Healthcare

- Multi-generational housing – not only senior housing
 - Must be affordable
 - Multi-use/walkability
- Need to have a connection with the community and/or schools
- Cooperative framework for community transportation networks – volunteer, inter-county
- Affordable Healthcare
 - Business owners and employees change paradigm in health care.
 - Low cost option – staff support to assist with end of life care
 - Hospice
 - Success stories – i.e. Chemung Medicare Clinic
- Affordable healthcare for Entrepreneurs!!!
- Suggestion to broaden the workgroup – consumers, alternative viewpoints
