga, Onondaga	Canal Society of New York State	Erie Canal Bicentennial Exhibition Collaboration	This grant will fund a joint collaboration with the NYS Canal Society and the Erie Canal Museum to do state-wide outreach for the Erie Canal bicentennial through the design and fabrication format that will be utilized throughout the eight years of the bicentennial.	Canals	\$39,000
66955	Cortland	55 Main Street Holdings, LLC	55 Main Street Revitalization	55 Main Street Holdings, LLC will renovate a 14,000 sq. ft. historic brick structure located at 51-55 Main Street in downtown Cortland, Cortland County, transforming it from a vacant empty shell into a mixed-use property including 3,800 sq. ft. of commercial store front space on the 1st floor and residential housing on the 2nd and 3rd floors. The project owner will create additional jobs on site.	ESD Grants	\$200,000
65285	Cortland	City of Cortland	Cortland, Cortlandville, and Homer Joint Water Meter Project	The City of Cortland, Town of Cortlandville and the Village of Homer will replace 6,450 water meters with digital meters incorporating technology that wirelessly communicates usage information to each water department, the consumer, and to a central billing software program. Upon full implementation, each of the municipalities will have real-time demand usage allowing synchronization of production, system wide leak detection, optimization of storage capacities and municipal water transfers.	DOS LGE	\$400,000
66299	Cortland	City of Cortland	City of Cortland Pool House	The Wickwire Pool House renovation project will stabilize, rehabilitate, and update the Pool House adjacent to the Wickwire Pool. The most important element to be added, is an ADA ramp into the building. Other elements that are in need of renovation include new shower and bathroom fixtures, lighting will be replaced throughout the building, and the decaying tile floors will be replaced, as well as cracks in the walls of the building, ensuring that the structure is sound and safe for all users.	OPRHP PKS D	\$407,586

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
66503	Cortland	City of Cortland	City of Cortland Microenterprise Program	Funds will be used to assist in the establishment of a Microenterprise Program.	HCR CDBGME	\$200,000
66681	Cortland	City of Cortland	City of Cortland Clinton Avenue Water Project	Funds will be used to replace water mains along Clinton Avenue between Pomeroy Street and Church Street in the City.	HCR CDBGPIPF	\$750,000
66720	Cortland	City of Cortland	Construction and Pilot Operation of a Food Waste Vermicomposting Facility	The City of Cortland and SUNY Cortland will partner with Organix Green Industries and Larsen Engineers to construct and operate a food waste vermicomposting facility on 4 acres of City owned industrial land on Saunder Rd. The partners propose to vermicompost 72 tons of SUNY cafeteria and supermarket food waste, collected over 9 months, in a pilot project encompassing 2 harvesting cycles.	DEC CSC	\$152,450
67166	Cortland	City of Cortland	Alternative Transportation Initiative	The City of Cortland will develop a pedestrian/bike path on Clinton Avenue from downtown to Exit 11, down River Street, and to Yaman Park via a trail and bridge over the Tioughnioga River. The trail will connect SUNY Cortland, the downtown, the main commercial area and Yaman Park, with existing streets. Work includes new bicycle and pedestrian facilities on Clinton Avenue, bike lanes on River Street, multi-use path from River St. to Yaman Park, and a new bridge on existing unused abutments.	DOS LWRP	\$500,000
65531	Cortland	Cortland Downtown Partnership	SKI 2 Cortland	SKI 2 Cortland will continue to enhance and promote the advancement of the snowsport industry of the Central New York region by expanding its current program to bolster regional economic impact by encouraging the frequency and duration of destination stays and will also support a new special multi-day event to further increase visitation.	ESD MNY	\$60,000
68519	Cortland	Cortland Downtown Partnership	"38 Arts" Actor's Hostel and Performance Venue	The Cortland Repertory Theater (CRT) will renovate an existing building it will purchase at 38 Main Street in downtown Cortland, Cortland County to create an "Actor's Hostel" to house visiting performers, and a small performance venue on the ground floor which will provide community and student artists a smaller, more suitable venue than what is now available at Cortland County Community College or at CRT's other theaters.	ESD Grants	\$360,000

68303	Onondaga	Steri-Pharma, LLC	Line 7 Expansion Project	Steri-Pharma, LLC, a manufacturer of antibiotics used internationally to treat complicated bacterial infections, will expand operations at its 429 South West Street facility in Syracuse, Onondaga County, adding a second sterile powder filling line and increasing warehouse capacity through the construction of new clean rooms, sterile production and filling areas, and a new building.	ESD Grants	\$3,000,000

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
66719	Onondaga	Town of Cicero	Riverfront Park Parking and Walnut Street Streetscape Improvements	The Town of Cicero will continue the revitalization of its Riverfront Park along Oneida Lake outlet by improving the park's parking area and the streetscape of a portion of Walnut Street, which is the gateway to the Riverfront Park.	DOS LWRP	\$137,500
66577	Onondaga	Town of DeWitt	Elevating Erie Towpath Road Corridor Design	ReConnecting the Erie Canalway will gather oral histories and community input to frame a design contest and implement two markers at either end of the gap in the canalway bike trail, along with a brochure and web exhibit for cyclists to enjoy and learn from as they ride through.	Arts CHPG I	\$75,000
66577	Onondaga	Town of DeWitt	Elevating Erie Towpath Road Corridor Design	The Town of DeWitt will design a segment of the old Erie Canal corridor, including historical markers, wayfinding, green infrastructure, landscaping, and street furniture. The design will include an alternative to connect the current Canalway Trail end with Erie Boulevard East.	DOS LWRP	\$229,000
67463	Onondaga	Town of Dewitt	Repurposing the Bristol Meyers Squibb Industrial Pretreatment Facility	The Town of DeWitt will complete an engineering report to evaluate the option of diverting a significant amount of wastewater from the Meadowbrook Limestone wastewater treatment facility to the repurposed Bristol Myers Squibb wastewater treatment facility.	DEC EPG	\$96,995
64792	Onondaga	Upstate Medical University	Upstate Medical University Biotech Certified Business Incubator	Upstate Medical University Biotech Certified Business Incubator will support early stage commercialization projects promoting biotech innovation pipelines for incubation/ acceleration, merger or acquisition. Project programs include the Medical Device Innovation Challenge (MDIC) which will be hosted in the Creation Garage, a prototyping center, with participation from innovation ecosystem partners.	ESD BIHSP I	\$125,000
68229	Onondaga	Village of Liverpool	Engineering Planning Grant Program	The Village of Liverpool will complete an engineering study to identify sources of inflow and infiltration, locate cross connections, and determine possible retrofit methods for the storm sewers all to reduce the flow to METRO.	DEC EPG	\$30,000
66698	Onondaga	Willow Rock Brewing Company	Phase One Manufacturing Expansion	Willow Rock Brewing Company will renovate its facility in Syracuse, Onondaga County, and purchase and install machinery and equipment, allowing Willow Rock Brewing Company to continue packaging in kegs for wholesale distribution as well as employing a new state-of-the-art canning technology.	ESD Grants	\$85,000
65499	Onondaga, Cayuga	Erie Canal Museum	Reflections on Erie's Waters	"Reflections on Erie's Waters" is a collaboration between the Erie Canal Museum and the Canal Society of New York State. This multifaceted project includes exhibits, a statewide lecture tour, and artist-led workshops, all in celebration and commemoration of the Bicentennial of the Erie Canal.	Arts CHPG I	\$36,500
65959	Onondaga, Madison	Madison County	Signage Plan for the Old Erie Canal State Historic Park	This project will develop and install wayfinding signage within the Old Erie Canal State Historic Park, which spans three counties (Onondaga, Madison, and Oneida) and contains the longest and one of the only remaining portions of the original Erie Canal system.	Canals	\$30,000

Central New York

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
68389	Onondaga, Madison, Cayuga	Musical Associates of Central New York	Canal Concerts	In celebration of the Bicentennial of the Erie Canal, Symphoria will present a series of six concerts in key Central New York sites along the Canal, using music of the period, canal imagery, narration, and educational materials to illustrate the impact of the Erie Canal on the region, state and nation.	Arts CHPG I	\$45,000
68169	Onondaga, Madison, Oswego	Society for New Music	Suffragette Matilda Joslyn Gage	The Society for New Music will create an opera about Syracuse native Matilda Joslyn Gage, a key player in the Suffrage Movement in New York State from 1852-1890. This dramatic retelling of her story will celebrate her life-long battle for equality.	Arts CHPG I	\$29,500
68638	Onondaga, Oswego, Madison, Cayuga, Cortland	Onondaga Community College	CNY Career Pathways	Onondaga Community College will enroll unemployed individuals in employer-validated, competency-based, short-term occupational programs. These programs will train individuals in the areas of machine operator, medical billing, and phlebotomy and support their entry into jobs in advanced manufacturing and healthcare.	DOL UWT	\$100,000
65102	Oswego	City of Fulton	Multi-Use Trail Feasibility Study and Draft Local Waterfront Revitalization Program Update	The City of Fulton will prepare a feasibility study for the development of eight multi-use trail segments that will complement the existing trail network and update the City's draft LWRP to reflect current conditions and propose new projects.	DOS LWRP	\$61,500
67434	Oswego	City of Oswego	Installation of the Seneca Street Neighborhood Bikeway	The City of Oswego will install traffic calming devices and bicycle accommodations along West Seneca Street between the intersection of 1st Avenue and Route 104, extending east to the River Walk trail paralleling the Oswego River. Project elements include traffic-calming curb extensions with raingardens, roundabouts, sharrows, signs, and plantings at key intersections, and new pavement markings to formalize on-street parking on the north side of the street and to identify pedestrian crosswalks.	DEC CSC	\$245,077
67639	Oswego	City of Oswego	Oswego Multi- Purpose Athletic and Civic/ Community Facility Feasibility Study	The City of Oswego will conduct a feasibility study for developing a multipurpose athletic civic/community facility at the existing Crisafulli Rink located in Oswego, Oswego County.	ESD SPFS	\$68,000
67794	Oswego	City of Oswego	Oswego West Side Waterfront Enhancement	The City of Oswego will design and construct eight capital projects focused on enhancing the marina area of the Lake Ontario shoreline. Projects include Wright's Landing Marina fuel system and boat launch improvements, Oswego River dockage, marina area amenities, accessible park connection, Breitbeck Park and Oswego Riverwalk Harbor Trail improvements, Oswego beach area, and Oswego West Pierhead Lighthouse.	DOS LWRP	\$590,000
68144	Oswego	City of Oswego	City of Oswego Public Art Master Plan	The City of Oswego Arts and Cultural Master Plan will result in a strategy for public art throughout the City's historic downtown. The project will be a collaborative effort to build upon the DRI and other local investments with the goal of creating an enduring public art infrastructure.	Arts CHPG P	\$40,000

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
68560	Oswego	County of Oswego	Oswego River Public Access Area	Oswego County will convert a vacant riverside parcel located in the City of Oswego into a public access area to the Oswego River. The site will include a launch for car top boats, a parking area, and approximately 800 linear feet of paved accessible trail down a steep bank to the river side. The new public waterfront site will accommodate fishing and other passive recreation activities.	DOS LWRP	\$103,500
65741	Oswego	H. Lee White Maritime Museum at Oswego	Artistic Workforce Expansion	H. Lee White Maritime Museum at Oswego will expand their Curator position to Chief Curator to play an enhanced role in educational development, exhibit research and design, restoration and planning, which will lead to the institution becoming chartered as the only U.S. maritime institution on Lake Ontario.	Arts WIP	\$29,000
68318	Oswego	Operation Oswego County, Inc.	Mitchell St. Expansion	Operation Oswego County, Inc. will expand and improve a manufacturing facility in the Lake Ontario Industrial Park in Oswego, Oswego County, to benefit the building tenant, Northland Filter International. The project will include construction of new office space, conversion of existing offices back to manufacturing, and addition of a mezzanine, allowing the company to purchase two new production lines and remain in NYS.	ESD Grants	\$120,000
64091	Oswego	The Research Foundation for SUNY (Oswego)	Fitzhugh Park Renovation and Renewal Project	Fitzhugh Park renewal engages the community to create an inviting park with pathways through native landscapes, playgrounds, exercise and gathering spaces. The project has 4 components: 1) Repurpose basketball courts into multi-use sport courts and improving a grass playfield; 2) playground expansion for teens, children, and preschoolers; 3) a water play area; and 4) seating, pathways and landscaping to create an inviting community space.	OPRHP PKS D	\$250,000
67315	Oswego	Town of Oswego	Route 104 Sewer Study	The Town of Oswego will engage a consultant to conduct a study to identify the feasibility of providing municipal wastewater system for residents and businesses along the NYS Route 104 corridor.	ESD SPFS	\$25,000
64471	Oswego	Town of Richland	Haldane Center Improvement Project	The Town of Richland is seeking funds for the Haldane Center Improvement Project to increase use of the facility; attract new users; improve access to recreational opportunities; expand educational opportunities; decrease energy consumption; and reduce operation costs. It includes work at the Haldane Memorial Arena, construction of a pavilion, resurfacing the 1-mile walking trail, installing fencing and workout stations, and the expansion of educational signage throughout the property.	OPRHP PKS D	\$280,061
66903	Oswego	Village of Phoenix	Village of Phoenix Water and Sewer Improvements	Funds will be used to install new water lines, storm sewers, and sanitary sewers.	HCR CDBGPIPF	\$529,216
		Excelsior Jobs Credits		Excelsior Jobs Program tax Credits will be reserved for future projects including business investments in targeted industries that are within the region and that create or retain jobs, create capital investment and are consistent with the Strategic Plan.	ESD EJPB	\$7,000,000

Central New York

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
		Low Cost Economic Development Financing		Federal Industrial Development Bond (IDB) Cap will be made available for state and local government issuers to sell tax-exempt bonds for eligible economic development, infrastructure and community revitalization efforts.	ESD IDBC	\$30,000,000
		NYSERDA Energy Efficiency Projects	12 Energy Efficiency Projects	NYSERDA's Commercial and Industrial (C&I) programs offer businesses in New York State solutions to improve energy efficiency and save money through design, new construction, renovation, and process improvements to commercial and industrial buildings. The Commercial New Construction Program and the Commercial Implementation Assistance Program can help building owners make informed decisions about designing and renovating sustainable buildings. The FlexTech Program offers energy-saving opportunities through consultation and cost-shared studies. The Industrial and Process Efficiency Program can help organizations increase manufacturing output and data processing efficiency.	NYSERDA EE	

Mohawk Valley

MOHAWK VALLEY

\$81.9 million awarded to 88 projects

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
63911	Fulton	Fulton County	Hales Mills Road Water Infrastructure Project	Fulton County will install 6,000 feet of a 12 inch waterline along the Hales Mills Road Development Area. Development of this area is in alignment with the Fulton County "Smart Waters" Initiative.	ESD Grants	\$250,000
63451	Fulton	Gloversville Public Library	Gloversville Library Building Stabilization	There are four projects in this application that focus on securing the building's envelope: the rectangular back and basement wood windows and frames will be replaced; the oculus window over the front entrance will be restored; the front doors and vestibule will be removed; the flat rubber and stone roof will be replaced; the roof and the dome with sealed skylight will be restored; and the final project will address masonry issues at the front entrance.	OPRHP HP D	\$500,000
66447	Fulton	Nathan Littauer Hospital Nursing Home, Inc.	Caroga Primary Care Facility	Nathan Littauer Hospital will replace the aging Caroga Primary Care Clinic with a modern, up-to-date primary care facility which will also include behavioral health services.	ESD Grants	\$46,000
68168	Fulton	Parkhurst Field Foundation, Inc.	Parkhurst Field Renovation	Parkhurst Basefield Field, the oldest recorded field in continuous use as a baseball field, is creating a tourist destination for baseball enthusiasts.	ESD Grants	\$500,000
66801	Fulton	Village of Broadalbin	Wastewater Treatment Plant Effluent Disinfection	The Village of Broadalbin will complete an engineering report to evaluate disinfection options.	DEC EPG	\$30,000
65540	Herkimer	City of Little Falls	Explore Little Falls	The Explore Little Falls initiative will execute a strategic marketing campaign to position Little Falls, as the ideal "attraction-level" setting in which to experience the rich cultural and historical heritage of life along the Erie Canal.	ESD MNY	\$54,000
63510	Herkimer	HCIDA	Hartman Enterprises Relocation	Herkimer County IDA will construct a new manufacturing facility for the benefit of Hartman Enterprises Inc. currently based in Madison County.	ESD Grants	\$1,240,000
68702	Herkimer	Herkimer Diamond Mines, Inc.	Herkimer Diamond Mines Expansion Project	The Herkimer Diamond Mines will use grant funds to assist in the expansion and upgrade of its current facility, including infrastructure improvements.	ESD MNY	\$125,000
64162	Herkimer	Mountainman Outdoor Supply Company, Inc.	Mountainman Outdoor Supply Company Expansion	Mountainman Outdoor Supply Company will expand its business with an addition to its existing store, new retail space, and construction of rental cabins for seasonal visitors.	ESD Grants	\$140,000

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
66750	Herkimer	Vets2Farm, Inc.	Veteran's Farm Training Program	Vets2Farm is a not-for profit organization which prepares military veterans for new jobs in agriculture. Project includes the purchase of equipment to train veterans.	ESD Grants	\$100,000
65649	Herkimer	Village of Herkimer	Village of Herkimer Water System Improvements	Funds will be used to replace a water transmission line that has seen repeated failures.	HCR CDBGPIPF	\$750,000
67442	Herkimer	Village of Ilion	Village of Ilion Inflow and Infiltration Study	The Village of Ilion will complete an engineering study to identify sources of inflow and infiltration to the wastewater treatment facility.	DEC EPG	\$30,000
64866	Herkimer	Village of Mohawk	Local Waterfront Revitalization Program Update	The Village of Mohawk will update relevant portions of its draft intermunicipal 2000 Local Waterfront Revitalization Program that pertain to the Village downtown and Main Street. The focus will be on improving infrastructure, sustainability, walkability and visual character, encouraging in-fill, and responding to climate change.	DOS LWRP	\$25,000
67307	Herkimer	Village of Mohawk	Fulmer Creek GreenPlain - Floodplain Restoration and Main Street Park	The Fulmer GreenPlain is a design and construction project to restore the natural floodplain and floodplain processes along approximately 1.3 miles of the Fulmer Creek corridor. This phase of the project will build upon land being acquired by the Village from the FEMA buyout program by acquiring additional parcels and easements needed to restore the stream channel and floodplain bench along a nearly 1/2 mile stretch of Fulmer Creek.	OPRHP PKS A	\$112,500
67395	Herkimer	Village of Mohawk	Village of Mohawk Inflow and Infiltration Study	The Village of Mohawk will complete an engineering study to identify sources of inflow and infiltration to the wastewater treatment facility.	DEC EPG	\$30,000
68495	Montgomery	Amsterdam IDA	Edson Street Park Amsterdam Project	AIDA plans to upgrade the electrical service in the Edson Street Park from a 13.3KV service to a 69KV service to accommodate the needs of tenant businesses.	ESD Grants	\$500,000
63607	Montgomery	Arkell Museum	Administrative Workforce Expansion	The Arkell Museum will hire a Curator of Education and Public Engagement who will be charged with engaging the local and surrounding communities through programs that highlight the Museum's collection of American Art and Mohawk Valley history.	Arts WIP	\$43,000
63680	Montgomery	Arkell Museum	American Art Above Ground Storage Collection Feasibility Study	Montgomery County will undertake a strategic planning feasibility study to determine the costs and benefits of constructing an above-ground storage facility for the Arkell Museum art collection.	ESD SPFS	\$60,000
63644	Montgomery	City of Amsterdam	Sanford Clock Tower Renovation Project	The City of Amsterdam will assist in the renovation of the historic Sanford Clock Tower building located at 37 Prospect Street in Amsterdam. This phase of the project will renovate the 6th floor to create a business incubator space.	HCR NYMS	\$500,000
63672	Montgomery	City of Amsterdam	City of Amsterdam Microenterprise Program	Funds will be used to assist in the establishment of a Microenterprise Program.	HCR CDBGME	\$200,000

Mohawk Valley

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
65374	Montgomery	City of Amsterdam	John Sampone Senior Memorial Park	The City of Amsterdam is located in the northeastern section of Montgomery County. The proposed Sampone Memorial Park project would create a green space and playground area that currently does not exist within the entire district. The John A. Sampone Sr. Memorial Park has been in the works for 10+ years and is a priority project for the area since no other park exists within the Southside Culinary and Hospitality District, also known as the Southside of Amsterdam.	OPRHP PKS D	\$62,000
67423	Montgomery	MCIDA	Florida Business Park Extension	Montgomery County Industrial Development Agency will make improvements to State Route 5S leading to the Florida Business Park Extension for the proposed Distribution Center in the Park on approximately.	ESD Grants	\$1,500,000
65173	Montgomery	Montgomery County	Emergency Services Facility Relocation	The Village of Fonda will relocate key municipal and emergency service infrastructure out of the floodplain, in particular the Montgomery County DPW facility. This project will relocate the existing County Emergency Management/DPW Garage to a new facility out of the floodplain situated next to the County Jail and the newly constructed Emergency Management offices.	DEC CSC	\$671,575
65852	Montgomery	Village of Canajoharie	Beechnut Site Reuse Analysis	The Village of Canajoharie, in partnership with Montgomery County, will complete technical and market analyses necessary to gauge the potential for and the challenges to the redevelopment of the former Beechnut plant, a 26 acre site with 600,000 square feet of existing building space.	DOS LWRP	\$85,000
63425	Montgomery	Village of Fultonville	Villages of Fultonville and Fonda Joint Sanitary Sewer Improvements	Funds will be used to make sewer infrastructure improvements and make improvements to a joint sewer plant.	HCR CDBGPIPF	\$900,000
64850	Montgomery, Schoharie, Otsego	Schoharie River Center	Administrative Workforce Expansion	The Schoharie River Center will expand community arts activities in the region through the expansion of its staff to include an Arts Programming and Outreach Coordinator, through the launch of a digital storytelling program for teens to document Erie Canal communities.	Arts WIP	\$41,500
68150	Oneida	118 Liberty Street, LLC	Mechanics Hall Mixed-Use Renovation	The Developer plans to renovate and convert 3 dilapidated buildings into mixed use buildings with commercial space and approximately 34 indoor parking spaces on the first floor, the upper floors will have 58 apartments.	ESD Grants	\$2,000,000
64392	Oneida	Brightwaters Farms	Greenhouse Expansion Project	Brightwaters Farms will invest in needed improvements in its system of greenhouses including new facility roofs and boiler upgrades in order to retain the business and be competitive.	ESD Grants	\$300,000
68413	Oneida	Bowers Development, LLC	New Century Club Utica Restoration Project	Remediate and renovate the New Century Club Building located at 253 Genesee Street, Utica, Oneida County into a mixed-use commercial building.	ESD Grants	\$400,000

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
68592	Oneida	Bowers Development, LLC	The Security Building Restoration Project	Renovate a downtown Utica mixed-use building featuring commercial, retail, and residential space. "The Security Building" is a five-story abandoned, blighted and contaminated building starved for investment located half a block from the "Busy corner", corner of Genesee and Bleecker streets.	ESD Grants	\$500,000
67468	Oneida	Carbone Auto Group	Technician Training Program	Carbone Auto Group will expand its Automotive Technician training program to identify candidates who would benefit from additional training in the automotive repair field. With an increase in skill level, candidates will command higher wages commensurate with newly acquired expertise. This will fill an advanced skill level void experienced on a national, state, and regional level.	DOL NHT	\$25,920
64282	Oneida	Central Association for the Blind, Inc.	CABVI Expansion	CABVI is purchasing land adjacent to its headquarters at 507 Kent St., Utica. CABVI will develop the land and construct a new building to house the Vision rehabilitation service center and Agency headquarters. The vacated space in the Kent Street building will be reconfigured to much needed manufacturing space for packaging and service employment for people who are legally blind.	ESD Grants	\$1,700,000
64959	Oneida	City of Rome	Stormwater Management Art Walk	The City of Rome will install porous pavers, stormwater street trees and stormwater planters within a bike and pedestrian streetscape adjacent to the Erie Canal waterfront. The stormwater management art (SMART) walk will connect the Dominick Street arts and cultural district with the Erie Boulevard BOA and DRI target areas.	EFC GIGP	\$640,000
66093	Oneida	City of Rome	Disinfection at the Water Pollution Control Facility	The City of Rome will install a new disinfection system at the City's Wastewater Treatment Plant. The outcome will be to fully treat the effluent, which reduces environmental contamination.	DEC WQIP WWT	\$2,500,000
67350	Oneida	City of Utica	Utica Harbor - Bulkhead and Marina Design	The City of Utica will prepare designs for bulkhead reconstruction and marina site-wide improvements at Utica Harbor on the Erie Canal.	DOS LWRP	\$150,000
67818	Oneida	City of Utica	One World Utica - Re-Imagining the Arts	One World Utica - Re-Imagining the Arts, a creative placemaking and marketing strategy, will communicate, integrate, generate and illuminate downtown as destination for artists and their industries and residents and visitors looking for the vibrancy of a creative community.	Arts CHPG P	\$49,500
67821	Oneida	City of Utica	Utica's One World Garden	Utica requests funding for One World Garden (OWG) on Park Ave. The proposed half-acre site is currently a set of three treeless vacant City-owned lots. In addition to a main sanctuary garden area, OWG will create interlinking green pathway networks connecting it to its many nearby destinations. As green infrastructure, the project will also increase rainwater infiltration, mitigate urban heat island, create wildlife habitat and create a welcoming public space with access to nature.	OPRHP PKS D	\$500,000

Mohawk Valley

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
67823	Oneida	City of Utica	Utica Downtown Sustainability Plan	The City of Utica, with Cornell University, will create a Downtown Sustainability Plan considering energy, transportation, water, economic, residential, and business development, communications, food, waste, community input, green infrastructure, and urban design. The goal is to incentivize appropriate development and "green" residences, businesses, and governments to improve quality of life and attract new investors, entrepreneurs, workers and residents.	DOS LWRP	\$50,000
68133	Oneida	City of Utica	1900 Bleeker Street Project	The City of Utica plans to demolish a vacant city-owned building to create a modern business park at the intersection of Bleeker Street and Culver Avenue.	ESD Grants	\$280,000
66670	Oneida	Doyle Hardware, LLC	Doyle Hardware Building Renovation	Developer will renovate/restore the landmark Doyle Hardware building for mixed adaptive reuse. Plans call for creation of up to 55 new apartments on top three floors and commercial uses on the ground floor.	ESD Grants	\$1,000,000
66436	Oneida	Griffiss Institute	Griffiss Institute Incubator	The Griffiss Institute (GI) business incubator located on the Griffiss Business and Technology Park in, Rome NY provides a place in the Mohawk Valley that startups and growing small businesses can access a wide range of support including: office space, mentoring, marketing assistance, collaboration with the Air Force Research Laboratory, access to Air Force patented intellectual property and licensing, and business outreach to access the broader marketplace.	ESD BIHSP I	\$125,000
67024	Oneida	Metal Solutions Inc.	2017 Laser Technology Expansion	Metal Solutions plans to purchase a 4kw fiber optic laser for high speed cutting of sheet and plate metal, to be used in the fabrication of component parts for OEM manufacturers. The new technology machine will help the company increase production.	ESD EJP	\$70,000
67024	Oneida	Metal Solutions, Inc.	2017 Laser Technology Expansion	Metal Solutions plans to purchase a 4kw fiber optic Fiber laser for high speed cutting of sheet and plate metal, to be used in the fabrication of component parts for OEM manufacturers. The new technology machine will help the company increase production capacity and be more competitive.	ESD Grants	\$150,000

64884	St. Lawrence	ShIPLEY Center for Innovation at Clarkson University	North Country Innovation Hot Spot	The Shipley Center for Innovation at Clarkson University is uniquely positioned to offer expert consultation in job and business creation and retention. Shipley has access to university resources, such as subject matter experts and student interns. The Shipley Center assists innovators and entrepreneurs from the ideation stage through business formation, market entry, customer acquisition, and onward.	ESD BIHSP HS	\$250,000
66706	St. Lawrence	St. Lawrence NYSARC	St Lawrence NYSARC Partnerships for Progress	St. Lawrence NYSARC will maintain current initiatives by improving upon existing programs and services, advocating programs more systematically to veterans and underprivileged community members offering solutions and opportunities to overcome employment barriers, and securing a future by collaborating with new businesses and entrepreneurs for workforce training and vocational skills that lead to long-term learning and employment.	DOL NHT	\$55,800
67948	St. Lawrence	Town of Canton	Riverside Renaissance	The Town of Canton will implement projects from the Canton Grasse River Waterfront Revitalization Plan. Projects include design of a whitewater park on the Grasse River, acquisition and redevelopment of a former brownfield for development of park parking, signage, traffic control, walkways, and a hospitality center in partnership with SUNY-Canton, and construction of a pedestrian pathway under Route 11 to connect the whitewater park to additional parking.	DOS LWRP	\$231,274
65495	St. Lawrence	Village of Canton	Maple Hill Infrastructure	The Village of Canton will install water and sewer pipes to serve its Maple Hill section. The infrastructure will serve a banking operation and residential lots for future growth and development.	ESD Grants	\$235,000
65529	St. Lawrence	Village of Canton	Village of Canton Microenterprise Program	Funds will be used to assist in the establishment of a Microenterprise Program.	HCR CDBGME	\$200,000
65944	St. Lawrence	Village of Gouverneur	Gouverneur Hydroelectric Upgrade and Expansion Feasibility Study	The Village and Town of Gouverneur will examine the options, requirements, and costs to upgrade the current hydropower system, including the 1928 generating facility, and expand power distribution into the Town. Based on the results of the study, the Village and Town plan to create an efficient and effective micro-grid to service area needs for low cost, green power.	DOS LGE P	\$25,000
67964	St. Lawrence	Village of Gouverneur	Village of Gouverneur Village Wide Inflow and Infiltration Study	The Village of Gouverneur will complete an engineering report to identify sources of inflow and infiltration to the village's wastewater treatment plant.	DEC EPG	\$100,000

North Country

CFA #	County	Applicant	Project Title	Description	Agency/ Program	Award
66338	St. Lawrence	Village of Massena	Local Waterfront Revitalization Program and Water Street Park Enhancements	The Village of Massena will prepare a Local Waterfront Revitalization Program (LWRP) for its St. Lawrence and Grasse River waterfronts and construct Water Street Park enhancements. The LWRP will guide waterfront development, explore connections to the downtown, restore ecological health of the Grasse River, and encourage use of waterways as recreational and economic development assets. Park enhancements will include a bandshell, farmer's market pavilion, ADA bathroom, and expanded parking lot.	DOS LWRP	\$292,887
63386	St. Lawrence	Village of Potsdam	Village of Potsdam Water Pollution Control Facility Improvement Project	Funds will be used to renovate the Village Water Pollution Control Facility (WPCF) which is at the end of its useful life.	HCR CDBGPIPF	\$750,000
65479	St. Lawrence	Village of Waddington	Village of Waddington Sewer District	The Village of Waddington will complete an engineering report to evaluate improvements to the wastewater collection and treatment system.	DEC EPG	\$30,000
		Excelsior Jobs Credits		Excelsior Jobs Program tax Credits will be reserved for future projects including business investments in targeted industries that are within the region and that create or retain jobs, create capital investment and are consistent with the Strategic Plan.	ESD EJPB	\$5,000,000
		Low Cost Economic Development Financing		Federal Industrial Development Bond (IDB) Cap will be made available for state and local government issuers to sell tax-exempt bonds for eligible economic development, infrastructure and community revitalization efforts.	ESD IDBC	\$30,000,000
		NYSERDA Energy Efficiency Projects	9 Energy Efficiency Projects	NYSERDA's Commercial and Industrial (C&I) programs offer businesses in New York State solutions to improve energy efficiency and save money through design, new construction, renovation, and process improvements to commercial and industrial buildings. The Commercial New Construction Program and the Commercial Implementation Assistance Program can help building owners make informed decisions about designing and renovating sustainable buildings. The FlexTech Program offers energy-saving opportunities through consultation and cost-shared studies. The Industrial and Process Efficiency Program can help organizations increase manufacturing output and data processing efficiency.	NYSERDA EE

65758	Albany, Rensselaer, Saratoga	Albany Pro Musica	Administrative Workforce Expansion	Albany Pro Musica is prepared to expand its administrative team to include a new position of Development Director. This new position will be a leadership role within the organization, tasked with securing funding to support the chorus' superior artistic vision and repertoire.	Arts WIP	\$41,000
68414	Albany, Rensselaer, Saratoga, Schenectady, Warren, Washington	Wesley Health Care Center, Inc.	Career Pathways Workforce Initiative	Wesley Health Care Center, Inc. will provide training to improve customer service, system quality and delivery, increase teamwork capacity, and develop stronger communication skills. Training will also offer career pathways, providing trainees opportunities to obtain higher level positions with increased compensation.	DOL EET	\$40,000
66367	Albany, Schenectady, Saratoga	Albany-Schoharie-Schenectady-Saratoga BOCES	Special Populations Vocational Training	Albany-Schoharie-Schenectady-Saratoga Board of Cooperative Educational Services (BOCES) will train students and workers in skills to enter the healthcare and construction industries in the Capital Region. This project focuses on workforce development and job creation by training workers for industries that have a high number of job openings, then facilitating a direct connection between workers and businesses at the completion of each course of study.	DOL SPT	\$100,000
64038	Columbia	City of Hudson	Local Waterfront Revitalization Program, Comprehensive Plan and Zoning Ordinance Updates	The City of Hudson will update its draft Local Waterfront Revitalization Program to address climate change and sea level rise, as well as current planning and potential new projects. Components of the City Comprehensive Plan and Zoning Ordinance may also be updated to reflect the changing demography and local vision for an equitable and resilient City.	DOS LWRP	\$45,000
65447	Columbia	Harlem Valley Rail Trail Association	Harlem Valley Rail Trail State Route 22 Crossing	The proposed mile long trail segment, in Columbia County, will link a completed portion of the Harlem Valley Rail Trail. The proposed crossing will result in a potential 28 miles of continuous trail between the Wassaic Metro North Train Station and the hamlet of Hillsdale.	OPRHP PKS P	\$285,000
67050	Columbia	Hawthorne Valley Association Inc.	Hawthorne Valley Farm Expansion	Acquisition, renovations and machinery and equipment purchases by Hawthorne Valley Farm to expand production operations, increase food aggregation, processing and packaging opportunities for dairy food producers in the Capital and Hudson Valley Regions, and increase training opportunities for disadvantaged populations in Columbia County.	ESD Grants	\$600,000

Capital Region

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
66023	Columbia	Historic Hudson, Inc.	Dr. Oliver Bronson House Phase III Restoration	Historic Hudson, Inc. will continue to restore the Dr. Oliver Bronson House and Estate for public benefit. The Phase III project is transformative, completing the exterior stabilization to secure the building envelope, and starting construction to occupy the house for adaptive reuse.	OPRHP HP D	\$487,500
68621	Columbia	Hudson Development Corporation	Hudson History Project	The Hudson History Project provides visitors with a mechanism to engage with Hudson's past, present and future by providing self-guided walking tours that highlight historic, cultural and environmental assets via well catalogued, beautifully photographed, and narrated pathways through history to present day.	Arts CHPG P	\$14,000
67140	Columbia	Hudson Opera House	Administrative Workforce Expansion	The Hudson Opera House will hire a full-time, permanent Director of Development and Marketing. This key team member will lead the organization's increased fundraising and marketing program in support of the Hudson Opera House's newly restored historic facility and annual season.	Arts WIP	\$49,500
66342	Columbia	Shaker Museum	Exploring Shaker Ideas and Actions on Womens Rights: A Celebration of the Centennial of Womans Suffrage	The Shaker Museum at Mount Lebanon engages and inspires local, national, and global audiences by telling the story of the Shakers. In 2017 the museum's programming will celebrate and explore the Shakers' ideas and actions around women's rights, and the lives of the women who lived at Mount Lebanon.	Arts CHPG I	\$41,500
67732	Columbia	The Millay Colony for the Arts, Inc.	The Mother of Us All	The Millay Colony, in partnership with Hudson Opera House, will co-produce "The Mother of Us All," Virgil Thomson's opera on the life of Susan B. Anthony, with libretto by Gertrude Stein. Directed by R.B. Schlather with dramaturge Joan Retallack, this will premiere during HOH's 2017 season.	Arts CHPG I	\$75,000
65430	Columbia	The Olana Partnership, Inc.	The Olana Farm Education Center	The Olana Partnership (TOP) will restore Olana's historic Kitchen Garden. When completed, the Kitchen Garden will be a hands-on laboratory for TOP's school-based, family-centered, and senior citizen focused educational programs. This project will make a significant contribution to the preservation of one of our state's most important historic properties, to its significance as an educational resource for our communities, and to tourism and economic development in the Capital Region.	OPRHP PKS D	\$197,878
65275	Columbia	The Watershed Group	Original Sin Expansion	Original Sin will purchase land in Ancram to build a cidery, tasting room and plant and maintain an orchard, allowing the facility to keg and can a high-quality artisanal cider using Hudson Valley apples exclusively and crush and press on-site.	ESD Grants	\$200,000
63876	Columbia	Town of Claverack	Claverack Creek Historic Sites and Public Waterfront Access Study	The Town of Claverack will prepare a study that will assess the existing visual and public access to important historic sites within the Claverack Creek watershed and identify waterfront access sites that will expand public recreation opportunities, including water-dependent activities such as fishing and boating.	DOS LWRP	\$25,000

Capital Region

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
63876	Columbia	Town of Claverack	Shaw Bridge Restoration	The internationally renowned Shaw Bridge, which crosses Claverack Creek (a Hudson River tributary) on Van Wyck Lane, will be restored to its original 1870 appearance, but as a pedestrian/bicycle bridge. Once restored, the bridge with interpretive signage and kiosk will serve as the hub to a walking/biking loop for young and old that will course through the historic hamlet and the countryside, spurring other countywide heritage and agricultural tourism.	OPRHP HP D	\$170,000
67273	Columbia	Town of Copake	Planning for Waterfront and Hamlet Revitalization	The Town of Copake will develop a waterfront and revitalization strategy for four hamlets along the Roeliff Jansen Kill, Bash Bish Brook and Taghkanic Creek in the Town of Copake, focusing on community and economic revitalization, as well as recreational and tourism development.	DOS LWRP	\$40,000
64313	Columbia	Trout Unlimited, Inc.	Green Brook Culvert Removal Project	Trout Unlimited will remove a culvert and restore the natural channel to a stream on Green Brook in the Township of Chatham. The project will stabilize the banks of Green Brook reducing sediment loading and restore the natural flow of the stream promoting sediment transport.	DEC WQIP AHR	\$287,280
67987	Columbia	Trout Unlimited, Inc.	Noster Kill Barrier Removal Project: Reconnecting Brook Trout Habitat in the Hudson Valley	Trout Unlimited will remove concrete culverts and replace them with a rock ford on the Noster Kill in Copake. The project will ensure aquatic organism passage.	DEC WQIP AHR	\$69,700
67831	Columbia	Village of Philmont	Philmont Wastewater Treatment Facility Disinfection Project	The Village of Philmont will install a new disinfection system at the Village's Wastewater Treatment Facility. The outcome will be to fully treat the effluent, which reduces environmental contamination.	DEC WQIP WWT	\$191,250
65546	Columbia, Greene	Columbia Greene Community College	Columbia Greene: Transportation Training Program	Columbia-Greene Community College will implement a training project designed to provide individuals residing in Columbia and Greene counties with the skills necessary to obtain a Class A or B level commercial driver's license.	DOL UWT	\$42,630
67341	Columbia, Greene	Greene County	Hudson River Skywalk Phase 2	Greene County will build on Phase 1 planning and design work and undertake Hudson River Skywalk Phase 2. This phase will construct the pedestrian connection between the west side of the Skywalk to the Thomas Cole National Historic Site, as well as pedestrian safety improvements and look-out points along the south side of the Skywalk. Phase 2 will also study and design direct, safe pedestrian connections from the east side of the Skywalk to Olana State Historic Site.	DOS LWRP	\$875,000
65464	Greene	American Dance Institute	ADI Lumberyard Waterfront	American Dance Institute will rehabilitate its waterfront properties in line with Catskill's Downtown Waterfront Revitalization Plan to create retail/restaurant space, a flexible rehearsal/community/event space, offices and a parking area.	ESD Grants	\$300,000
64248	Greene	Greene County	Greene County Microenterprise Program	Funds will be used to assist in the establishment of a Microenterprise Program.	HCR CDBGME	\$200,000

Capital Region

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
65313	Greene	Greene County	Greene County Mountain Bike Ride Center	Funds will be used to support the promotion of a Ride Center campaign, a first step to shift marketing efforts to a target segment of mountain biking day-trippers and overnight guests from the NYC metro and surrounding areas, as well as outside New York State.	ESD MNY	\$75,000
66899	Greene	Prattsville Art Project, Inc.	Administrative Workforce Expansion	The Prattsville Arts Center will hire an Associate Director to expand community programs and cultural events that support the revitalization of Main Street and ongoing recovery from the impact of Hurricane Irene.	Arts WIP	\$25,000
67041	Greene	Thomas Cole Historic House	Restore Coles Decorative Painting plus Fire Suppression System	This project will restore and protect a unique and internationally acclaimed tourism asset: Thomas Cole's home and the newly discovered hand-painted decoration he created on the walls and to add a fire suppression system. The expected outcome is the complete restoration of the earliest known interior decorative painting by an American artist, increased visitation, and the preservation and protection of the Main House.	OPRHP HP D	\$417,650
67555	Greene	Thomas Cole Historic House	Marketing New Cole Site Permanent Interpretive Exhibition	Grant funds will be used to assist in the development of interactive technology to infuse the historic rooms of Thomas Cole's home tourism destination with spectacular audiovisual effects, and will tell one of American history's greatest stories using methods designed for the next generation of visitors.	ESD MNY	\$165,000
64271	Greene	Town of Catskill	Functional Consolidation of Code Enforcement Offices	The Town and Village of Catskill will plan for the consolidation of code enforcement services. By combining departments and balancing staffing needs, the Town and Village will save money and provide a higher level of service to the community. The consolidation will allow for the modernization of the department, providing training to fully utilize new equipment and the ability to electronically process permits, inspections and violations.	DOS LGE P	\$12,000
65149	Greene	Village of Tannersville	Implementation of Gooseberry Creek Revitalization Strategy	The Village of Tannersville will implement key projects in the Gooseberry Creek Revitalization Strategy including Gooseberry Park, a Creek overlook on Main Street, Gotay Pocket Park and trailhead, and stream channel restoration. Streetscape improvements will be installed along Main St. such as lighting, accessibility, public art, murals, a pocket park and a memorial garden. Phase 2 of the Kaaterskill Rail Trail and a trail network at Hathaway Estate will also be designed and constructed.	DOS LWRP	\$500,000
67901	Rensselaer	Arts Center of the Capital Region	Master Plan for Art in Public Places in Troy, NY	The Master Plan for Art in Public Places in Troy will create a comprehensive plan for art in public places in the Capital Region, using Troy as a pilot, which will highlight the beauty of the region's cities and, through its implementation, transform the region into an arts destination.	Arts CHPG P	\$49,500
65124	Rensselaer	Brown's Brewing Company	Brown's Brewery Sustainable Development	Funds will be used to support a portion of the costs of constructing a new addition on the west side of the building to house an elevator shaft and elevator in order to create universal access to the basement, ground floor, and upper two floors.	ESD MNY	\$107,450

Capital Region

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
65124	Rensselaer	Brown's Brewing Company	Brown's Brewery Sustainable Development	Brown's Brewing Company will renovate and expand its Hoosick Falls facility by investing in new equipment and RD to implement a full canning line, additional cold storage, lab space and expanded processing capabilities, establishing a craft brewing and agricultural destination.	ESD Grants	\$450,000
68051	Rensselaer	City of Troy	Ingalls Avenue Shoreline Park	The City of Troy seeks to acquire land on President St. between Ingalls Avenue and Middleburgh Street in Troy upon which the City intends to ultimately construct a park with environmental and historic interpretive amenities to support the funded boat launch construction immediately adjacent to and north of this Park acquisition site. This park could become the Gateway entrance to the Erie canal.	OPRHP HAS A	\$454,006

ESD Grants	\$4,000,000
65093	Rensselaer	Village of Hoosick Falls	Village of Hoosick Falls Wood Brook Flood Mitigation Study	Funds will be used to complete a study of flooding and associated solutions caused by the Woods Brook.	HCR CDBGCP	\$23,560
68571	Rensselaer	Village of Hoosick Falls	PFOA Wastewater Study	The Village of Hoosick Falls will complete an engineering report to evaluate the potential upgrades needed to address the perfluorooctanoic acid (PFOA) discharge to the wastewater treatment facility.	DEC EPG	\$30,000
66287	Rensselaer, Columbia, Greene	Questar III BOCES	Certified Nurse Aide Special Populations Training	Questar III BOCES Rensselaer-Columbia-Greene will train unemployed individuals to obtain a Certified Nurse Aid (CNA) certificate. Trainees obtaining the certificate and subsequent employment will put themselves in a position to obtain higher level employment as EMTs, LPNs, and RNs.	DOL SPT	\$91,381
67851	Saratoga	City of Saratoga Springs	Construction of The Greenbelt Trail Downtown Connector	The City of Saratoga will construct its Greenbelt Trail Downtown Connector, incorporating bicyclist, pedestrian, and transit improvements in an area starting at the corner of the Maple and Lake Avenue intersection extending to the eastern loop of Excelsior Avenue. Work will consist of preliminary and final engineering and construction.	DEC CSC	\$1,134,333

Capital Region

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
67389	Saratoga	Common Roots Brewing Company	Common Roots Brewing Expansion	Common Roots Brewing Company will expand and renovate its existing warehouse to accommodate a new canning line and grain storage, milling and conveyance systems to support continued growth and expansion into new markets.	ESD Grants	\$100,000
66228	Saratoga	Hudson Valley Community College	HVCC Building Systems Technology Programs	Expansion of the current labs at Hudson Valley's Malta location that serve the renewable energy employer market to enable additional students to be accepted into the Electrical Construction Maintenance Program.	ESD Grants	\$75,000
68532	Saratoga	JW Danforth	JW Danforth Expansion	JW Danforth will build an office building adjacent to its warehouse/fabrication facility to accommodate existing and future employment growth.	ESD Grants	\$575,000
49005	Saratoga	Polyset Company Inc.	Polyset Expansion	Polyset will construct a warehouse on its existing property and acquire adjoining buildings to increase operational capacity, add an additional production shift and hire additional employees.	ESD Grants	\$250,000
67502	Saratoga	Saratoga County Planning Department	Zim Smith Trail Extension Coons Crossing Road to City of Mechanicville	Saratoga County will construct a multi-use trail to extend the existing Zim Smith Trail at its current terminus in the Town of Halfmoon, east to the City of Mechanicville. The project is currently in the preliminary design phase and the County has initiated the Right-of-Way acquisition process for the necessary portions to construct the trail. The trail will be paved, providing accessible recreational opportunities for local residents and tourists.	OPRHP PKS D	\$500,000
66082	Saratoga	Town of Ballston	Town of Ballston Microenterprise Program	Funds will be used to assist in the establishment of a Microenterprise Program.	HCR CDBGME	\$200,000
64275	Saratoga	Town of Corinth	Water System Operation and Maintenance Consolidation	The Town of Corinth will consolidate the operation, reporting and maintenance of their water system into the Village of Corinth system. Both the Town and Village are committed to increasing efficiency of water delivery and reduce the costs associated with this delivery. This would be achieved by shifting the technical and administrative water supply duties from the Town to the Village, which translates into savings for taxpayers and water users in the Village and Town, and will ensure high quality water for residents.	DOS LGE	\$400,000
63342	Saratoga	Village of Corinth	Village of Corinth Wastewater Facility Improvements	Funds will be used to help construct a new Waste Water Treatment Plant.	HCR CDBGPIPF	\$1,000,000
68450	Saratoga	Village of Corinth	Village of Corinth Wastewater Preliminary Engineering Report	The Village of Corinth will complete an engineering report to identify sources of inflow and infiltration to the village's sanitary sewer collection system and develop recommendations for rehabilitation.	DEC EPG	\$78,000
65054	Schenectady	City of Schenectady	Mohawk Harbor Visitor Center and Large Vessel Dockage	This project will include the construction of a walking trail, visitor's center with public restrooms and approximately 75 feet of large vessel dockage space.	Canals	\$150,000
65554	Schenectady	DHA Holdings, Inc.	P1 Advanced Manufacturing Center	P1 Holdings will construct an advanced manufacturing center that enables the company to develop new, high tech manufacturing capabilities, train in the new software/hardware world of manufacturing and position the company to enter new markets and increase manufacturing work.	ESD Grants	\$750,000

Capital Region

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
65254	Schenectady	Re4orm Architecture	The Mill	Re4orm Architecture will acquire and renovate properties in Schenectady to create The Mill Artisan District, a three-block area that will include New York maker space for a distillery, a craft brewery, retail establishments and apartments.	ESD Grants	\$2,325,000
65673	Schenectady	Schenectady Community Action Program	SCAP Employment Services	Schenectady Community Action Program (SCAP)'s Employment Services Project will provide an occupational skills training that incorporates career pathway and employability skills development, and job placement and retention services. Through extensive local collaborations, SCAP will provide workers with training and credential opportunities in the following positions: Certified Nurse Aid/Assistance (CNA), Home Health Aid (HHA), Personal Care Aide (PCA), and Teacher's Aide/Paraprofessional.	DOL SPT	\$100,000
67122	Schenectady	Schenectady County Water Quality Coordinating Committee	Comprehensive System Mapping Program	Schenectady County will conduct comprehensive MS4 system/program mapping. The project will help the County to identify stormwater discharges into local waterways.	DEC WQIP MS4	\$61,500
65664	Schenectady	Town of Glenville	Town of Glenville Economic Development Study	Funds will be used to complete a Development Plan for a 310 acre industrial site known as the Glenville Business and Technology Park.	HCR CDBGCP	\$47,500
66241	Schenectady, Albany	Schenectady County Community College	SCCC UWT 2016	Schenectady County Community College, in partnership with Albany Can Code, will implement the Capital Region Software Talent Training program. This New York State Department of Labor funded pilot will address the issue of a shortage of web and software developers.	DOL UWT	\$49,812
66296	Schenectady, Saratoga	Capital Region BOCES	Shared Bus Repair Program	This Shared Bus Repair Project will study the feasibility of sharing school bus repair (including mechanics and supplies) between three school districts in partnership with Capital Region BOCES. The three school districts – Burnt Hills-Ballston Lake, Niskayuna and Scotia-Glenville – have been working together since 2014 to find transportation efficiencies and sharing bus repair services is a next step to creating additional cost savings.	DOS LGE P	\$17,500
64543	Schenectady, Saratoga, Albany	Capital Region BOCES	Capital Region Shared Student Transportation Project	The Capital Region Shared Student Transportation Project will coordinate the sharing of buses for out-of-district locations, including to private schools, special education sites and BOCES programs. Districts will be able to eliminate some bus runs altogether reducing spending on student transportation.	DOS LGE	\$182,160
64040	Warren	Adirondack Pub Brewery	Adirondack Craft Beverage Campus	Expansion of the Adirondack Pub Brewery and construction of an adjacent parcel to establish the Craft Beverage Campus, a winery and a beverage incubator that will serve as a regional food and beverage education center through partnerships with SUNY Adirondack, Schenectady County Community College and Paul Smiths College to coordinate and integrate craft beverage academic programs, further career opportunities and expand year-round tourism in the Village of Lake George.	ESD Grants	\$325,000

Capital Region

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
65429	Warren	City of Glens Falls	Downtown Green Infrastructure	The City of Glens Falls will retrofit and reduce runoff from roofs, municipal parking lots and a pedestrian mall in the area of Exchange Street using bioretention and dry well stormwater reduction measures. The project will reduce combined sewer overflows to the Hudson River thereby reducing pathogenic organisms in the river.	DEC WQIP NPS	\$168,750
67911	Warren	EASM Properties, LLC	The Park Theater	Renovations to the historic Park Theater to establish new performance space and a restaurant in Glens Falls.	ESD Grants	\$600,000
67104	Warren	Finch Paper	Finch Paper Residuals Project	Finch will convert its paper residuals waste stream into two products, agricultural products and energy generation, which will create new revenue streams and eliminate the deposit of paper residuals into area landfills. The investment in cutting-edge fiber processing technology will generate clean, renewable energy as well as the manufacturing of fertilizer and bedding solutions.	ESD Grants	\$1,000,000
66142	Warren	Hudson Headwaters Health Network	Women's Wellness Center	Hudson Headwaters will renovate 90 South Street and offer expanded women's health care services in downtown Glens Falls.	ESD Grants	\$250,000
65876	Warren	Town of Bolton	Veterans Memorial Park Master Plan Update	The Town of Bolton will update its master plan for Veterans Memorial Park, addressing the summer youth recreation buildings, green open space, playground, dedicated ball courts, parking, stormwater management and pedestrian linkages from the transient docks and to downtown.	DOS LWRP	\$18,750
64509	Warren	Town of Hague	Public Dock Expansion	The Town of Hague will design and construct Americans with Disabilities Act-compliant public docks at the Hague Town Park as an addition to the existing Town Dock, which provides the only public dock access to a business district in Lake George's North Basin.	DOS LWRP	\$38,000
64257	Warren	Town of Lake George	Joint Climate Action Plan and Certification	The Town and Village of Lake George will develop and adopt a joint Climate Action Plan, complete with Greenhouse Gas Emissions inventories and goals, a vulnerability assessment, review of community plans, and strategies for both municipalities. As a result, the Town hopes to become the first Certified Climate Smart Community in the Adirondack region.	DEC CSC C	\$25,000
65320	Warren	Warren County Soil and Water Conservation District	Warren County Erosion and Sediment Control Project	The Warren County Soil and Water Conservation District will continue the roadside erosion and sediment control and reservoir and sediment pond cleanout programs. The project will control erosion/sedimentation thereby reducing excess sediment impacting water quality throughout the County.	DEC WQIP NPS	\$57,000

Capital Region

CFA #	County	Applicant	Project Title	Description	Agency/Program	Award
63348	Warren, Saratoga	Warren County	First Wilderness Plan Implementation 2016	Warren County and project partners will implement goals established in the First Wilderness Heritage Corridor Plan in Warren and Saratoga Counties. Projects include trail and parking construction, a covered passenger shelter at Corinth Station, a feasibility study for North Creek Ski Bowl trail connections, streetscape improvements around the North Creek Train Station, development of tourism materials, and improvements to the Pottersville water supply system to address flooding.	DOS LWRP	\$520,300
65696	Washington	Hubbard Hall Projects, Inc.	Administrative Workforce Expansion	Hubbard Hall Center for the Arts and Education will expand its Program Director position to full-time in order to better serve students and community members with greater programming opportunities throughout Washington County and the Capital Region.	Arts WIP	\$34,000
67954	Washington	Hubbard Hall Projects, Inc.	Marketing Washington County Arts	Grant funds will be used to create Phase II of the Washington County Arts Marketing Campaign and Festival in 2017, in order to raise the profile of the Washington County region and attract new visitors and residents alike, aimed at drawing those interested in the higher quality of life available in Washington County.	ESD MNY	\$15,000
68643	Washington	Morcon, Inc.	Morcon Training and Development	Morcon, Inc. will provide three levels of training programs: Supervisory Leadership Skills, Train the Trainer, and New Hire, to enhance the skills for workers in the manufacturing field. The training programs will ensure that future hires are trained, mentored, and receive the support to be successful and productive employees of Morcon.	DOL NHT	\$3,000
64950	Washington	Town of Granville	D&H Rail Trail Corridor	The Town of Granville will complete a feasibility study and preliminary concepts for the gaps of the D&H Rail Trail in New York, a nearly 16 mile intermunicipal and interstate rail trail in the Town and Village of Granville and the Town of Salem, linking to Vermont's existing 20+ mile D&H Rail Trail. The resulting trail network will connect New York and Vermont communities, provide alternative transportation and healthy recreation opportunities, and support economic development and tourism.	OPRHP PKS P	\$22,500
