

DOS Local Government Efficiency

Q7: **DOS** – Are School Districts considered “Eligible Entities” in this round?

A7: Yes

Q8: Will the CFA cover a county owned or litigation buildings that the County is taking ownership due to back taxes?

A8: If it is not conducting government functions, the sustainability grant. The project would need to be taken over privately. Contact representatives to discuss the specifics and eligibility.

Q9: Is a community college eligible for the funding?

A9: No, a community college is not eligible for a Local Government Efficiency grant.

Q10: **DOS** – How do you address the MWBE requirement if you don’t know who you are hiring?

A10: The forms should be completed to the best of your ability. If MWBE is unknown please explain.

Q11: Are there municipal resolution requirements?

A11: Municipal resolutions are not required for a Local Government Efficiency grant application.
