Program Summary
Program Overview

The New York Main Street Program is a reimbursement, matching grant program.

NYMS provides financial resources and technical assistance to communities to strengthen the economic vitality of the State's traditional Main Streets and neighborhoods. The program stimulates reinvestment in properties located within mixed-use commercial districts and adjacent neighborhoods with the goal of establishing sustainable downtown and neighborhood revitalization.

NYMS grants are available for targeted improvements such as:
- Facade renovations
- Interior commercial renovations
- Residential building renovations
- Streetscape enhancement projects.
NYMS Eligibility

**Eligible applicants** for NYMS program activities are:

- Units of Local Government
- Organizations incorporated under NYS Not-For-Profit Corporation Law

**Eligible target area** shall mean an area:

(i) that has experienced sustained physical deterioration, decay, neglect, or disinvestment;

(ii) has a number of substandard buildings or vacant residential or commercial units;

**AND** (iii) in which more than fifty percent of the residents are persons whose incomes do not exceed ninety percent of the area median income for the county or metropolitan statistical area (MSA) in which the project is located, **or** which is designated by a state or federal agency to be eligible for a community or economic development program.
How does NYMS work?

NYMS Technical Assistance Projects

- Examples of completed NYMS-TA Projects are available for review online, here: https://hcr.ny.gov/new-york-main-street-technical-assistance-nyms-ta-completed-projects

- Select only one activity in the application – Do not combine with renovation activities;

- All questions asked in the application are relevant to the project type.
Administration & Soft Costs

Administration

Up to 7.5% (5% for Anchor & Downtown Stabilization) of a NYMS award may be requested for administrative activities such as: staff salaries, consultant expenses, program related equipment and supplies, travel, program marketing. Administrative funds must be budgeted and requested at the time of application.

Soft Costs

Professional service costs, or “soft costs,” that can be attributed directly to the delivery of project-specific renovation activities may be eligible expenses. Requires match and proof of payment and must remain within per building limits.

Tip:
These are not required, but must be identified at the time of application if an applicant intends to use NYMS funds for these activities.
COVID Relief Expansion

In conjunction with a Target Area Building Renovation or Anchor project, applicants may request to use funds to alleviate the impacts of the COVID-19 Pandemic.

- Activities must be directly related to a building renovation activity and awarded on a per project basis;
- Require matching funds
- COVID Relief Activities must be ancillary to a traditional TABR or Anchor project and cannot be applied for on its own;

Applicants will be required to document:
- Impact of COVID on participating business or property owner;
- Need for funding;
- Explanation for how the investment impacts the sustainability and resiliency of the business or property.

*Small projects are unlikely to demonstrate long term viability.*
COVID Relief Activities

Eligible Activities:
• Reconfiguration of existing facilities to encourage reduced density;
• Redesign and updates for air filtering or ventilation systems;
• Equipment or software required to increase business capacity and efficiency in post-COVID climate, e.g. online sales, POS systems. One-time only purchases, subscription or membership fees are not eligible for reimbursement;
• Fixtures and equipment to partition customers, guide social distancing or provide contact-less sales opportunities;
• Interior and exterior improvements to support adjusted business practices, e.g. pick-up windows, outdoor seating areas.

Ineligible Activities:
• Inventory, rent or lease expenses, working capital or other undefined expenses, general or disposable supplies;
• Other expenses that do not sustain business operations.

Streetscape (Target Area Building Renovation Applicants Only)
Applicants can request up to $25,000, if additional funds directly alleviate COVID related impacts and further economic recovery and neighborhood and community revitalization

Welcome

As part of Governor Cuomo’s transformative plan to improve the state’s economic development model, a NYS Consolidated Funding Application (CFA) has been created that will streamline and expedite the grant application process. The CFA process marks a fundamental shift in the way state resources are allocated, ensuring less bureaucracy and greater efficiency to fulfill local economic development needs.

Utilizing the CFA serving as the single entry point for access to economic development funding, applicants will no longer have to slowly navigate multiple agencies and sources without any mechanism for coordination. Now, economic development projects will use the CFA as a support mechanism to access multiple state funding sources through one application, making the process quicker, easier, and more productive.

The CFA system is also the mechanism for Upstate Revitalization Initiative (URI) project sponsors to submit applications.
