**Public Portion**

Co-Chair Dennis Murray welcomed the Public.

Dennis asked if the Public had any comments.

Gerry Faiella wanted to find out about a multi-grant CFA for Sing Sing that he is a consultant for. He wanted to know how projects applying for multiple funding sources are scored. Len Schleifer, Co-Chair explained that the council can make recommendations for a specific project. Albany then will review it. Aimee added that each agency is responsible for scoring CFA applications. Mr. Faiella also asked about the Village of Mount Kisco's Shared Services grant. He wanted to know the total for the funding.

The co-chair's asked if there were any other comments from the public at which there was no reply from the public and the public portion was adjourned.

Meeting ended at 4:30pm.
